An Introduction to Colonial African-American Evangelical Theology Cory J. May, 2025-02-04 Who were some of the early pioneers of colonial African American Christianity Were there specific doctrines that shaped colonial African American evangelical theology Did influential colonial African American Christians prioritize their racial identity above and beyond their Christian identity How did some African American Christians construct their Blackness sense of belonging and existence within shared space with the human Other The genuine Christian faith of many colonial evangelical African Americans has been for some time systematically ignored dismissed and neglected The darker aspect of this agenda at least for some is that when these colonial Christians are discussed their existence is typically reinterpreted through contemporary Western racialized politics The greatest protagonists of this sociopolitical drama have been various influential Black scholars within and outside the academy This project serves as an introductory discourse into the theology and authentic faith of various colonial evangelical African Americans who influenced the identity sense of belonging and conceptions of shared space for Christians within and outside the colonial Black church The journey this book will take some through is within the conservative evangelical tradition of African American Christianity

American Heritage Book of Great American Speeches for Young People Suzanne McIntire, 2001-08-03 The history of the United States has been characterized by fervent idealism intense struggle and radical change And for every critical defining moment in American history there were those whose impassioned voices rang out clear and true and whose words compelled the minds and hearts of all who heard them When Patrick Henry declared Give me liberty or give me death when Martin Luther King Jr said I have a dream Americans listened and were profoundly affected These speeches stand today as testaments to this great nation made up of individuals with bold ideas and unshakeable convictions The American Heritage Book of Great American Speeches for Young People includes over 100 speeches by founding fathers patriots Native American and African American leaders abolitionists women s suffrage and labor activists writers athletes and others from all walks of life featuring inspiring and unforgettable speeches by such notable speakers as Patrick Henry Thomas Jefferson Tecumseh Frederick Douglass Sojourner Truth Abraham Lincoln Susan B Anthony Mother Jones Lou Gehrig Franklin D Roosevelt Albert Einstein Pearl S Buck Langston Hughes John F Kennedy Martin Luther King Jr

These are the voices that shaped our history They are powerful moving and above all else uniquely American

Encyclopedia of Diversity in Education James A. Banks, 2012-05-17 The diversity education literature both nationally and internationally is broad and diffuse Consequently there needs to be a systematic and logical way to organize and present the state of research for students and professionals American citizens need to understand the dynamics of their increasingly diverse communities and institutions and the global world in which we live work and lead With continually evolving information on diversity policies practices and programs it is important to have one place where students scholars teachers and policymakers can examine and explore research policy and practice issues and find answers to important questions about how diversity in U S education enriched with theories research and practices in other nations are explained and communicated and how they affect institutional change at both the K 12 and postsecondary levels With about 700 signed entries with cross references and recommended readings the Encyclopedia of Diversity in Education 4 volumes in both print and electronic formats will present research and statistics case studies and best practices policies and programs at pre and postsecondary levels Diversity is a worldwide phenomenon and while most of the entries in the Encyclopedia will focus on the United States diversity issues and developments in nations around the world including the United States are intricately connected Consequently to illuminate the many aspects of diversity this volume will contain entries from different nations in the world in order to illuminate the myriad aspects of diversity From A to Z this Encyclopedia will cover the full spectrum of diversity issues including race class gender religion language exceptionality and the global dimensions of diversity as they relate to education This four volume reference work will be the definitive reference for diversity issues in education in the United States and the world

Not My Words Ofer Feldman, 2025-01-08 This edited collection of studies brings together a number of internationally distinguished scholars to provide a comprehensive and detailed examination of the usage and function of quotations and citations in political rhetoric in a variety of countries around the globe including North and South America Europe the Middle East and Asia Chapters consider quotations and citations as important at times unavoidable elements of argumentative and persuasive speech and writing They examine quotations on the one hand as forms of a direct way of providing evidence to support the speaker s or writer s arguments statements or assumptions that their speech or writing is within an already established larger claim enabling them to say or write something about it with authority On the other hand chapters maintain that quotations and citations can be also used as a powerful device to refute them That is the speaker will quote something in order to knock it down i e use it as a springboard to express doubts regarding the original utterance to criticize disagree or ridicule the speaker or to present the contradictory position Contributions to this volume explore aspects related to the manner such quotations take place the forms and genres of rhetoric that they enable and their effect as an important topic for political and social psychologists as well as for communication and linguistics researchers who are interested in the study of the nature of contemporary politics With only a handful studies systematically considering

such aspects of political rhetoric and behavior this anthology aims to bridge the gap in this area s scholarly knowledge while delving into central features of political communication and persuasion and their effect in present day societies
