Martin Scorsese:

Martin Scorsese Vincent LoBrutto,2007-11-30 Martin Scorsese s current position in the international film community is unrivaled and his name has become synonymous with the highest standards of filmmaking excellence He is widely considered America s best living film director and his Taxi Driver and Raging Bull appear frequently on worldwide surveys of the best films of all time Here in the first biographical account of this artist s life Vincent LoBrutto traces Scorsese s Italian American heritage his strict Catholic upbringing the continuing role of religion in his life and art his obsessive love of cinema history and the powerful impact that the streets of New York City had on his personal life and his professional career Meanwhile the filmmaker s humble soft spoken public persona tells only part of the story and LoBrutto will delve into the other side of a complex and often tortured personality Scorsese s intense passion his private relationships his stormy marriages and his battles with drugs and depression are all chronicled here and in many cases for the first time In addition the book includes an interview with the director as well as filmographies cataloging his work as a director producer actor and presenter As his Best Director award at the 2007 Oscars clearly demonstrated Scorsese has become something like Hollywood royalty in recent years finally enjoying the insider status and favor that eluded him for most of his career But these recent developments aside Scorsese is also notable as a distinctly American type of artist one whose work created in a medium largely controlled by commercialism and marketing has always been unmistakably his own and who thus remains a touchstone of artistic integrity in American cinema In *Martin Scorsese A Biography* readers can examine not only the work of one of the form s genuine artists but also the forces that have propelled the man behind it Martin Scorsese Martin Scorsese,1999 Collected interviews with the man who has been called the greatest living American film director *The Cinema of Martin Scorsese* Lawrence S. Friedman,1997 Scorsese is one of America s most distinctive and successful filmmakers For twenty five years he has provided audiences with tough gritty yet beautifully composed movies many of them all time classics From the urban violence psychosis and isolation of Mean Streets Taxi Driver The King of Comedy and Goodfellas through the opulent lyricism of The Age of Innocence to the operatic and controversial Raging Bull and The Last Temptation of Christ Scorsese has not compromised his vision of the human heart and its struggles Scorsese has wrestled hard with his ambivalence over the legacy of his Catholicism As a second generation Sicilian American he also has had to come to grips with the stereotypes of organized crime while recognizing the dramatic interest of these fascinating and complex characters In this book each of Scorsese s films is thoughtfully discussed in a way that will help readers understand these and other themes in order to discern the overall patterns of the filmmaker s career **Martin Scorsese** Robert Ribera,2017-01-05 Martin Scorsese b 1942 has long been considered one of America s greatest cinematic storytellers Over the last fifty years he has created some of the most iconic moments in American film never afraid to confront controversial issues with passion While few of his films are directly autobiographical his upbringing in New York s Little Italy the childhood

asthma that kept him from playing sports and his early desire to enter the priesthood all helped form his sensibilities and later shaped his distinct style. Community, religion, violence—these themes drive a Scorsese picture, and whether he examines the violence that bursts forth in the hand of Travis Bickle or the passion of Jesus Christ, Scorsese's mastery of the history, art, and craft of filmmaking is undeniable. This collection was originally edited by the late Peter Brunette in 1999 and is now revised and extensively updated by Robert Ribera. It traces Scorsese's evolution from the earliest days of the New American Cinema, his work with Roger Corman, and his days at New York University's film program to his efforts to preserve the legacy of cinema, his documentary work, and his recent string of successes. Among new movies discussed are *The Departed*, *Hugo*, and *The Wolf of Wall Street*, and the documentaries *No Direction Home* and *The Blues*. Scorsese stands out as a director, producer, scholar, preservationist, and icon. His work, both behind the camera and in the service of its history, is a cornerstone of American and world cinema. In these interviews, Scorsese takes us from Elizabeth Street to the heights of Hollywood and all the journeys in between.

Martin Scorsese Tom Shone, 2022. Impeccably designed and copiously illustrated with more than two hundred stills and behind-the-scenes images, this is the definitive celebration of one of cinema's most enduring talents. Since his emergence in the early seventies, Martin Scorsese has become one of the most respected names in cinema. Classics such as *Taxi Driver*, *Raging Bull*, and *Goodfellas* are regularly cited as being among the finest films ever made. This lavish retrospective is a fitting tribute to a remarkable director now into his sixth decade in cinema and showing no signs of slowing up. Leading film writer Tom Shone draws on his in-depth knowledge and distinctive viewpoint to present refreshing commentaries on all twenty-three main features, from the rarely shown *Who's That Knocking at My Door* (1967) to the latest release *The Irishman* (2019), as well as covering Scorsese's parallel career as a documentary maker.

Martin Scorsese Andy Dougan, 1997. Martin Scorsese is one of the elite band of filmmakers whose originality and craftsmanship has influenced a generation of film directors. His collaborations with Robert De Niro and skill in telling stories sets him apart as one of the all-time original directors. When *Taxi Driver* blasted onto the scene in 1979, it confirmed what everyone recognised as a huge new talent when *Mean Streets* was released six years earlier. This is a powerful film; the final scene is a cinematically brilliant sequence crowded with variety. At least one of *Taxi Driver*, *Mean Streets*, *Raging Bull*, and *The King of Comedy* is on everyone's top ten best films. After thirty years of filmmaking, Scorsese is one of the few directors working in Hollywood whose movies still surprise and shock. He is still prepared to take risks and is still producing great movies. So what is it that makes Scorsese tick? What makes him take on a movie? How does he approach the script and decide what he wants up there on the screen? Andy Dougan has interviewed Scorsese many times and has talked to many of the stars who have appeared in his movies, including most recently Sharon Stone, to create a fascinating inside look at the making of.

The Films of Martin Scorsese and Robert De Niro Andrew J. Rausch, 2023-06-14. In 1973, early in their careers, Martin Scorsese and Robert De Niro collaborated for the first time. Over the next few decades, they worked together on seven more movies, many of which brought

them both acclaim and awards And while successful director and actor pairings have occurred throughout the history of film few have fashioned so many works of enduring value as these two artists In little more than two decades Scorsese and De Niro produced eight features including the classics Taxi Driver Raging Bull and GoodFellas In The Films of Martin Scorsese and Robert De Niro Andrew J Rausch examines the creative output of this remarkable pair from their initial offering Mean Streets to their most recent film together Casino Rausch looks at their relationship as individual artists who worked together to create cinematic magic as well as the friendship that was forged nearly 40 years ago Drawing upon interviews and other sources Rausch goes behind the scenes of their eight films providing insight into their relationship

Scorsese on Filmmaking and Faith Martin Scorsese, 2025-10-30 Have I succeeded in my own life I don't know I don't think so I'm in my eighties now and I just don't know But then maybe success is the wrong way of framing it You just try and when you fail you keep trying Over the course of eight years Martin Scorsese and Jesuit theologian Antonio Spadaro discussed filmmaking and faith From his Catholic upbringing amidst the brutality of 1950s New York to the heights of Hollywood Scorsese sketches a unique self portrait And from Mean Streets to Killers of the Flower Moon and especially the spiritual reckonings of The Last Temptation of Christ and Silence he grants readers a new understanding of his films Reflecting on grace and violence fear and hope passion and belief these rich and intimate conversations offer a remarkable insight into the director's life and work

A Personal Journey with Martin Scorsese Through American Movies Martin Scorsese, Michael Henry Wilson, 1997 A look at American film from the silent movies to movies of the 1970s including Duel in the Sun The Bad and the Beautiful The Searchers Scarface Intolerance The Ten Commandments A Star Is Born Cat People Barry Lyndon Citizen Kane Public Enemy East of Eden Shock Corridor Faces The Naked Spur Bandwagon and Force of Evil

Hollywood's New Yorker Marc Raymond, 2013-03-13 When Martin Scorsese finally won an Academy Award in 2007 for The Departed it was widely viewed as the crowning achievement of a remarkable film career But what it also represented was an acceptance by Hollywood of a man who became a prestigious auteur precisely because of his status as an outsider from New York For someone with a high culture reputation like Scorsese's this middlebrow sign of respectability was not about cultural standing rather it was about using and even sacrificing his distinctive outsider status for a greater share of industry authority within the world of Hollywood In Hollywood's New Yorker Marc Raymond offers a fresh look at Scorsese's career in relation to the critical and social environment of the past fifty years He traces Scorsese's career and films through his association with various cultural institutions from his role as a student and instructor at New York University to his move to Hollywood and his relationship with the studio system to his relationship with prestigious institutions like the Museum of Modern Art This sociological approach to film authorship provides analysis of previously overlooked Scorsese projects particularly his documentary work and gives importance to the role his extracurricular activities in the film preservation movement have played in the rise of his reputation Hollywood's New Yorker places Scorsese and his films firmly within the various time periods of his career and compares the director with

his peers from fellow New Yorkers like Brian De Palma and Woody Allen to New Hollywood movie brats such as Francis Ford Coppola and Steven Spielberg The result is a complete picture of Scorsese and the post World War II American film culture he has both shaped and been shaped by **Martin Scorsese and the American Dream** Jim Cullen,2021-06-18

Conversations with Scorsese Richard Schickel, Martin Scorsese, 2013 With Richard Schickel as the canny and intelligent guide these conversations take us deep into Scorsese s life and work He reveals which films are most autobiographical and what he was trying to explore and accomplish in other films

Martin Scorsese's America Ellis Cashmore, 2013-05-08 For over four decades Martin Scorsese has been the chronicler of an obsessive society where material possessions and physical comfort are valued where the pursuit of individual improvement is rewarded and where male prerogative is respected and preserved Scorsese has often described his films as sociology and he has a point his storytelling condenses complex information into comprehensible narratives about society In this sense he has been a guide through a dark world of nineteenth century crypto fascism to a fetishistic twentieth century in which goods fame money and power are held to have magical power Author of *Tyson* *Nurture of the Beast* and *Beckham* Ellis Cashmore turns his attention to arguably the most influential living film maker to explore how Scorsese envisions America

Greed manhood the city and romantic love feature on Scorsese's landscape of secular materialism. They are among the themes Cashmore argues have driven and inform Scorsese's work. This is America as seen through the eyes of Martin Scorsese and it is a deeply unpleasant place. Cashmore's book discloses how collectively Scorsese's films present an image of America. It's an image assembled from the perspectives of obsessive people whether burned out paramedics compulsive entrepreneurs tortured lovers or celebrity fixated comedians. It's collected from pool halls taxicabs boxing rings and jazz clubs. It's an image that's specific yet ubiquitous. It is Martin Scorsese's America. *Martin Scorsese* Martin Scorsese,
