Heroes of Faith in a Contemporary World Dr. G. Yvette Boatwright, 2024-06-24 My Philosophy Of Life Commitment to Life Long Learning Belief that education provides a right of passage to life in Society Belief that everyone has a right privilege of education an development of their skills in America **The Martin Luther King, Jr. Story** T. S. Lee, 2010 Chronicles the life of Martin Luther King Jr and his crusade for justice and equality during the civil rights movement in the United States **Martin Luther King, the Inconvenient Hero** Vincent Harding, 2008-01-01 In these eloquent essays the noted scholar and activist Vincent Harding reflects on the forgotten legacy of Martin Luther King Jr and the meaning of his life today Many of these reflections are inspired by the ambiguous message surrounding the official celebration of King s birthday Harding sees a tendency to freeze an image of King from the period of his early leadership of the Civil Rights movement the period culminating with his famous I Have a Dream Speech Harding writes passionately of King s later years when his message and witness became more radical and challenging to the status quo at every level In those final years before his assassination King took up the struggle against racism in the urban ghettos of the North he became an eloquent critic of the Vietnam war he laid the foundations for the Poor People s Campaign This widening of his message and his tactics entailed controversy even within his own movement But they point to a consistent expansion of his critique of American injustice and his solidarity with the oppressed It was this spirit that brought him to Memphis in 1968 to lend his support to striking sanitation workers It was there that he paid the final price for his prophetic witness **Nurturing Your Child's Soul** Timothy Jones, 2006-09-03 Many of us worry about our kids getting pulled under by our culture s negative currents We try to shout over the roar of media blitzes misguided values in the schools and peer pressure And we wonder how to raise faithful children For parents who sometimes feel they haven t done enough Jones provides ideas for taking small steps toward communication and intimacy showing you how to take advantage of teachable moments by fully focusing on the present
