Martine Aubry Enquete Sur Une Enigme Politique

Patrick Vollmar

Martine Aubry Enquete Sur Une Enigme Politique:

Martine Aubry Paul Burel, Natacha Tatu, 1997-01-01 Une enquête de deux ans plus de 300 personnes interrogées pour reconstituer le plus fidèlement possible le parcours de cette figure politique atypique qu'est Martine Aubry *French Women in Politics: Writing Power* Raylene L. Ramsay, 2003-01-01 Although more women in France have entered political life than ever before the fact remains that there are fewer women representatives in the French parliament than there were after the Second World War In a new and original approach the author presents an overview and analysis of the emerging body of text by or on women who have held high political office in France The argument is that writing about women and politics has not just described or reflected women's slow but now substantial entry into political life it has played a major part in shaping the parity debate and its outcomes Interviews with political women such as Huguette Bouchardeau Simone Veil or Edith Cresson inserted in the text demonstrate the emergence and circulation of a new common discourse focused on the issue of whether women in politics make or should make a difference A close reading of the various texts examined in this book and their connection to new public counter discourses in France suggest that a re-writing of power is indeed occurring **Ibss: Political Science: 1997** British Library of Political and Economic Science, 1999-01-14 Provides an unrivalled overview of intellectual development in political science New Zealand and Europe Bernadette Luciano, David G. Mayes, 2005 This book is one of first comparative studies of the cultural political and economic interactions between New Zealand and Europe The chapters that comprise this book are a deliberate exercise in variety inside the theme of New Zealand and Europe Connections and Comparisons They derive from the first conference of the New Zealand European Studies Association and give a flavour of the active and far reaching nature of studies relating to Europe currently taking place in New Zealand The cultural and historical chapters while often quite specific in focus touch on themes of universal cross cultural relevance the fate of imported languages and cultures the tendencies to familiarise or exoticise unknown lands the problematic representation of women in politics the ambivalences and tensions between dominant and subordinate cultures and the responsibility of the intellectual in the face of authority **Martine Aubry, les secrets d'une ambition** Rosalie Lucas, Marion Mourgue, 2011-01-12 Pour la présidentielle de 2012 Martine Aubry sera aux avant postes Seule en première ligne Ou avec Dominique Strauss Kahn avec qui elle le promet il n'y aura pas d'affrontement Pour l'instant la première secrétaire du PS ne veut pas dévoiler ses intentions Mais elle est ravie que certains la disent la mieux placée D'abord résumons que la fille de Jacques Delors cette narque a su se faire sa place Son caractère et sa franchise lui ont souvent joué des tours dans sa carrière faisant parfois oublier qu'elle sait galement tréguer et gagner Elle a un côté Dr Jekyll et Mr Hyde glissent ceux qui la connaissent bien Malgré quelques accidents dans son parcours la maire de Lille occupe depuis vingt ans le haut du pavé socialiste La preuve avant chaque présidentielle son nom revient avec plus ou moins d'insistance dans la liste des candidats potentiels En 1995 en 2002 comme en 2007 Martine Aubry n'a jamais franchi le pas assurant ne pas tréguer Cette

fois installée la tête du PS et forte de son expérience lilloise l'ancienne ministre du travail du gouvernement Jospin s'en sent capable. Ses proches s'y prêtent et font tout pour lui faciliter la tâche. Ils s'organisent notamment pour contrer les attaques Internet visant son mari et ont déjà trouvé le futur Jacques Séguela de Martine Aubry. De son côté elle multiplie en secret les rencontres avec Dominique Strauss Kahn pour peaufiner leur stratégie. Après Martine Lille Martine prend le PS et Martine contre Séguela Martine l'Elysée.

Bibliographie Internationale de Science Politique, 1997 Le tout politique Jean-Louis Beaucarnot, 2012-02-29 Depuis la sortie du livre chacun sait dire le de coïncidence que l'arrière grand père de DSK tenait une maison close. Mais Jean Louis Beaucarnot a poursuivi ses investigations et trouvé des indiscrétions et cousinages inattendus. Le pedigree des 90 hommes et femmes politiques qui comptent est ici pimenté de nouvelles anecdotes ou indiscrétions. Rappelons que ce livre offre une approche originale et complète par fiche donnant tant civil origines famille parcours mais aussi taille goûts sports anecdotes et indiscrétions. Il inclut des analyses graphologique morpho psychologique et astrologique des ténors de notre vie politique. Sont ainsi décryptées la signature de Martine Aubry la paupérisée tombante de Villepin les gesticulations de Borloo et les plantes de Sarkozy.

Le dico des politiques Jean-Louis Beaucarnot, 2016-11-02 Origines cousinages personnalités et anecdotes le pape de la généalogie se penche sur nos politiques. L'arbre généalogique de nos politiques réserve des surprises. VGE descendant de Louis XV DSK d'un bagnard NKM des Borgia Séguela ne Royal cousine de Claude Allègre et de DSK Sarkozy et Gollnisch Cohn Bendit et Bruno Mégret Besancenot et Pasqua de bords opposés et pourtant n'est le même jour. Le parcours de chacune des personnalités est pimenté d'anecdotes. Ainsi la passion pour le sport automobile de Fillon ou le goût immodéré de François Hollande pour la farciture corrézienne. En complément de cette édition les fiches des grands dirigeants internationaux Merkel Obama Poutine Elizabeth II Laurent de Belgique Albert II de Monaco.

Le Point, 1997-09

L'express, 1997 La politique au naturel Fabrice D'Almeida, 2007 Etude des comportements des hommes politiques et de leur évolution dans une démarche comparative entre la France et l'Italie. La politique naturalisée rompt les rituels anciens et tempère la spécificité des conduites des élus. Elle accroît aussi le champ de possibilités brisant les obligations de coutumes et d'habitudes.

Le nouvel observateur, 1998 **Les vies cachées de DSK** Vincent Giret, Véronique Le Billon, 2000

L'Expansion, 1997 L'Actualité, 2001 **Revue française de science politique**, 1998 *Revue française de science politique*, 1998 **Point de repère**, 2003 **Le mystère de la chambre basse** Catherine Achin, 2005 Le mystère de la chambre basse c'est ce titre en forme de clin d'œil que Catherine Achin a choisi juste titre de donner sa thèse. Que de mystères il est vrai autour des représentantes politiques en France et en Allemagne les deux pays qu'elle a choisi d'étudier. Comment expliquer tout d'abord que les députées soient si peu nombreuses en France aujourd'hui et en Allemagne hier. Comment comprendre plus encore que l'ordre politique et l'ordre social soient si discordants. En effet alors que les normes sociales en Allemagne ne permettent guère aux femmes de mener de front carrière professionnelle et éducation des enfants que les politiques de la sexualité les lois de l'amour commencer par la législation sur l'avortement ne sont guère favorables leur

mancipation les Allemandes sont pourtant entrées au Bundestag en nombre R ciproquement alors que les Françaises ont des taux d'activité très élevés depuis la fin des années 60 qu'elles ont rapidement rattrapé leur handicap scolaire sur les garçons et que les politiques de la sexualité et en général les politiques sociales leur sont favorables on ne compte qu'un pourcentage insignifiant de femmes l'Assemblée nationale la loi sur la parité leur ayant tout juste permis de dépasser les 12 % d'élus Dans le détail le mystère se perpétue encore Alors que toutes les instances politiques allemandes se sont féminisées du même pas les instances politiques françaises semblent fonctionner deux vitesses Tandis que les lues avant la loi sur la parité représentaient un tiers ou un peu plus des députés européens ou des conseillers régionaux les mairies sauf celles de moins de 3 500 habitants les conseils généraux et les deux chambres étaient peu accessibles aux femmes De même nouvel étonnement qui l'encore approfondit la discordance entre les ordres social et politique il semble qu'il n'y ait pas systématiquement de lien entre le pourcentage des femmes dans une assemblée et le féminisme des lois qui y sont votées La résolution des mystères organise l'architecture du livre Tandis que la première partie trace le portrait de ces lues et en dresse les différents types la seconde passe en revue les explications sociales religieuses scolaires partisans de ces disparités nationales et historiques 1 Catherine Achin fait la démonstration talentueuse que ne pas être aveugle au genre permet de réfléchir de nombreux problèmes théoriques sur l'autonomie du champ politique ou sur l'articulation entre ordre social et ordre politique et de contribuer renouveler la réflexion sur des objets canoniques de la science politique comme le sont par exemple l'étude des filières de recrutement du personnel politique les fonctions des partis politiques ou le métier de député **Genèses**, 2007

Unveiling the Power of Verbal Artistry: An Psychological Sojourn through **Martine Aubry Enquete Sur Une Enigme Politique**

In a world inundated with displays and the cacophony of instant transmission, the profound power and emotional resonance of verbal artistry frequently diminish into obscurity, eclipsed by the continuous onslaught of noise and distractions. However, set within the lyrical pages of **Martine Aubry Enquete Sur Une Enigme Politique**, a interesting perform of fictional elegance that pulses with organic emotions, lies an unique journey waiting to be embarked upon. Published by a virtuoso wordsmith, that enchanting opus courses visitors on an emotional odyssey, gently exposing the latent possible and profound influence stuck within the complex web of language. Within the heart-wrenching expanse with this evocative examination, we will embark upon an introspective exploration of the book is central themes, dissect their interesting writing style, and immerse ourselves in the indelible impact it leaves upon the depths of readers souls.
