Marty Runs Away To Sea:

Marty Runs Away to Sea Elizabeth Crosgrove Ladd, 1968 A young girl runs away to take a job on a schooner until her hospitalized father recovers feeling that to yield to her aunt's plans to refine her would mean an end to the unencumbered life she enjoyed with her father

The Boy Who Ran Away to Sea Barry Gifford, 2022-03-08 A childhood in the 1950s and 60s among grifters show girls and mob enforcers who embraced the boy and made him who he is These stories make for one of the most important and moving American bildungsromans of all time William Boyle The Southwest Review Roy tells it the way he sees it shuttled between Chicago to Key West and Tampa Havana and Jackson MS usually with his mother Kitty often in the company of lip-sticked women and fast men Roy is the muse of Gifford's hardboiled style a precocious child watching the grown-ups try hard to save themselves only to screw up again and again He takes it all in every waft of perfume and cigar smoke every missed opportunity to do the right thing And then there are the good things too A fishing trip with Uncle Buck a mother's love advice from Rudy Roy's father Roy means king Be the king of your own country Don't depend on anyone to do your thinking for you The stories in *The Boy Who Ran Away to Sea* are together a love letter and a tribute to the childhood experiences that ground a life In the Author's note Gifford writes I have often been asked if I were interested in writing my memoirs or an autobiography Given that the Roy stories come as close as I care to come regarding certain circumstances I remain comfortable with their verisimilitude They all dwell within the boundary of fiction As I have explained elsewhere these are stories I made them up Roy ages from about five years old to late adolescence After that with the exception of a sighting in Veracruz I have no idea what happened to him The way Barry Gifford lets people talk articulates everything about their unfamiliar inner lives and ours Boston Globe

Water Colours Sarah Walker, 2012-03-01 If you ran away you'd show your family that you can't be pushed around Merryl challenged me It doesn't have to be forever just for a few days But I bet you haven't got the guts to stand up to them I knew what she was trying to do I wanted to resist and be sensible but part of me was drawn to her logic and the rest of me was drawn to her rebellious spirit I thought again of the way Auntie Eddy said Merryl was like my mother Mum would've run away for sure When Beatrice is forced to leave her beloved Wilson Park and her offbeat friend Marty she sets out to claim her independence On the way she discovers the shocking truth about her mother and learns what friendship and family really mean Change is hard but as her Auntie Olivia tells her sometimes when you lose something you gain something else
