The focus of the shared inquiry are various films comprising the first three phases of the Marvel Cinematic Universe (MCU) and corresponding Netflix series. The contributors explore various religious themes and how they intersect with culture through the canon on the MCU. The first part focuses on responses to the societal, governmental, and cultural context that solidified with clarity during the 2016 Presidential Election cycle in the United States and in the following administration. Additionally, it provides lenses and resources for engaging in productive public actions. Part two explores cultural resources of sustaining activism and resistance as well as some of the key issues at stake in public action. The third part centers on militarization and resistance to state violence. Taken in concert, these three sections work together to provide frames for understanding while also keeping us engaged in the concrete action to mobilize social change. The overarching aim of the volume is to promote critical discourse regarding the dynamics of activism and political resistance. *The History of Scotland* Robert Lindsay, 1728 **All In** Laura Massaro, 2021-06-01 *All In* is Laura Massaro's honest, raw, and personal story of how she became one of the greatest squash players the UK has ever produced.
