

Materialist Theory of History

- How stuff is *produced* is what matters most. This is the '**base**' of society. Marx calls the rules, customs, laws, and beliefs determining how the wealth should be *distributed*, the **superstructure**.
- "**Economic base**" (from book, pg 73): "Economic relations determine social relations, and social institutional practices (i.e. superstructure)." [see note below!]

Marx Economic Theory

G Orfield
