Possum's Book of Practical Cats and Anabasis his translation of St John Perse's Anabase This volume then gathers the verses that Eliot contributed to the learnedly lighthearted exchanges of Noctes Binanian and others that he wrote off the cuff or for intimate friends Each of these sections is accompanied by its own commentary Finally pertaining to the entire edition there is a comprehensive textual history that contains not only variants from all known drafts and the many printings but also

Richard Meyer,2022-09-13 An account of the life and work of a once famous self taught American artist of the 1940s and a study of how artists go missing from public memory The exhibition Morris Hirshfield Rediscovered at the American Folk Art Museum in New York City curated by the author and developed as an extension of the book is on view from September 22 2022 to January 27 2023 A garment worker and slipper manufacturer with no training in art Morris Hirshfield was never expected to make history Against all odds his wildly stylized paintings of female figures often nude animals and landscapes became internationally known in the 1940s Admired by Pablo Picasso Piet Mondrian and the French surrealists his peak moment of visibility occurred in 1943 when the Museum of Modern Art mounted a one man show of his work The exhibition was widely reviewed though mostly reviled by the press who jeeringly crowned Hirshfield Master of the Two Left Feet for his tendency to display the female body in that unorthodox fashion After the artist s death in 1946 his work was largely forgotten but in Master of the Two Left Feet art historian Richard Meyer rediscovers Hirshfield for twenty first century audiences offering full color reproductions that capture the vibrant imagination and sheer visual pleasure of Hirshfield s paintings The book also features a catalog of works compiled by curator Susan Davidson which provides the most comprehensive documentation of the artist s work ever assembled Ten years in the making Master of the Two Left Feet presents Hirshfield s unlikely career as a painter not only as a missing episode in the history of twentieth century art but as a case study of the ways in which artists go missing from historical knowledge and public memory By looking closely at Hirshfield and his milieu in 1940s Brooklyn Meyer demonstrates how much we have yet to learn and to see of the visual past Duck Soup J.

Hoberman,2021-10-07 The Marx Brothers are universally considered to be classic Hollywood s preeminent comedy team and Duck Soup is generally regarded as their quintessential film A topical satire of dictatorship and government in general the movie was a critical failure and box office let down on its initial release in 1933 J Hoberman s study of the film traces its reputation history from the initial disappointment of its release to its rise to cult status in the 1960s when the Marx s anarchic anti establishment humor seemed again timely Hoberman places Duck Soup alongside analogous comedies Dr Strangelove 1964 the Beatles films Morgan 1966 The President s Analyst 1967 and The Producers 1968 It attained canonical stature as a touchstone for Woody Allen and would be recognized by the Library of Congress in the 1990s Hoberman s
