Marxism Ideology And Literature:

Marxism, Ideology, and Literature Cliff Slaughter, 1980 **Criticism and Ideology** Terry Eagleton, 2006-08-17 Terry Eagleton's witty and acerbic attacks on contemporary culture and society are read and enjoyed by many and his studies of literature are regarded as classics of contemporary criticism Here Eagleton seeks to develop a sophisticated relationship between Marxism and literary criticism *Marxism and Literary Criticism* Terry Eagleton, 2003-12-08 Is Marx relevant any more Why should we care what he wrote What difference could it make to our reading of literature Terry Eagleton one of the foremost critics of our generation has some answers in this wonderfully clear and readable analysis Sharp and concise it is without doubt the most important work on literary criticism that has emerged out of the tradition of Marxist philosophy and social theory since the nineteenth century **Formalism and Marxism** Tony Bennett, 2004-03-01 Russian Formalism and Marxist criticism had a seismic impact on twentieth century literary theory and the shockwaves are still felt today First published in 1979 Tony Bennett's *Formalism and Marxism* created its own reverberations by offering a ground breaking new interpretation of the Formalists achievements and demanding a new way forward in Marxist criticism The author first introduces and reviews the work of the Russian Formalists a group of theorists who made an extraordinarily vital contribution to literary criticism in the decade following the October Revolution of 1917 Placing the work of key figures in context and addressing such issues as aesthetics linguistics and the category of literature literary form and function and literary evolution Bennett argues that the Formalists concerns provided the basis for a radically historical approach to the study of literature Bennett then turns to the situation of Marxist criticism and sketches the risks it has run in becoming overly entangled with the concerns of traditional aesthetics He forcefully argues that through a serious and sympathetic reassessment of the Formalists and their historical approach Marxist critics might find their way back on to the terrain of politics where they and their work belong Addressing such crucial questions as What is literature or How should it be studied and to what end Formalism and Marxism explores ideas which should be considered by any student or reader of literature and provides a particular challenge to those interested in Marxist criticism Now with a new afterword this classic text still offers the best available starting point for those new to the field as well as representing a crucial intervention in twentieth century literary theory **Marxism and Literary Criticism** Terry Eagleton, 2013-03-07 *Marxism and Literary Criticism* is amazingly comprehensive for its brief format Eagleton has been able to sum up the main areas of Marxist criticism in the West today I Times Literary Supplement *Ideology and Classic American Literature* Sacvan Bercovitch, Myra Jehlen, 1986 The essays by Americanists concerned with the problem of ideology and its bearing upon American literature and culture Marxism and Literature Raymond Williams, 1977-11-10 This classic study examines the place of literature within Marxist cultural theory and offers an assessment of the contributions of previous thinkers to Marxist literary theory *Developing Contemporary Marxism* J. Short, 1985-02-18 **Marxism and Literary Criticism** Terry Eagleton, 1976 Is Marx relevant any

more Why should we care what he wrote What difference could it make to our reading of literature Terry Eagleton one of the foremost critics of our generation has some answers in this wonderfully clear and readable analysis Sharp and concise it is without doubt the most important work on literary criticism that has emerged out of the tradition of Marxist philosophy and social theory since the nineteenth century For this Routledge Classics edition the author has written a startling and challenging new introduction which explains the continuing relevance of this pioneering work for the twenty first century For anyone interested in literature this book is essential reading *Literature and Ideology* Harry Raphael Garvin, James M. Heath, 1982 The essays in this critical anthology explore the relation of artists readers and critics to their conscious ideological concerns and to ideological forces of which they are not fully aware A special emphasis is placed on the particular problems faced by women as they write read and act in an ideological context largely determined by men Illustrated

Literature and Materialisms Frederic Neyrat, 2020-01-14 Literature and Materialisms sheds light on the current new wave of materialisms and assesses the impact on literary theory and criticism It maps the similarities and differences between speculative realism object oriented philosophy and vitalism A genealogy of materialisms vitalisms empiricisms and realist approaches from Heraclitus to Badiou including Lucretius Spinoza Marx Althusser Barad Spivak Deleuze Bennett Harman and other contemporary thinkers puts these new trends into perspective This book investigates the relations between literature from Marquis de Sade to objectivist poetry and materialism and analyses the material aspects of literature its structure and texture its commodification and its capacity to resist market imperatives It explores how literary style might be understood as a mediation between the immaterial and the concrete features of a text This volume provides students and academics with an accessible overview of the study of literature and materialism *The A to Z of Marxism* David Walker, Daniel Gray, 2009-08-13 Marxism one of the few philosophies that turned into an effective movement not so long ago was the official ideology in one form or another of much of humanity It was promulgated initially by the Soviet Union then imposed on much of Central and Eastern Europe later emerged in the People s Republic of China and gradually spread to other parts of Asia and even bits of Africa and Latin America Although declining in its initial popularity it still remains strong in several countries and is supported by numerous communist and other parties and countless individuals around the world The A to Z of Marxism covers the history of Marxism and all its thinkers and schools of thought in a comprehensive manner This is done through a chronology an introductory essay a bibliography and hundreds of cross reference dictionary entries on basic terms and concepts significant thinkers and doers and also the parties and countries that followed it

Contemporary Marxist Literary Criticism Francis Mulhern, 2014-05-12 Marxism has had an enormous impact on literary and cultural studies and all those interested in the field need to be aware of its achievements This collection presents the very best of recent Marxist literary criticism in one single volume An international group of contributors provide an introduction to the development current trends and evolution of the subject They include such notable Marxist critics as Tony

Bennett Terry Eagleton Edward W Said Raymond Williams and Fredric Jameson A diverse range of subjects are analysed such as James Bond Brecht Jane Austen and the modern history of the aesthetic **Ideology** Terry Eagleton, 2024-05-14 Ideology has never before been so much in evidence as a fact and so little understood as a concept as it is today In this now classic work originally written for both students and for those already familiar with the debates around the concept the celebrated literary theorist Terry Eagleton unravels its many definitions exploring its tortuous history from the Enlightenment to the present A limpid account of the thought of key Marxist thinkers as well as that of philosophers from Schopenhauer and Nietzsche to Freud and the post structuralists and a political reformulation of a vital set of ideas Ideology An Introduction is an essential text by one of our most important contemporary critics **Marxism and Literary History** John Frow, 1986 John Frow's book is a novel contribution to Marxist literary theory proposing a reconciliation of formalism and historicism in order to establish the basis for a new literary history Through a critique of his forerunners in Marxist theory the historicist Marxism of Lukács the work of Macherey Eagleton and Jameson Frow seeks to define the strengths and the limitations of this tradition and then to extend its possibilities in a radical reworking of the concept of discourse He develops the notion of literature as a historically specific system within a network of discourses Frow goes on to elaborate a number of central theoretical categories and to explore the historical dimension of those categories Drawing in particular on Russian Formalism he develops a theory of the dynamics of literary change and of the historical pressures that shape the literary system He tests and extends his categories through readings of texts by Petronius Hlderlin DeLillo Dickens Frank Hardy and others The final chapter a reading of Derrida and Foucault poses the question of the possibility of setting limits to reading and the power of limits to determine literary history *Critical Theory and Performance* Janelle G. Reinelt, Joseph R. Roach, 2007 Updated and enlarged this groundbreaking collection surveys the major critical currents and approaches in drama theater and performance **Historical Dictionary of Marxism** Elliott Johnson, David Walker, Daniel Gray, 2014-09-09 The second edition of the Historical Dictionary of Marxism covers of the basics of Karl Marx's thought the philosophical contributions of later Marxist theorists and the extensive real world political organizations and structures his work inspired that is the myriad political parties organizations countries and leaders who subscribed to Marxism as a creed This text includes a chronology an introductory essay and an extensive bibliography The dictionary section has over 500 cross referenced entries on important personalities both thinkers and doers political parties and movements and major communist or ex communist countries This book is an excellent access point for students researchers and anyone wanting to know more about Marxism *Criticism and Ideology* Terry Eagleton, 1980 **Theory of African Literature** Chidi Amuta, 2017-06-15 This groundbreaking work first published in 1989 was one of the first to challenge the conventional critical assessment of African literature and remains highly influential today Amuta's key argument is that African literature can be discussed only within the wider framework of the dismantling of colonial rule and Western hegemony in Africa In

exploring the possibility of a dialectical alternative critical base he draws upon both classical Marxist aesthetics and the theories of African culture espoused by Fanon Cabral and Ngugi From these explorations Amuta derives a new language of criticism which is then applied to works by modern African writers as diverse as Achebe Ousmane Agostinho Neto and Dennis Brutus Amuta s highly original and innovative approach remains relevant not only for assessing the literature of developing countries but for Marxist and postcolonial theories of literary criticism more generally The author s elegance of argument and clarity of exposition makes this a distinguished and lasting contribution to debates around cultural expression in postcolonial Africa Marxism and Modernism Eugene Lunn,2023-04-28 This title is part of UC Press s Voices Revived program which commemorates University of California Press s mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1982
