Henry Krisch

Marxism Leninism In The German Democractic Republic:

Marxism-Leninism in the German Democratic Republic Martin McCauley, 1979-06-17 *The German Democratic Republic, Pillar of Peace and Socialism* Erich Honecker, 1979 Marxism-Leninism in the German Democratic Republic

Martin McCauley, 1979 **German Democratic Republic** Lyman H. Legters, 2019-03-12 The shifting patterns of relationships in Central and Eastern Europe require that students of international relations be well versed in the attitudes and internal structures of the nations involved Until now material in English on the German Democratic Republic has consisted primarily of journalistic reminiscences or narrow scholarly treatments Recognizing the need and responding to it the authors of this book leaders in the study of the GDR present an up to date and comprehensive look at the country focusing on domestic political and social change The authors are agreed that the GDR is not only here to stay but is also a rather stable society that can withstand moderate well regulated processes of change They address education intellectual life the military foreign relations and the economy as well as the customary subjects of politics and governmental direction

Politics in the German Democratic Republic John M. Starrels, Anita M. Mallinckrodt, 1975 **The Cultural Politics of the German Democratic Republic** G. Ann Stamp Miller, 2004 This book deals with the intricate connection between the political structure of the East German government and cultural politics Specifically it focuses on the relationship between the government agencies and three authors It explores the difficulties the writers encountered in the 1960s with the government of East Germany and how their works did or did not conform to the cultural policy established by the GDR regime in 1951 The government believed that it was imperative for authors and artists to adhere to the literary policy of social realism prescribed by the East German Ministry of Culture An author's works were expected to conform to the political ideology of Marxism The Ministry of Culture expected writers to depict the society through the glorification of Marxism The East German cultural functionaries evaluated a piece of literature more for the author's devotion to the political doctrine than the aesthetic quality of the work If works did not conform the government agencies such as the Ministry of Culture could apply pressure to the authors in many forms censorship silencing fines prosecution surveillance and for extreme cases expatriation This study assesses three prominent writers of the former East Germany Wolf Biermann a lyricist Christa Wolf a novelist and Heiner Müller a dramatist The analysis is based on the political content of the authors' works and how the West German and East German critics evaluated them Government documents from German State Archives revealed the sensitive nature of the political and writer conferences of the GDR The study analyzes how the writers' interpretation of socialism increasingly deviated from that of the East German regime Over time the writers chose to express themselves in a different manner and thus encountered problems and conflicts with the Ministry of Culture **The German Democratic Republic** Henry Krisch, 2019-07-11 This important new overview of the German Democratic Republic focuses on the country's search for identity and legitimacy throughout its history Dr Henry Krisch analyzes major aspects of East German life political economic

cultural and societal to answer the fundamental question of the nature of the GDR Arguing that East Germany has been shaped by history to an unusual degree he explores the country's historical background including the Soviet Zone the origins of the GDR and the leadership of Ulbricht and Honecker and examines the role and structure of the party state and military and security forces The main emphasis of this book however is upon current problems and on likely responses to them in the near future Issues such as the viability of communist politics in a technologically advanced society the relationship of the GDR to a common German heritage and a competing West German state and the country's role within the Soviet alliance system are examined in detail and current social concerns including the peace movement cultural trends the role of women and youth and the prime importance of sports are discussed

Dissident Marxism and Utopian Eco-Socialism in the German Democratic Republic Alexander Amberger, 2024-02-06 Rudolf Bahro Wolfgang Harich and Robert Havemann were probably the best known critics of the DDR's ruling Socialist Unity Party Yet they saw themselves as Marxists and their demands extended far beyond a democratisation of real socialism When environmental issues became more important in the West in the 1970s the Party treated it as an ideological manoeuvre of the class enemy The three dissidents saw things differently they combined socialism and ecology adopting a utopian perspective frowned upon by the state In doing so they created political concepts that were unique for the Eastern Bloc Alexander Amberger introduces them relates them to each other and poses the question of their relevance then and now

East Germany, a New German Nation Under Socialism? Arthur W. McCardle, A. Bruce Boenau, 1984 With the translations of these articles original GDR essays are made available to the English speaking public The editors achieved their aim to present material essential for an understanding of the German Democratic Republic The introductions to each chapter the footnotes and the questions for discussion attest to their dedication

GERMAN STUDIES REVIEW **The German Democratic Republic** Ned Richardson-Little, 2025-07-24 The German Democratic Republic has come to stand as a symbol of communist tyranny a source of Cold War nostalgia and socialist kitsch and a failed alternative to the worst excesses of 21st century capitalism In this book Ned Richardson Little delves into the central contradictions of the GDR state This book illustrates the fault lines of GDR society the worldviews and experiences of not only those who ruled the GDR but also those who rebelled against the strictures of state socialism and those in between who sought a normal life under dictatorship The German Democratic Republic is a succinct and comprehensive history of East Germany that traces its story from the country's origins as the Soviet Zone of Occupation after World War II through key events such as the 1953 Uprising the building of the Berlin Wall the Helsinki Accords and the collapse of state socialism in 1989 Some of the themes explored include the memory of Nazism and national identity everyday life under dictatorship including consumerism sexuality and racism the global politics of the GDR the diversity of dissenting voices and the competing visions for East Germany's democratic future

The German Democratic Republic since 1945 Martin McCauley, 2016-02-05 The GDR is the most successful in terms of living standards socialist state but one of the least

loved Yet the GDR has formidable achievements to list especially in education and health On the other hand her feeling of insecurity has led to a creeping militarisation of society The GDR provides communist states in the Third World with military training and expertise she also trains security and police cadres Hence the impact is being felt outside Europe Does the GDR now present the face of the ugly German to the non communist world Her development is worthy of attention As the Soviet Union s closest ally in Eastern Europe she may play a more important role there in the future as economic growth slows and tensions rise She has however problems of her own which will require much hard work to resolve Nevertheless she is the most stable socialist state in Eastern Europe at present Will this continue Will mass discontent mount as living standards stagnate Just how important will the West German response be The GDR is torn between East and West If she is to weather the economic storms she requires closer links with West Germany and the West but politically and militarily she needs a closer relationship with the Soviet Union competent and wide ranging covering not only political history but also the economy education culture the position of women and foreign policy Leslie Holmes Soviet Studies the main strength of this work is that it provides a mass of facts and figures in the main text and is yet eminently readable Roger Woods Slavonic Review

Prussia in the Historical Culture of the German Democratic Republic Marcus Colla, 2022-09-08 No example demonstrates the fluidity of the past within the German Democratic Republic more powerfully than the history of the Prussian state Initially attacked in East German official histories as the historical engine of German militarism and reaction Prussia underwent a remarkable transformation in official and public memory from around the end of the 1970s This was the so called Prussia Renaissance in which for the first time the East German state began to recognise and even celebrate figures from Prussian history who had not served a progressive agenda But the Prussia Renaissance was also a political and cultural phenomenon with a wide public resonance The Prussia Renaissance may have been a relatively short lived phenomenon but it evidently opened a deep vein in the historical memory of the German Democratic Republic that defied reduction to high politics alone This book asks why Using the case study of Prussia Marcus Colla presents a multi perspective approach to the way that a distinctive historical culture was constructed in the German Democratic Republic It not only evaluates the roles played by political figures historians and cultural elites but also heritage preservationists exhibition curators heimat museums television producers novelists and playwrights and singers the purveyors of what we might more generally term popular culture In essence Colla poses four fundamental questions for our understanding of life politics and culture in communist East Germany how was history there made How was it understood How was it contested And how was it used

Policymaking in the German Democratic Republic Klaus von Beyme, Hartmut Zimmermann, 1984 Et overblik over DDR idag Politiske system konomi udenrigs og sikkerhedspolitik kulturliv og uddannelsessystem samt en meget stor bibliografi over sttyske forhold

Australian Literature in the German Democratic Republic Nicole Moore, Christina Spittel, 2016-06-19 An account of fraught and complex cross cultural literary exchange between two highly distinct even

uniquely opposed reading contexts Australian Literature in the German Democratic Republic has resonance for all newly global reckonings of the cultural Cold War Working from the extraordinary records of the East German publishing and censorship regime the authors materially track the production and reception of one country's corpus as envisioned by another The 90 Australian titles published in the GDR form an alternative canon revealing a shadowy literary archive that rewrites Australia's postwar cultural history from behind the iron curtain and illuminates multiple ironies for the GDR as a reading nation This book brings together leading German and Australian scholars in the fields of book history German and Australian cultural history Australian and postcolonial literatures and postcolonial and cross cultural theory with emerging writers currently navigating between the two cultures *The Implementation of Lenin's Theory of the Leading Role of the Party by the Socialist Unity Party of Germany in the German Democratic Republic* Erich Honecker, 1970 The Challenge of Communist Education Margrete Siebert Klein, 1980 A significant study of the educational system of the German Democratic Republic as a case study of communist education by a distinguished specialist on the subject **Handbook of Sports Studies** Jay Coakley, Eric Dunning, 2000 An authoritative cast of international and inter disciplinary contributors present the best of current thinking in sports studies as the subject matures and develops academically *German Democracy* Gert-Joachim Glaessner, 2005-08-01 When the former allies of World War II divided Germany into two provisional states no one would have predicted that this would last for nearly half a century Nor could anyone have predicted that sixty years later Germany would have shaken off its Nazi past so thoroughly as to emerge as a key player in Western politics Gert Joachim Glaessner explains this historic transformation and provides an in depth introduction to the German political system its foundations and developments since 1949 Themes covered include the development of the FDR and GDR during the Cold War the politics of Westernization the controversies of West Germany's role in NATO and European integration The author also examines parliamentary institutions the role of the German Chancellor party structure and organized interest groups The book includes reference material from key documents such as the German Constitution Demonstrating how Germany went from political pariah to a model of modern liberal democracy Glaessner offers a concise overview of the German political system in the post war period *Opposition in the GDR under Honecker, 1971-85* Roger Woods, 1986-06-18 The to Z of Marxism David Walker, Daniel Gray, 2009-08-13 Marxism one of the few philosophies that turned into an effective movement was not so long ago the official ideology in one form or another of much of humanity It was initially promulgated by the Soviet Union then imposed on Central and Eastern Europe later emerged in the People's Republic of China and gradually spread to other parts of Asia Africa and Latin America Although declining in popularity the movement still remains in power in several countries and is supported by numerous parties and countless individuals around the world The A to Z of Marxism covers in a comprehensive manner the history of Marxism and its philosophers and schools of thought It contains a chronology a list of acronyms and abbreviations an introductory essay a bibliography and hundreds of cross referenced

dictionary entries on basic terms and concepts as well as significant people parties and countries Book Jacket

This is likewise one of the factors by obtaining the soft documents of this **Marxism Leninism In The German Democratic Republic** by online. You might not require more period to spend to go to the ebook launch as skillfully as search for them. In some cases, you likewise complete not discover the revelation Marxism Leninism In The German Democratic Republic that you are looking for. It will unconditionally squander the time.

However below, bearing in mind you visit this web page, it will be therefore completely simple to get as without difficulty as download lead Marxism Leninism In The German Democratic Republic

It will not understand many time as we notify before. You can pull off it even though con something else at house and even in your workplace. as a result easy! So, are you question?
