slightest symptom of warmth during the evening it was due entirely to the expansive generosity of the humble grate and not because they were moved by inward remorse They were able however to supply the odour of far off steam as of an abandoned laundry and sometimes they chortled meanly revealing signs of an energy that in anything but a steam pipe might have been mistaken for a promise to do better *About Christmas* Nicolae Sfetcu,2014-05-01 Christmas characters and food Christmas linked holidays and music Santa Claus and traditions Related to Annunciation Incarnation Crucifixion Advent the four weeks preceding Christmas and the period between the day after Thanksgiving and the Sunday after New Year s Day the American holiday season Christmas or Christmas Day is a holiday celebrating the birth of Jesus the central figure of Christianity Aspects of celebration may include gift giving Christmas trees display of Nativity sets church attendance the Father Christmas Santa Claus myth and family gatherings Users of the Gregorian calendar observe the holiday on December 25 Some Eastern Orthodox Churches celebrate on December 25 by the Julian calendar which currently corresponds to January 7 on the Gregorian calendar These dates are merely traditional the great majority of scholars agree that the actual birthdate of Jesus is unknown In Western culture the holiday is characterized by the exchange of gifts among friends and family members some of the gifts being attributed to Santa Claus also known as Father Christmas Saint Nicholas Saint Basil and Father Frost However various local and regional Christmas traditions are still practiced despite the widespread influence of American British and Australian Christmas motifs disseminated by film popular literature television and other media

conjure up a wealth of fond memories for local shoppers At this landmark Louisiana department store clerks greeted you by name children received a nickel to buy a Coke and for every report card A families anticipated the holiday arrival of the beloved puppet Mr Bingle almost as much as Santa teenagers applied for their first job and customers enjoyed interest free charge accounts and personal assistance selecting attire and gifts for the most significant occasions in life baptisms funerals and everything in between While most former patrons have a favorite story to tell about Goudchaux s Maison Blanche not many know the personal tale behind this beloved institution In We Were Merchants Hans Sternberg provides a captivating account of how his parents Erich and Lea fled from Nazi Germany to the United States embraced their new home and together with their children built Goudchaux s into a Baton Rouge legend that eventually became Goudchaux s Maison Blanche an independent retail force during the golden era of the department store and by 1989 the largest family owned department store in America With a mercantile line extending back five generations to a small shop in eighteenth century Germany the Sternbergs were born to be shopkeepers In 1936 as Nazi harassment of Jews intensified Erich smuggled 24 000 out of Germany and settled in Baton Rouge His wife and three children joined him a year later and in 1939 Erich bought Goudchaux s and set about transforming it from a nondescript apparel shop into a true department store He made buying trips to New York for quality fashions and furs introduced imaginative sales promotions and coached his staff in impeccable customer service while also training his children to follow in his footsteps Hans details the manifold challenges of operating the store from planning financial strategies and creating marketing campaigns to implementing desegregation and accommodating the repeal of blue laws Through many transforming events Erich s death in 1965 expansion into suburban shopping malls the purchase in the 1980s of New Orleans retail icon Maison Blanche the Sternbergs successfully maintained the company s core values quality merchandise employee loyalty and superior customer service At its height Goudchaux s Maison Blanche operated twenty four stores in Louisiana and Florida and employed more than 8 000 people With the economic downturn of the early 1990s Hans made the difficult decision to sell the business thus bringing to an end the Sternbergs centuries long mercantile tradition Supplementing the fascinating narrative are the recollections of former customers and employees a wealth of pertinent photos and even Hans s tried and true guidelines for negotiating a business transaction At once a family business and community story We Were Merchants richly recalls a bygone era when department stores were near magical wonderlands and family businesses commanded the retail landscape
