Perspectives On Aspect:

Perspectives on Aspect H. J. Verkuyl, Henriette De Swart, Angeliek Van Hout, 2005-11-17 This book offers both a retrospective view on how theories of aspectuality have developed over the past 30 years and presents current new directions of aspectuality research The articles in this book take a wide crosslinguistic scope including aspectual analyses of the following languages English and two varieties of English African American English and Colloquial Singapore English Italian French Bulgarian Czech Mandarin Chinese West Greenlandic Wakashan languages and Nahk Daghestanian languages

Perspectives on Aspect and Aktionsart Willy Vandeweghe, Carl Vetters, 1991 **Perspectives on Aspect and Aktionsart** Carl Vetters, Willy Vandeweghe, 1991 Subjective Perspectives in Ian McEwan's Narrations Eva Maria Mauter, 2009-05-12 Thesis M A from the year 2006 in the subject English Language and Literature Studies Literature grade 1 3 University of Paderborn 205 entries in the bibliography language English abstract Ever since McEwan s first publications his work has received considerable attention from critics and scholars Thus it is not surprising that McEwan has been awarded with a number of prizes for his work and that he has been praised to be one of the leading representatives of the young generation Despite the extraordinary praise of McEwan s work it has been discussed most controversially The fact that he often engages taboo subjects like masturbation incest regression child abuse dismemberment sadism masochism etc earned McEwan the reputation of an author who writes to shock his audience McEwan himself appears to be surprised about these attributions and objects them However it seems to be undisputable that the narrations are extremely shocking but it seems that not only the choice of topics is responsible for the extreme response to McEwan s narrations In my opinion the shock value of McEwan s narrations is mainly caused by his particular way to present these topics In keeping with this I consider the form of McEwan s narrations to be as important as their content McEwan seems to experiment with the employment of perspectives subjective perspectives in particular In fact it can be argued that he taps the full potential of the employment of subjective perspectives in his narrations as the reader is confronted with the subjectivity of perspectives on all levels of textual communication In my opinion McEwan s most outstanding accomplishment is his ability of depicting subjective perspectives in all consequence The absence of morality in many of McEwan s narrations for example which is usually regarded as an underlying topic can also be seen as a result of depicting consistently a specific subjective perspective Therefore this paper will exa *Perspectives in Business Informatics Research* Björn Johansson, Bo Andersson, Nicklas Holmberg, 2014-09-16 This book constitutes the proceedings of the 13th International Conference on Perspectives in Business Informatics Research BIR 2014 held in Lund Sweden in September 2014 Overall 71 submissions were rigorously reviewed by 55 members of the Program Committee representing 22 countries As a result 27 full papers have been selected for publication in this volume The papers cover many aspects of business information research and have been organized in topical sections on business people and systems business and information systems development and contextualized

evaluation of business informatics **Problems and Perspectives** Wendy Ayres-Bennett, Janice Carruthers, Rosalind Temple, 2014-02-25 Problems and Perspectives Studies in the Modern French Language looks at a number of interesting or problematic areas in the phonology morphology syntax and lexis of the French language and encourages the reader to think critically about different ways of approaching describing and explaining these issues or data The book is divided into two parts the first section is a preliminary to and contextualises the discussion of the more specialised topics of the second part Part two presents problematic and controversial areas in the description and analysis of the contemporary language Where appropriate historical and sociolinguistic issues are also integrated into the discussion of modern French Aimed primarily at advanced students and researchers in French linguistics the introductory sections of part one also make this book accessible to undergraduates beginning their study of French linguistics and to less specialised readers Worldviews and Cultures Nicole Note, R. Fornet-Betancourt, J. Estermann, Diederik AERTS, 2008-12-23 Globalization brings people and cultures together producing in addition to deep and rich encounters exclusion racism xenophobia and asymmetries The present book takes these issues implicitly as its starting point by thoroughly reflecting on them from a perspective of worldviews as one of many approaches More specifically it focuses on people's implicit and explicit interpretations and assumptions of the world of themselves and of others Often deeply rooted and hard to change they have an important function for without them we would continually need to question what we do and what we think In their absolutist form these assumptions may become a barrier for open mindedness and hence for deep intercultural understanding and exchange We need to find a balance between both stances Intercultural philosophy tries to fulfil this role on the one hand by comparing different cultures on a deep philosophical level and as a way to better understand each other's core assumptions and on the other hand by arguing for an intercultural philosophy grounded in specific cases The contributions of this book conceive of another possible world which does not condemn cultural and religious diversity as a detonator for Clashes of Civilizations but rather welcomes it as a source of inspiration for all and of respect for the different *Philosophical Perspectives* Anab Whitehouse, 2018-11-06 Philosophical Perspectives gives expression to a series of working exercises involving different problems that are entailed by issues such as hermeneutics innate ideas apodicticity certainty belief meaning model building psychology mythology mysticism and logic The appendix Mapping Mental Spaces provides an overview of the structural character of the thinking that underlies the various chapters of the book The object of the aforementioned exercises is not a matter of trying to present a true picture of reality but rather the purpose of the exercises is to induce hopefully the reader to engage in his/her or their own process of critical reflection concerning the nature of the issues being explored using the material in Philosophical Perspectives as food for thought *Substantive Perspectivism: An Essay on Philosophical Concern with Truth* Bo Mou, 2009-09-16 I have been thinking about the philosophical issue of truth for more than two decades It is one of several fascinating philosophical issues that motivated me to change my primary reflective interest to philosophy after receiving BS in

mathematics in 1982 Some serious academic work in this connection started around the late eighties when I translated into Chinese a dozen of Donald Davidson's representative essays on truth and meaning and when I assumed translator for Adam Morton who gave a series of lectures on the issue in Beijing 1988 which was co sponsored by my then institution Institute of Philosophy Chinese Academy of Social Science I have loved the issue both for its own sake as one specific major issue in the philosophy of language and metaphysics and for the sake of its significant involvement in many philosophical issues in different subjects of philosophy Having been attracted to the analytic approach I was then interested in looking at the issue both from the points of view of classical Chinese philosophy and Marxist philosophy two major styles or frameworks of doing philosophy during that time in China and from the point of view of contemporary analytic philosophy which was then less recognized in the Chinese philosophical circle

Neo-Aristotelian Perspectives in Metaphysics Daniel D. Novotný, Lukáš Novák, 2014-04-16 This volume re-examines some of the major themes at the intersection of traditional and contemporary metaphysics The book uses as a point of departure Francisco Suárez's *Metaphysical Disputations* published in 1597

Minimalist metaphysics in empiricist pragmatist clothing have today become mainstream in analytic philosophy Independently of this development the progress of scholarship in ancient and medieval philosophy makes clear that traditional forms of metaphysics have affinities with some of the streams in contemporary analytic metaphysics The book brings together leading contemporary metaphysicians to investigate the viability of a neo-Aristotelian metaphysics
