Into the Slave Nebula John Brunner, 2011-09-29 It was carnival time on Earth Prosperity was at its peak science had triumphed over environment all human needs were taken care of by computers robots and androids There was nothing left for humans to do but enjoy themselves to seek pleasure where they found it without inhibitions and without thinking of the price Then an android died in a senseless brutal murder And young Derry Horn was shocked out of his boredom and alienation His life of flabby ease had not prepared him for a fantastically dangerous mission to outlying primitive stars but now at last he had a reason for living And even when he found himself a prisoner of ruthless slavers even when he learned the shocking truth about what the androids really were and where they came from even when he saw all the laws of the orderly civilised universe he knew turned upside down and inside out he fought on For that universe had to be shattered and reborn even if Derry Horn and the Earth he had irrevocably left behind died in the process First published 1968

Drunken Space Pirates! Phoenix Freebird A., 2009-06-30 Running from a mutinous crew sucked through a wormhole like in a bad sci fi movie and slowly running out of booze and that's just the beginning of this non traditional story that starts off as a simple captain's log book and evolves into something more like a really warped and twisted TV show in text Follow the Captain and crew on a series of seemingly random adventures where it's obvious it's not just the Captain who's been drinking At some point you may ask yourself is all this just coincidence or is

there something dark and annoying on the horizon The Captain seems to have a drinking problem the problem being he never has enough to drink and people from his past keep showing up and ruining his buzz Akki a corrupted artificial intelligence who occasionally takes over the Captain s log has his own plans mostly self serving ones because he has nothing better to do The rest of the crew pirates hot chicks robots and a foul beaked little space penguin round out the Drunken Space Pirates and with all the wise cracks and shots aimed at everyone and everything its clear the alcohol flows rather freely within the D S P Many of the off the wall characters of the D S P are walking guilty pleasures who say what they feel do what they want and just generally give it to life pop culture and the universe in general with both barrels and occasionally fish
