### **Are We Doing Church Wrong?: Rediscovering God's Divine Design for His Church**

Douglas B. Levy, 2021-04-22 How do you define church And more importantly do you know how the Bible defines church What if God's design for the church was the opposite of how we've been approaching it God designed the Church He has declared in the Scriptures what the Church is and what the Church is to be about yet our Churches for the most part don't resemble what we read in the Bible This book explores the 5 Major Foundational Identities of the Church that we find in the Bible The Family the Bride the Body the Temple and the Army Doug challenges the Modern Church culture to rethink and realign itself with its Biblical Identities so that we may be empowered to fulfill our purpose as the Church    Rediscovering the Triune God Stanley James Grenz, 2004 The last century has witnessed a revival and renewal of trinitarian theology led initially by Karl Barth The legendary puzzles of trinitarian theology

have become especially vexing in an era of changed philosophical and cultural categories and a host of religious thinkers in the last century have tried to reformulate the main lines of thought about God's trinitarian life. Theologian Stanley Grenz here tells this story of trinitarian theology reporting and analyzing the remarkable ferment in the discipline and discussing especially eleven theologians on such issues as God's inner life vs. God's relationship to creation, immanence and economic trinity social vs. psychological analogies for the relationships within God, the relationship between trinity and Christology, the feminist critique of classical categories and how God's trinitarian life figures in evolution, social justice and spirituality. Grenz's Introduction places this ferment historically in the course of Christian thought from the patristic period to now while his Conclusion sets a future agenda for the doctrine and theology.

*Getting Involved with God*

Ellen F. Davis, 2001-01-25 This is a book about getting and staying involved with God: what it takes, what it costs, what it looks and feels like, why anyone would want to do it anyway. It is at the same time a book about reading the Old Testament as a source of Good News and guidance for our life with God. The key piece of Good News that the Old Testament communicates over and over again is that God is involved with us deeply and irrevocably so. From the Introduction With sound scholarship and her own vivid translations from the Hebrew Old Testament professor Ellen Davis teaches us a spiritually engaged method of reading scripture. Beginning with the psalms whose frank prayers can be a model for our own, Davis reflects on the stories of the patriarchs and the pastoral wisdom of the book of Job, Proverbs, Ecclesiastes and the Song of Songs in helping us cultivate those habits of the heart that lead to a rich relationship with God.
