Kereszty, 2002 Essays from an ecumenical conference that promote a further convergence in our understanding of the Eucharist *Rediscovering the Eucharist : ecumenical conversations* Roch A. The Eucharistic Spirit Florian M. P. Simatupang, 2025-03-27 What sort of experience of grace does the Holy Spirit give Pentecostals when they celebrate the Eucharist This book aims to answer that question by investigating Holy Communion through a Pentecostal spirituality framework and process known as search encounter transformation Doing so enriches the theology and spirituality of Pentecostalism and broadens its understanding of the journey of salvation The author argues that the invocation of the Spirit in the Eucharist the epiclesis grants the church a pneumatological imagination enabling it to properly remember the anamnesis the work of Christ The outcome of remembering will be to see the Eucharist as a meal of solidarity and justice a meal that manages the hunger of the world a meal that offers healing a meal for missional nourishment a meal reorienting eschatology by providing a preview of the restoration of all things apokatastasis in the wedding supper of the Lamb Ultimately this book encourages Pentecostals to desire a weekly celebration of the Eucharist in order to become truly Pentecostal *Sacrifice and Community* Matthew Levering, 2008-04-15 This book explores the character of the Eucharist as communion in and through sacrifice It will stimulate discussion because of its controversial critique of the dominant paradigm for Eucharistic theology its reclamation of St Thomas Aquinas s theology of the Eucharist and its response to Pope John Paul II s *Ecclesia de Eucharistia* Argues that the Eucharist cannot be separated from sacrifice and rediscovers the biblical connections between sacrifice and communion Timed to coincide with the Year of the Eucharist proclaimed by Pope John Paul II Reclaims the riches of St Thomas Aquinas s theology of the Eucharist which had recently been reduced to a metaphysical defence of transubstantiation **The Protestant Reformation and The Book of Common Prayer: A Liturgical Study** David Fuller, 2016-03-30 A liturgical study of the Anglican Book of Common Prayer and its creation and amendments during the Protestant Reformation **Eucharist and Ecclesiology** Wendell Willis, 2017-01-06 In the late twentieth century and since ecumenical discussions on the nature and unity of the church have often centered on the

Eucharist This book is focused on that intersection of church and Eucharist in current Christian relationships In the first part of the book representatives of the Orthodox tradition Paul Meyendorff the Roman Catholic tradition Denis Farkasfalvy and the Protestant tradition Gary Badcock discuss the relationship of Eucharist and church These essays are followed by an overview and response to these theme essays by Everett Ferguson who has published often on the topics The second part of the book contains essays on particular issues important for understanding the Eucharist and Christian faith These essays also come from the three theological traditions of the featured essays but focus on more specific issues behind the larger discussion The essays address the New Testament texts on Eucharist and important later Christian writers This book will be of value to scholars studying the Eucharist in the New Testament and the early Christian church as well as to clergy who need to instruct congregations on the ecumenical discussions of the Eucharist **A Very Anglican Monk** David

Fuller,2014-05-05 Anglican Benedictine monk Dom Gregory Dix 1901 52 was at the heart of studies of liturgy and worship in the Church of England He was a prolific author whose magnum opus *The Shape of the Liturgy* 1945 has remained on the publishers shelves to this day *A Very Anglican Monk* studies many aspects of Dix s life and works *Wedding Feast of the Lamb* Roch A. Kereszty,2004 In this deeply contemplative and meditative study Father Kereszty first places the Eucharist in the universal context of world religions and shows how the Eucharist is God s response to the universal human quest for the perfect sacrifice of thanksgiving expiation and communion Father Kereszty discusses not only the explicit eucharistic texts of the New Testament but demonstrates the role and meaning of the Eucharist within each Gospel within the theology of Paul the letter to the Hebrews and the book of Revelation He highlights forgotten texts and recovers surprising insights from the Fathers that show the link between the Eucharist and mystical experience the presence of all the mysteries of Christ in particular his death Resurrection and his coming in glory in the eucharistic celebration He then carries the *lex orandi lex credendi* adage to its logical conclusion the liturgical celebration provides the content and the organizing principle for the systematic presentation *Food and Faith* Norman Wirzba,2018-11-29 This book provides a comprehensive theological

framework for assessing the significance of eating Drawing on diverse theological philosophical and anthropological insights it offers fresh ways to evaluate food production and consumption practices as they are being worked out in today s industrial food economy Unlike books that focus primarily on vegetarianism and hunger related concerns this book broadens the scope of consideration to include the sacramental character of eating the deep significance of hospitality the meaning of death and sacrifice the Eucharist as the place of inspiration and orientation the importance of saying grace and the possibility of eating in heaven Throughout eating is presented as a way of enacting fidelity between persons between people and fellow creatures and between people and Earth *Food and Faith* demonstrates that eating is of profound economic moral and spiritual significance Revised throughout this edition includes a new introduction and two chapters as well as updated bibliography The additions add significantly to the core idea of creaturely membership and hospitality through discussion of the

Chung,2024-07-19 People love their metaphors for the Bible The Bible is a sword a mirror a script a score a cathedral a rule book a user s manual a lamp a love letter But how did metaphor which in the eighteenth century was seen as a deceptive rhetorical trick become such a prominent tool for speaking of Scripture And how does one judge between a good metaphor and a bad one This book explores the theological use of metaphor to describe the nature and interpretation of Scripture It interrogates three such models the Bible as musical score Anthony Thiselton the Bible as theo dramatic script Kevin Vanhoozer and the Bible as light John Feinberg seeking to evaluate their faithfulness to Scripture and church tradition their fittingness to the current culture and their fruitfulness for understanding and practicing the biblical text The author then proposes and explores what he considers a better model one drawn from the Bible itself namely that of Scripture as food

Ruled Reading and Biblical Criticism Matthew T. Bell,2019-11-04 In Ruled Reading and Biblical Criticism Matthew T Bell contends that the gulf in interpretive priorities between ancient and modern readers has been exaggerated and that careful study of early Christian reading practices suggests that it is both possible and productive to recontextualize early Christian ruled reading for a postmodern setting Modern prejudice holds that ancient Christian interpretation was relatively unconcerned with history and concomitantly determined to foist extrascriptural doctrinal commitments onto scripture silencing those layers of scripture s meaning that modern criticism has been most concerned with uncovering In this book Bell argues that when the ethos and theology of reading in the early Church are taken into account premodern interpretive priorities turn out to be less implausible than the modern world has believed them to be Through close reading of ancient Christian texts Bell outlines an ontology of scripture wherein the relationship between early Christianity s Rule of Faith on one hand and its scriptures on the other was expressly constructed as a hermeneutical spiral the slant of which was designed to attend to and be edified by textually mediated conundrums and intellectual provocations Viewed along that spiral the Church s Rule was as scriptural as the Church s catalog of scriptures was ruled This book will be welcomed by academics who study early Christianity and scripture as well as scholars interested in reconsidering Christian hermeneutical questions for a postmodern age
