Rediscovering the Gift of Healing Lawrence Althouse, 1983      **Rediscovering the Gift of Healing** Lawrence W. Althouse, 1977-01-01      **Miracles : 2 Volumes** Craig S. Keener, 2011-11-01 Christianity Today 2013 Book Award Winner Winner of The Foundation for Pentecostal Scholarship s 2012 Award of Excellence 2011 Book of the Year Christianbook.com s Academic Blog Most modern prejudice against biblical miracle reports depends on David Hume s argument that uniform human experience precluded miracles Yet current research shows that human experience is far from uniform In fact hundreds of millions of people today claim to have experienced miracles New Testament scholar Craig Keener argues that it is time to rethink Hume s argument in light of the contemporary evidence available to us This wide ranging and meticulously researched two volume study presents the most thorough current defense of the credibility of the miracle reports in the Gospels and Acts Drawing on claims from a range of global cultures and taking a multidisciplinary approach to the topic Keener suggests that many miracle accounts throughout history and from contemporary times are best explained as genuine divine acts lending credence to the biblical miracle reports      **In Plain Sight** Dr. R. Curtis Royal, 2013-02-15 IN PLAIN SIGHT SEARCHING FOR A MORE EXCELLENT WAY addresses the ongoing exodus from western churches Census records remind us there are two to three times more Christians than go to church Interestingly the increase of Christianity in third world countries is remarkable Western churches are suffering a massive dislocation from both society and from Christianity in general What is suggested in this book is exactly the sort of process God enables allows while preparing the next stage of a grand plan in the drama of human redemption We must search for a more excellent way Tolerant Spirit is paramount in hearing the voice of the Spirit along the spiritual journey IN PLAIN SIGHT extends the sacred conversation to all fellow travelers aspiring to discover or regain their spiritual compasses in being faithful to a true and living God who rules and reigns beyond our many fallible conceptions of divine governance in the world and the interaction of divine initiative and human responsibility The problem of forging a new paradigm in the churches for a new age is a sacred conversation about rethinking divine activity and personal and corporate faithfulness We must become much more intentional about developing a theology of grace which thoroughly encompasses serious crises and problems of all spiritual pilgrims travelers and persons of sincere faith      Sixty Days with Luke Larry Althouse, Valere Althouse, 2010-11 The purpose of this book is to help the reader to spend sixty rewarding days in the Third Gospel following a schedule of readings taking the reader through Luke s 24 chapters All too often the Gospels are experienced in bits and pieces This book will expose the reader to the whole Gospel of Luke providing a fuller sense of the scope and continuity of this marvelous tract of faith The daily interpretations are intended not as exhaustive expositions of all that is intended by the various passages but as meditations suggestive of contemplation musing pondering reflection study or thought With each day s reading and meditation there is a daily suggestion of a thought to ponder and prime the pump of the reader s own mind and heart Stimulated by these thoughts and

questions readers may find the Holy Spirit leading them to what is important and relevant for their own lives Each day ends with a prayer starter intended to suggest the direction in which the readers own prayers might be directed No Amen is added because they are intended to be open ended for the reader to complete The study and prayer sections are equally important
