West Virginia where he bought about two hundred young steers and drove them back to our home in the valley I must have been blessed with an unfailing memory over fifty years have passed since that my first trip from home yet I remember it vividly can recall conversations between my father and the sellers as they haggled over the cattle I remember the money gold and silver with which to pay for the steers was carried by my father in ordinary saddle bags thrown across his saddle As occasion demanded frequently the funds were carried by a negro man of ours and at night when among acquaintances the Reed Anthony, Cowman: an heavy saddle bags were thrown into a corner every one aware of their contents Autobiography Andy Adams, HardPress, 2013-06 Unlike some other reproductions of classic texts 1 We have not used OCR Optical Character Recognition as this leads to bad quality books with introduced typos 2 In books where there are images such as portraits maps sketches etc. We have endeavoured to keep the quality of these images so they represent accurately the original artefact Although occasionally there may be certain imperfections with these old texts we feel they deserve to be made available for future generations to enjoy Reed Anthony, Cowman Andy Adams, 2020-07-24 From the writer and genuine Western Trail cattle driver responsible for some of the best and most realistic accounts of cowboy life in literature We are happy to announce this classic book Many of the books in our collection have not been published for decades and are therefore not broadly available to the readers Our goal is to access the very large literary repository of general public books The main contents of our entire classical books are the original works To ensure high quality products all the titles are chosen carefully by our staff We hope you enjoy this classic
