*Going Foreign* Barry Pickthall, 2013-09-14 Many reasonably experienced coastal sailors and motorboaters find the prospect of sailing their boat to the continent appealing yet daunting There are so many additional aspects that all need to be taken into account and complied with that it can seem a forbidding prospect This highly illustrated accessible and user friendly book takes the boater through all the appropriate aspects in a hand holding fashion to dispel the mystique and present the undertaking as one that is eminently achievable by anyone with basic boat handling skills and navigational knowledge Topics covered Navigation Tides Planning Crew briefing Safety information Man Overboard drills Obtaining weather information Watchkeeping Provisioning Engine checks Bureaucracy and form filling and much more With this book to hand both skipper and crew will be well prepared to tackle all aspects of taking their own boat to foreign waters for what should be a hugely enjoyable and rewarding experience **Commercial**

, 1946 **Ghost Ship** Brian Hicks, 2004-06-01 On December 4th 1872 a 100 foot brigantine was discovered drifting through the North Atlantic without a soul on board Not a sign of struggle not a shred of damage no ransacked cargo and not a trace of the captain his wife and daughter or the crew What happened on board the ghost ship Mary Celeste has baffled and tantalized the world for 130 years In his stunning new book award winning journalist Brian Hicks plumbs the depths of this fabled nautical mystery and finally uncovers the truth The Mary Celeste was cursed as soon as she was launched on the Bay of Fundy in the spring of 1861 Her first captain died before completing the maiden voyage In London she accidentally rammed and sank an English brig Later she was abandoned after a storm drove her ashore at Cape Breton But somehow the ship was recovered and refitted and in the autumn of 1872 she fell to the reluctant command of a seasoned mariner named Benjamin Spooner Briggs It was Briggs who was at the helm when the Mary Celeste sailed into history In Brian Hicks's skilled hands the story of the Mary Celeste becomes the quintessential tale of men lost at sea Hicks vividly recreates the events leading up to the crew's disappearance and then unfolds the complicated and bizarre aftermath the dark suspicions that fell on the officers of the ship that intercepted her the farcical Admiralty Court salvage hearing in Gibraltar the wild myths that circulated after Sir Arthur Conan Doyle published a thinly disguised short story sensationalizing the mystery Everything from a voodoo curse to an alien abduction has been hauled out to explain the fate of the Mary Celeste But as

Brian Hicks reveals the truth is actually grounded in the combined tragedies of human error and bad luck The story of the Mary Celeste acquired yet another twist in 2001 when a team of divers funded by novelist Clive Cussler located the wreck in a coral reef off Haiti Written with the suspense of a thriller and the vivid accuracy of the best popular history Ghost Ship tells the unforgettable true story of the most famous and most fascinating maritime mystery of all time The Last Great Adventure of Sir Peter Blake Peter Blake,2004 Peter Blake was one of the best known sailors of our time he served as a Special Envoy of the United Nations Environment Program and took great interest in sustainable economic development In a 30 year sailing career he won every significant bluewater race on the planet including the America s Cup and the Whitbread Around the World and slashed the record for the fastest non stop circumnavigation under sail His murder in the Amazon made headlines worldwide *Army and Navy Journal* ,1946 **The Zoological Record** ,1987 The AOPA Pilot ,1998 Canadian Technical Report of Fisheries and Aquatic Sciences ,1987 *America, History and Life* ,2001 Article abstracts and citations of reviews and dissertations covering the United States and Canada *Business and Commercial Aviation* ,2008 Review and Herald ,1969 **On Cruise Control** Cruising Traveler Designs,2019-11-22 Memories are what life is made of Do you love to cruise Do you go on multiple cruises a year This handy 6 x 9 log book for cruising will give you plenty of space to write down all of your wonderful memories Features 52 weeks worth of cruise worksheets and blank lined journal pages Space to write the date whether you re at port or sea and what the weather is like Write what you ate what excursions you participate in and what you did on board the ship Note evening events attire and even the info about new friends you make Never forget the great memories made on your cruises with this great travel notebook **Logbook** Eike Edener,Alexander Filatow,2019-07-08 This logbook was developed by two skippers with many years of experience It is especially aimed at charter skippers of sailing yachts which often have beginners on board The logbook is specially designed so that the logbook entries can be made by several crewmembers so newbies can be brought closer to nautical content Special features of this logbook compared to other logbooks A home page with owner details Up to 8 sailing trips can be recorded A total of 48 double pages to log the respective sailing day Compendium page with main radio broadcasts international spelling alphabet checklist and common nautical measurements Particularly easy recording of engine and sail miles with mileage transfer from the previous sailing day Mini weather icon compendium on each trip page Low weight Neutral cover with a noble nautical look One of the authors goals in this book was not to repeat the mistakes made by other log book authors This logbook is explicitly not aimed at yacht owners but at charter skippers which each time drive a different yacht in a different area This logbook does not include weather maps but in the internet age the skippers usually use smartphone apps This logbook does not contain any yatch handling over logs as these are mostly provided by the charter company This logbook does not contain excessive crew instructions assignments of emergency roles or guards if needed these can be recorded in the large field for comments on a particular day This logbook contains no synopsis fill in examples

and application explanations and is therefore intended for seasoned charter skippers      Slipcase - Reeds Prof Logbook
