**The Science/Fiction of Sex** Annie Potts, 2014-02-25 What can we learn from exploring the differences in male and female orgasmic experience Is the penis an entity with a mind of its own These issues and others such as the popular portrayals of male sexuality as active and outwardly focused and female sexuality as passive and internally located are discussed in *The Science Fiction of Sex* Contemporary feminist and poststructuralist theories of sex and gender are explored alongside an investigation of how people make sense of such concepts as heterosexuality orgasm sexual dysfunction femininity and masculinity and safer sex practice Potts asks

men and women about their actual experiences of heterosexual This interview material combined with excerpts from sexological and medical texts and features from film and television draws attention to the ways in which western cultural constructs influence our ideas and experiences of the body sex and gender Potts also uses deconstructive theory as a textual tool concentrating on how binary oppositions such as inside outside and mind body impact on our understandings of heterosexual and affect the power relations between women and men She also examines how the radical postmodern theories of the body and sexuality proposed by Irigaray Lyotard and Deleuze and Guattari disrupt such dualistic modes of understanding and experiencing sexualized bodies The Science Fiction of Sex will be of interest to those studying women and psychology as well as gender studies cultural studies feminist studies sociology philosophy public health and education **Get Real!** Mike Walker, 2008-04-01 In the olden days Roman Emperors threw Christians to the lions Gladiators battled to the death Mayans sacrificed virgins Witches were burned at the stake Today We've got REALITY TV The hot new genre that suddenly snuck up and captured our imagination as Cops put us in prowler cars to pursue loonies thugs and druggies Survivor trapped us on an island with naked flaming fattie Richard Hatch American Idol gobbled up American TV and spat out the bones How did reality programming hijack TV Read the eye popping expos that takes you straight to Reality Hell Sex Drugs Dirty Tricks and Scandals Giggle as Paris Hilton Nicole Richie get barfy in the sticks and hump y with the hicks Boggle at never before revealed secrets behind Simon Cowell's manly man boobs Gasp as wee Mini Me takes a public pee And much much more REALITY TV The Super Bowl of Voyeurism But JENNIFER ANISTON hates it I have no interest in that Idol shit snarls Jen who sneers that humiliation and degradation make contestants look like monkeys playing in poop Jennifer's disgust is a touchstone for this book which is actually dedicated to her by the author REALITY TV Love it or hate it You know you want to watch **The Reference Shelf**, 1923 **The World's Work**, 1921 **The Billboard**, 1928 **'My Name is Not Natasha'** John Davies, 2009 This book challenges every common presumption that exists about the trafficking of women for the sex trade It is a detailed account of an entire population of trafficked Albanian women whose varied experiences including selling sex on the streets of France clearly demonstrate how much the present discourse about trafficked women is misplaced and inadequate The heterogeneity of the women involved and their relationships with various men is clearly presented as is the way women actively created a panoptical surveillance of themselves as a means of self policing There is no artificial divide between women who were deceived and abused and those who choose sex work in fact the book clearly shows how peripheral involvement in sex work was to the real agenda of the women involved Most of the women described in this book were not making economic decisions to escape desperate poverty nor were they the uneducated naive entrapped into sexual slavery The women's success in transiting trafficking to achieve their own goals without the assistance of any outside agency is a testimony to their resilience and resolve *Sex and Civilization* Paul Bousfield, 1928 **The Independent** William Livingston, 1912 Studies in the Psychology of Sex Havelock Ellis, 1906 *Studies in the*
