uncertainty and criticism But true belonging is not something we negotiate or accomplish with others it s a daily practice that demands integrity and authenticity It s a personal commitment that we carry in our hearts Brown offers us the clarity and courage we need to find our way back to ourselves and to each other And that path cuts right through the wilderness Brown writes The wilderness is an untamed unpredictable place of solitude and searching It is a place as dangerous as it is breathtaking a place as sought after as it is feared But it turns out to be the place of true belonging and it s the bravest and most sacred place you will ever stand *The Marriage Portrait: Reese's Book Club* Maggie O'Farrell,2022-09-06 WOMEN S PRIZE FOR FICTION FINALIST REESE S BOOK CLUB PICK NEW YORK TIMES BEST SELLER The author of award winning Hamnet brings the world of Renaissance Italy to jewel bright life in this unforgettable fictional portrait of the captivating young duchess Lucrezia de Medici as she makes her way in a troubled court I could not stop reading this incredible true story Reese Witherspoon Reese s Book Club Pick O Farrell pulls out little threads of historical detail to weave this story of a precocious girl sensitive to the contradictions of her station You may know the history and you may think you know what s coming but don t be so sure The Washington Post Florence the 1550s Lucrezia third daughter of the grand duke is comfortable with her obscure place in the palazzo free to wonder at its treasures observe its clandestine workings and devote herself to her own artistic pursuits But when her older sister dies on the eve of her wedding to the ruler of Ferrara Modena and Reggio Lucrezia is thrust unwittingly into the limelight the duke is quick to request her hand in marriage and her father just as quick to accept on her behalf Having barely left girlhood behind Lucrezia must now enter an unfamiliar court whose customs are opaque and where her arrival is not universally welcomed Perhaps most mystifying of all is her new husband himself Alfonso Is he the playful sophisticate he appeared to be before their wedding the aesthete happiest in the company of artists and musicians or the ruthless politician before whom even his formidable sisters seem to tremble As Lucrezia sits in constricting finery for a painting intended to preserve her image for centuries to come one thing becomes worryingly clear In the court s eyes she has one duty to provide the heir who will shore up the future of the Ferranese dynasty Until then for all of her rank and nobility the new duchess s future hangs entirely in the balance Full of the beauty and emotion with which she illuminated the Shakespearean canvas of Hamnet Maggie O Farrell turns her talents to Renaissance Italy in an extraordinary portrait of a resilient young woman s battle for her very survival **Ernest Haycox: Collected Works** Ernest
