Reflection In Jamaica:

Reflection--in Jamaica Mary Gaunt,1932 *Reflections on agriculture in Jamaica* Chelston W. D. Brathwaite,2001

The Intimate Empire Gillian Whitlock,2000-02-01 By means of contextualized readings this work argues that autobiographic writing allows an intimate access to processes of colonization and decolonization incorporation and resistance and the formation and reformation of identities which occurs in postcolonial space The book explores the interconnections between race gender autobiography and colonialism and uses a method of reading which looks for connections between very different autobiographical writings to pursue constructions of blackness and whiteness femininity and masculinity and nationality Unlike previous studies of autobiography which focus on a limited Euro American canon the book brings together contemporary and 19th century women s autobiographies and travel writing from Canada the Caribbean Kenya South Africa Australia and New Zealand With emphasis on the reader of autobiography as much as the subject it argues that colonization and resistance are deeply embedded in thinking about the self **Brand Jamaica** Hume Johnson,Kamille Gentles-Peart,2019-12-01 Brand Jamaica is an empirical look at the postindependence national image and branding project of Jamaica within the context of nation branding practices at large Although a tiny Caribbean island inhabited by only 2 8 million people Jamaica commands a remarkably large presence on the world stage Formerly a colony of Britain and shaped by centuries of slavery violence and plunder today Jamaica owes its popular global standing to a massively successful troika of brands music sports and destination tourism At the same time extensive media attention focused on its internal political civil war mushrooming violent crime inflation unemployment poverty and abuse of human rights have led to perceptions of the country as unsafe Brand Jamaica explores the current practices of branding Jamaica particularly within the context of postcoloniality reconciles the lived realities of Jamaicans with the contemporary image of Jamaica projected to the world and deconstructs the current tourism model of sun sand and sea Hume Johnson and Kamille Gentles Peart bring together multidisciplinary perspectives that interrogate various aspects of Jamaican national identity and the dominant paradigm by which it has been shaped **Imagining the Tropics** Elizabeth S. Manley,Elizabeth Manley,2025 Imagining the Tropics is a history of the development of tourism in the Caribbean from the 1910s through the 1970s that focuses on the ways women s labors of hospitality writing and advocacy built the industry and its ubiquitous imagery of tropical island relaxation escape and romance By examining a range of sources engaging an array of women protagonists and looking broadly across multiple Caribbean island states including Jamaica Cuba the Bahamas Barbados the Dominican Republic Haiti Puerto Rico Trinidad and Tobago and the U S and British Virgin Islands it seeks to understand how the region came to be sold as a romantic escape from the troubles of the modern world By putting women at the center of Caribbean tourism history as both its ambassadors and objects of desire it seeks to explain some of the complicated contradictions that plague the business of pleasure but also to point toward ways of building alternative models to its present and past extractive realities

Reflection, Recollection Laurice V. Hunter-Scott, 2008-07

Reflections for Living and Growing Webster

Edwards, 2018-09-07 These reflections can be described as a personal journey wrestling with varying experiences in order to gain some existential understanding of life. They were written over a period of ten years during which time they were shared with a wide cross section of persons both in Jamaica and overseas. The contents are varied incorporating real life experiences during which the author assumed the role of student learning from the inexhaustible examples from persons who can be described as living at the margin of our society.

Reflections Aisha Dacosta, 2007-03-24 Reflections captures within its pages prose that spans over a decade. The earliest poem 'When the cage bird sings' dates back to my high school years somewhere around 1995-1996. The latest poem 'I'm in love' was composed in March 2007. The poems authored during 2005-2007 have a distinct feel and an idiosyncratic rhythm. The composition of *Illicit* took place in 2006 while I was deployed at Baghdad, Iraq, and solidified the evolution of Aisha DaCosta to ADDicted Enjoy.

Contextualizing Jamaica's Relationship with the IMF Christine Clarke, Carol Nelson, 2020-10-05 This ambitious book provides a comprehensive quantitative and qualitative assessment of Jamaica's ties to the International Monetary Fund, focusing on Jamaica's historical relationship with the IMF and reflecting on the domestic and international discourse surrounding the evolution of this relationship. Notably, this volume presents a critical analysis of Jamaica's first engagement with and departure from the IMF and interrogates the political economy of the period. Jamaica's economic experiences are assessed in the context of major global events including the food price crises of 2007 and the global economic crises of 2008 and 2009. This book also looks at policy implications and its well-researched analysis will be of great value to practitioners and policymakers as well as academics.

Whispers of Autumn, Love, and Reflection Buddy Hendricks, 2012-02 *Whispers of Autumn, Love and Reflection* is a collection of poems written as inspired by nature, personal relationships, and reflective thought. It is hoped that when read, the readers will be taken to a time or place relative to a memory they have that is brought to them by the particular poem. Any measure of success on the writer's part will be measured not only in any joy on the reader's part at having any such memory reawakened but also by the smiles it brings. The poems were written not only to express the writer's emotion about a subject but also as a reminder to the reader of the incredible beauty that surrounds us every day.

Jamaica in the 21st Century Livingstone Thompson, 2016-11-16 When we forget, we run the risk of reinventing the wheel. Jamaica in the 21st Century: Revisiting the 1st Decade is a challenge and a reminder lest we forget what ground has been covered in Jamaica's social, political, and religious life, particularly at the onset of the 21st century. Trawling through public discourse and debates in Jamaica, the book distills and surfaces the main issues that captured the attention of the public: gambling, homosexuality, and human sexuality, education, crime, violence, the church, and politics, to name a few. Many of the issues that preoccupy us at this time are issues that have been addressed before. It might be of use to familiarise ourselves with the earlier discussion. This book then is a sort

of archaeological and socio historical enterprise designed to aid memory and if possible to help us see the progress we have made and avoid reinvention of the wheel **Ignatius Sancho and the British Abolitionist Movement, 1729-1786** G. J. Barker-Benfield, 2023-09-01 This book highlights the significant role played by Ignatius Sancho c 1729 80 the first black man to vote in England in the British abolitionist movement Examining the letters of Sancho and especially his correspondence with the influential novelist and preacher Laurence Sterne the author analyses the relationship between sensibility and antislavery in eighteenth century Britain The book demonstrates how Sancho navigated the bawdy riotous conditions of commercial London which was the headquarters of a growing and war torn Empire It shows how Sancho mastered the fashionable and gendered language of the culture of sensibility navigating the contemporary issues of race slavery and politics The book also touches on the White metropolitan and colonial preoccupation with Black men s sexuality which was intensified by the Somerset decision of 1772 Sancho s was a unique and influential voice in eighteenth century Britain making this book an insightful read for scholars of anti slavery as well as gender race and imperialism in British history
