Reflections on the Civil War William Bruce Catton, 1981

Reflections on the Civil War Bruce Catton, 1989

The Enduring Civil War Gary W. Gallagher, 2020-09-02 In the seventy three succinct essays gathered in *The Enduring Civil War* celebrated historian Gary W. Gallagher highlights the complexity and richness of the war from its origins to its memory as topics for study, contemplation and dispute. He places contemporary understanding of the Civil War both academic and general in conversation with testimony from those in the Union and the Confederacy who experienced and described it, investigating how mid nineteenth century perceptions align with or deviate from current ideas regarding the origins, conduct and aftermath of the war. The tension between history and memory forms a theme throughout the essays, underscoring how later perceptions about the war often took precedence over historical reality in the minds of many Americans. The array of topics Gallagher addresses is striking. He examines notable books and authors, both Union and Confederate military and civilian, famous and lesser known. He discusses historians whose names have receded with time, produced works that remain pertinent in terms of analysis or information. He comments on conventional interpretations of events and personalities, challenging among other things commonly held notions about Gettysburg and Vicksburg as decisive turning points. Ulysses S. Grant as a general who profligately wasted Union manpower, the Gettysburg Address as a watershed that turned the war from a fight for Union into one for Union and emancipation, and Robert E. Lee as an old fashioned general ill suited to waging a modern mid nineteenth century war. Gallagher interrogates recent scholarly trends on the evolving nature of Civil War studies, addressing crucial questions about chronology, history, memory and the new revisionist literature. The format of this provocative and timely collection lends itself to sampling and readers might start in any of the subject groupings and go where their interests take them.

Bloody Promenade Stephen Cushman, 1999-10-29 On 5 and 6 May 1864 the Union and Confederate armies met near an unfinished railroad in central Virginia with Lee outmanned and outgunned, hoping to force Grant to fight in the woods. The name of the battle, Wilderness, suggests the horror of combat at close quarters and an inability to see the whole field of engagement even from a distance. Indeed, the battle is remembered for its brutality and ultimate futility for Lee, even with 26,000 casualties on both sides. The Wilderness only briefly stemmed Grant's advance. Stephen Cushman lives fifty miles south of this battlefield. A poet and professor of American literature, he wrote *Bloody Promenade* to confront the fractured legacy of a battle that haunts him through its very proximity to his everyday life. Cushman's personal narrative is not another history of the battle. If this book is a history of anything, he writes, it is the history of verbal and visual images of a single, particularly awful moment in the American Civil War. Reflecting on that moment can begin in the present with the latest film or reenactment, but it leads Cushman back to materials from the past. Writing in an informal first person style, he traces his own fascination with the conflict to a single book, a pictorial history he read as a boy. His abiding interest and poetic sensibility yield a fresh perspective on the war's continuing grip on Americans.

how it pervades our lives through films and songs novels such as *The Red Badge of Courage* *The Killer Angels* and *Cold Mountain* Whitman's poetry and Winslow Homer's painting or the pull of the abstract idea of the triumph of freedom With maps and a brief discussion of the Battle of the Wilderness for those not familiar with the landscape and actors *Bloody Promenade* provides a personal tour of one of the most savage engagements of the Civil War then offers a lively discussion of its aftermath

What Caused the Civil War? Edward L. Ayers, 2016-11-08 An extremely good writer Ayers is well worth reading on the South and Southern history Stephen Sears Boston Globe The Southern past has proven to be fertile ground for great works of history Peculiarities of tragic proportions a system of slavery flourishing in a land of freedom secession and Civil War tearing at a federal Union deep poverty persisting in a nation of fast paced development have fed the imaginations of some of our most accomplished historians Foremost in their ranks today is Edward L Ayers author of the award winning and ongoing study of the Civil War in the heart of America the Valley of the Shadow Project In wide ranging essays on the Civil War the New South and the twentieth century South Ayers turns over the rich soil of Southern life to explore the sources of the nation's and his own history The title essay original here distills his vast research and offers a fresh perspective on the nation's central historical event

History Teaches Us to Hope Charles P. Roland, 2007-12-07 Before his death in 1870 Robert E Lee penned a letter to Col Charles Marshall in which he argued that we must cast our eyes backward in times of turmoil and change concluding that it is history that teaches us to hope Charles Pierce Roland one of the nation's most distinguished and respected historians has done exactly that devoting his career to examining the South's tumultuous path in the years preceding and following the Civil War *History Teaches Us to Hope Reflections on the Civil War and Southern History* is an unprecedented compilation of works by the man the volume editor John David Smith calls a dogged researcher gifted stylist and keen interpreter of historical questions Throughout his career Roland has published groundbreaking books including *The Confederacy* 1960 *The Improbable Era The South since World War II* 1976 and *An American Iliad The Story of the Civil War* 1991 In addition he has garnered acclaim for two biographical studies of Civil War leaders *Albert Sidney Johnston* 1964 a life of the top field general in the Confederate army and *Reflections on Lee* 1995 a revisionist assessment of a great but frequently misunderstood general The first section of *History Teaches Us to Hope The Man The Soldier The Historian* offers personal reflections by Roland and features his famous GI Charlie speech *A Citizen Soldier Recalls World War II* Civil War related writings appear in the following two sections which include Roland's theories on the true causes of the war and four previously unpublished articles on Civil War leadership The final section brings together Roland's writings on the evolution of southern history and identity outlining his views on the persistence of a distinct southern culture and his belief in its durability *History Teaches Us to Hope* is essential reading for those who desire a complete understanding of the Civil War and southern history It offers a fascinating portrait of an extraordinary historian

Decision in the Heartland Steven E. Woodworth, 2008-01-30 The verdict is in the Civil War was won in the West that is

in the nation's heartland between the Appalachian Mountains and the Mississippi River Yet a person who follows the literature on the war might still think that it was the conflict in Virginia that ultimately decided the outcome Each year sees the appearance of new books aimed at the popular market that simply assume that it was in the East often at Gettysburg that the decisive clashes of the war took place For decades serious historians of the Civil War have completed one careful study after another nearly all tending to indicate the pivotal importance of what people during the war referred to as the West In this fast paced overview Woodworth presents his case for the decisiveness of the theater Overwhelming evidence now indicates that it was battles like Fort Donelson Shiloh Chattanooga and Atlanta that sealed the fate of the Confederacy not the nearly legendary clashes at Bull Run or Chancellorsville or the mythical high water mark at Gettysburg The western campaigns cost the Confederacy vast territories the manufacturing center of Nashville the financial center of New Orleans communications hubs such as Corinth Chattanooga and Atlanta along with the agricultural produce of the breadbasket of the Confederacy They sapped the morale of Confederates and buoyed the spirits of Unionists ultimately sealing the northern electorate's decision to return Lincoln to the presidency for a second term and thus to see the war through to final victory Detailing the Western clashes that proved so significant Woodworth contends that it was there alone that the Civil War could be and was decided

Reflections of the Civil War in Southern Humor Wade Hall, 2015-02-17 As one of the organic forms of literature humor has always responded to and reflected the needs of the people at a given time and the Civil War and its aftermath were days of the South's greatest need Historians have suggested many reasons for the South's fearless stand against overwhelming numbers and resources to use General Lee's words In this short study author and historian Wade Hall adds one reason to the list the humor of the Southerner as soldier and civilian during the war and the bleak days that followed it The South arose from the ashes of humiliation and defeat smiling though sometimes through tears The Southerner's sense of humor helped him to fight a war he believed honorable and to accept the bitter defeat which ended it Without the escape valve of humor many a rebel would have succumbed to despair The Southerner could smile wistfully as he looked back on a proud past and hopefully as he looked forward to an uncertain future He smiled because he read humorists like Bill Arp who once wrote somewhat serio comically that the South was conquered but not convinced In this study Hall has attempted to represent all the types of humor written in the South between the beginning of the Civil War and the beginning of World War I specifically 1861 and 1914 including war memoirs novels plays short stories poetry and songs After a survey of humor written during the war Hall discusses the soldier the Negro the poor white and the folks at home in wartime as they are reflected in the postwar humor

Reflections of a Civil War Historian Herman Hattaway, 2004

Decision in the Heartland Steven E. Woodworth, 2008-01-30 The verdict is in the Civil War was won in the West that is in the nation's heartland between the Appalachian Mountains and the Mississippi River Yet a person who follows the literature on the war might still think that it was the conflict in Virginia that ultimately decided the outcome Each year sees the

appearance of new books aimed at the popular market that simply assume that it was in the East often at Gettysburg that the decisive clashes of the war took place For decades serious historians of the Civil War have completed one careful study after another nearly all tending to indicate the pivotal importance of what people during the war referred to as the West In this fast paced overview Woodworth presents his case for the decisiveness of the theater Overwhelming evidence now indicates that it was battles like Fort Donelson Shiloh Chattanooga and Atlanta that sealed the fate of the Confederacy not the nearly legendary clashes at Bull Run or Chancellorsville or the mythical high water mark at Gettysburg The western campaigns cost the Confederacy vast territories the manufacturing center of Nashville the financial center of New Orleans communications hubs such as Corinth Chattanooga and Atlanta along with the agricultural produce of the breadbasket of the Confederacy They sapped the morale of Confederates and buoyed the spirits of Unionists ultimately sealing the northern electorate's decision to return Lincoln to the presidency for a second term and thus to see the war through to final victory Detailing the Western clashes that proved so significant Woodworth contends that it was there alone that the Civil War could be and was decided

Drawn with the Sword James M. McPherson, 1997-12-18 James M McPherson is acclaimed as one of the finest historians writing today and a preeminent commentator on the Civil War *Battle Cry of Freedom* his Pulitzer Prize winning account of that conflict was a national bestseller that Hugh Brogan in *The New York Times* called history writing of the highest order Now in *Drawn With the Sword* McPherson offers a series of thoughtful and engaging essays on some of the most enduring questions of the Civil War written in the masterful prose that has become his trademark Filled with fresh interpretations puncturing old myths and challenging new ones *Drawn With the Sword* explores such questions as why the North won and why the South lost emphasizing the role of contingency in the Northern victory whether Southern or Northern aggression began the war and who really freed the slaves Abraham Lincoln or the slaves themselves McPherson offers memorable portraits of the great leaders who people the landscape of the Civil War Ulysses S Grant struggling to write his memoirs with the same courage and determination that marked his successes on the battlefield Robert E Lee a brilliant general and a true gentleman yet still a product of his time and place and Abraham Lincoln the leader and orator whose mythical figure still looms large over our cultural landscape And McPherson discusses often ignored issues such as the development of the Civil War into a modern total war against both soldiers and civilians and the international impact of the American Civil War in advancing the cause of republicanism and democracy in countries from Brazil and Cuba to France and England Of special interest is the final essay entitled *What's the Matter With History* a trenchant critique of the field of history today which McPherson describes here as more and more about less and less He writes that professional historians have abandoned narrative history written for the greater audience of educated general readers in favor of impenetrable tomes on minor historical details which serve only to edify other academics thus leaving the historical education of the general public to films and television programs such as *Glory* and Ken Burns's PBS documentary *The Civil War* Each essay in

Drawn With the Sword reveals McPherson's own profound knowledge of the Civil War and of the controversies among historians presenting all sides in clear and lucid prose and concluding with his own measured and eloquent opinions. Readers will rejoice that McPherson has once again proven by example that history can be both accurate and interesting, informative and well written. Mark Twain wrote that the Civil War wrought so profoundly upon the entire national character that the influence cannot be measured short of two or three generations. In *Drawn With the Sword*, McPherson gracefully and brilliantly illuminates this momentous conflict. *Reflections of the Civil War in Southern Humor* Wade H. Hall, 2011

Americans Remember Their Civil War Barbara A. Gannon, 2017-07-07 Cover Half Title Title Copyright Dedication Contents Series Foreword Acknowledgments Introduction Chapter One The Lost Cause Remembering a Failed Nation Chapter Two The Union Cause Remembering Union and Freedom Chapter Three The Legend of the Lost Cause Has Served the Entire Country Very Well Civil War Memory and America's Rise to World Power Chapter Four Battle Cry of Freedom Civil War History and Memory in the Civil Rights Era Chapter Five Landscape Turned White The Civil War in Public Memory Chapter Six Romance or Reunion The Civil War in Popular Memory Chapter Seven The Republic of Suffering Civil War Memory at the Beginning of the Twenty First Century Notes Bibliographic Essay Index **The Women's War In the South** Martin Harry Greenberg, Charles V. Waugh, 1999-02-01 The Women's War in the South Recollections and Reflections of the American Civil War edited by Charles G. Waugh and Martin H. Greenberg recounts the manner in which Southern women experienced the war and the changes it brought about in their lives. Filled with excerpts from the letters, books, diaries, and postwar writings the women left behind, it reveals the other side of the war: the women's war through first person accounts of women running farms, buying and selling goods, working outside the home, serving as spies, and even participating in combat in disguise. **Civil War Reflections: Part One**, Features the American Civil War remembrances of Harvey S. Hogue of Company G, 115th Regiment of the Ohio Volunteer Infantry. Notes that Hogue wrote in 1900 about his experiences in the Civil War. Contains background material and several Civil War stories. Links to part two of Hogue's account. **Reflections of the Civil War in Southern Humor (Classic Reprint)** Wade H. Hall, 2017-07-23 Excerpt from *Reflections of the Civil War in Southern Humor*. In this study I have attempted to represent all the types of humor written in the South between the beginning of the Civil War and the beginning of World War I, specifically 1861 and 1914, including war memoirs, novels, plays, short stories, poetry, and songs. After a survey of humor written during the war, I discuss the soldier, the Negro, the poor white, and the folks at home in wartime as they are reflected in the postwar humor. About the Publisher: Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com. This book is a reproduction of an important historical work. Reflections and Comments 1865-1895 Edwin Lawrence Godkin, 2019-12-05 In *Reflections and Comments 1865 1895* Edwin Lawrence Godkin presents a compelling collection of essays that delve into the political social and economic landscapes of post Civil War America Godkin s literary style is marked by eloquence and incisive analysis characterized by his advocacy for civil liberties and good governance Through editorial reflections from his time at *The Nation* he addresses issues ranging from political corruption to the importance of a free press all while embedding his arguments in the broader context of an evolving American society grappling with modernity and reform Edwin Lawrence Godkin a renowned journalist and liberal thinker was instrumental in shaping public discourse in America during the late 19th century His Irish heritage and early experiences in British journalism endowed him with a unique perspective on governance and ethics Through his work Godkin sought to inspire critical thought and civic responsibility prompting him to critique the prevailing norms of his time which culminated in this thought provoking collection *Reflections and Comments 1865 1895* is a must read for anyone interested in the historical dynamics of American politics and the evolution of journalistic integrity Godkin s incisive commentary resonates today providing timeless insights into the complexities of civic engagement and ethical leadership

Reflection On A Revolution Shahid Al-Bilali, 2019-03-27 *Reflection on a Revolution* seeks to bring to light the knowledge of a turbulent era in Louisville Kentucky and America in the late 1960s and 70s Drawing from my own participation in this movement hoping this book will bring a greater understanding of the struggle and the people of that era that fought to eradicate racial inequality in America

Northerners at War James Matthew Gallman, 2010 Includes essays on the Northern home front This title brings together essays on the economic social and domestic aspects of life in the North during the Civil War It tackles a range of Civil War home front topics from urban violence and Gettysburg s wartime history to entrepreneurial endeavors and the war s economic impact

Weary of War Joe A. Mobley, 2008-02-28 Providing a fresh look at a crucial aspect of the American Civil War this new study explores the day to day life of people in the Confederate States of America as they struggled to cope with a crisis that spared no one military or civilian Mobley touches on the experiences of everyone on the home front white and black male and female rich and poor young and old native and foreign born He looks at health agriculture industry transportation refugees city life religion education culture families personal relationships and public welfare In so doing he offers his perspective on how much the will of the people contributed to the final defeat of the Southern cause Although no single experience was common to all Southerners a great many suffered poverty dislocation and heartbreak For African Americans however the war brought liberation from slavery and the promise of a new life White women too saw their lives transformed as wartime challenges gave them new responsibilities and experiences Mobley explains how the Confederate military draft heavy taxes and restrictions on personal freedoms led to widespread dissatisfaction and cries for peace among Southern folk He describes the Confederacy as a region of divided

loyalties where pro Union and pro Confederate neighbors sometimes clashed violently This readable one volume account of life behind the lines will prove particularly useful for students of the conflict

This Captivating World of E-book Books: A Detailed Guide Revealing the Pros of Kindle Books: A Realm of Convenience and Versatility E-book books, with their inherent mobility and ease of availability, have liberated readers from the limitations of hardcopy books. Gone are the days of carrying cumbersome novels or meticulously searching for particular titles in bookstores. Kindle devices, stylish and portable, seamlessly store an extensive library of books, allowing readers to immerse in their favorite reads whenever, anywhere. Whether commuting on a bustling train, lounging on a sunny beach, or simply cozying up in bed, Kindle books provide an unparalleled level of convenience. Reflections Civil War Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to

historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Reflections Civil War free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Reflections Civil War free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Reflections Civil War free PDF files is convenient, it's important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but it's essential to be cautious and verify the authenticity of the source before downloading Reflections Civil War. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether it's classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Reflections Civil War any PDF files. With these platforms, the world of PDF downloads is just a click away.
