**Darien Chronicles: Objects for Reflection, a Journey into Love** Steven Howard, 2016-06-10 Take a journey with Darien and his spirit guide Sundeep from pre birth into the after life In *The Darien Chronicles Object for Reflection A Journey into Love Part One* In the Beginning walk with him as he leaves behind vague recollections of being a cast off and develops his rules for survival in the drama of an adoptive family where secrets thrive Be with him as he struggles to separate truth from fiction and find his own soul Is Sundeep real or imaginary Is Darien who he is seen to be or is there more to who he is Who can he trust The appearance of things suggests no one as he cautiously formulates a plan to fit in and be accepted Circumstances bring Darien a four year old boy into a working class family that includes an older boy whose friend causes him to question himself and shakes his very foundation as a boy wanting desperately to become a man Being a bastard boy and child of a trollop Darien finds refuge and a reflection of who he is in his secret friend Sundeep But does he believe what he hears Or do the other influences and experiences he encounters speak louder to him Find out Perhaps you'll even find yourself in this story And this is just the beginning **Reflections in a Glass Door** Marvin Marcus, 2009-07-15 Much has

been written about Natsume Soseki 1867-1916 one of Japan's most celebrated writers. Known primarily for his novels, he also published a large and diverse body of short personal writings (shohin) that have long lived in the shadow of his fictional works. The essays which appeared in the Asahi shinbun between 1907 and 1915 comprise a fascinating autobiographical mosaic while capturing the spirit of the Meiji era and the birth of modern Japan. In *Reflections in a Glass Door* Marvin Marcus introduces readers to a rich sampling of Soseki's shohin. The writer revisits his Tokyo childhood recalling family friends and colleagues and musing wistfully on the transformation of his city and its old neighborhoods. He painfully recounts his two years in London where he immersed himself in literary research even as he struggled with severe depression. A chronic stomach ailment causes Soseki to reflect on his own mortality and what he saw as the spiritual afflictions of modern Japanese: rampant egocentrism and materialism. Throughout, he adopts a number of narrative voices and poses the peevish husband, the harried novelist, the convalescent, the seeker of wisdom. Marcus identifies memory and melancholy as key themes in Soseki's personal writings and highlights their relevance in his fiction. He balances Soseki's account of his Tokyo household with that of his wife Natsume Kyoko who left a straightforward record of life with her celebrated husband. Soseki crafted a moving and convincing voice in his shohin which can now be pondered and enjoyed for their penetrating observation and honesty as well as the fresh perspective they offer on one of Japan's literary giants.

**Reflection** D.L. Lagone, 2013-10-23 *Reflection* is a story of two families' history. Bridging a century, taking you from Poncho Villas, Mexico and New England, Connecticut, where in the early twentieth century social status in life was important, how you achieved it was not. Second Lieutenant Charles Black, assigned to General Pershing's expeditionary incursion force into Mexico to capture Poncho Villa, falls in love with the daughter of a wealthy horse breeder. Their love is a story of hate, death, and obsession. Secrets and lies dominate the lives of three generations of women. Climaxing in the revelation that we are not who we have been led to believe we are.

Disguised Reflection Karen Campion, 2012-10-31 At twenty-nine years old, Sari Clarke had it all: a blossoming career as a TV reporter, a successful defense attorney, fiancé, an adoring family, and her two best friends, her sisters. Until one story, her first exclusive, threatens everything and everyone she holds dear. A horrific murder has captivated Chicago. Sari is not only the reporter on this exclusive story; she is the exclusive. Sari takes the story to the public in her own way, in her own words. She is determined to single-handedly bring this predator down. It is a race against time as Sari and the rookie Detective Brad Callahan work against the Chicago Police Department to piece together the truth behind the lies. With each passing hour and each murder, there are fewer and fewer people that Sari and Brad can trust. Sari's world is turned upside down in an instant. Is this a random act, or is someone in her inner circle hell-bent on destroying her and her family? Will Sari make it out of this nightmare alive?
