Reflections From Inside:

Everyday Physics: Waves - From Sounds And Light To Tsunamis And Gravitation Michel A Van Hove, 2024-01-10 This book aims to popularize physics by emphasizing conceptual ideas of physics and their interconnections while avoiding mathematics entirely The approach is to explore intriguing topics of daily relevance by asking and discussing questions thereby the reader can participate in developing answers which enables a deeper understanding than is achievable with memorization The topic of this book waves is chosen because we experience waves in many forms every minute of our lives from sound waves and light waves to quantum waves and brain waves The target readership of this book is very broad all those with a curious mind about nature and with a desire to understand how nature works especially laymen youngsters secondary school children and their teachers

Nano Dielectric Resonator Antennas for 5G Applications Rajveer S. Yaduvanshi, Gaurav Varshney, 2020-05-26 We are always surrounded by electromagnetic waves and fields of various spectra This book explains basic electromagnetic theory with the help of design formulations i e mathematical background on antennas along with experimentations which has made this book unique The main purpose of this book is to embed mathematical EM theory of dielectric resonator antennas with experimental validation so that understanding of concepts takes place Initially basic understanding of philosophy of dielectric resonators has been discussed then it is supported with mathematical modeling and later same is implemented with its prototype model along with experimentations The modes theory gives important analysis on currents distribution impedance analysis and radiation pattern in DRA Circular polarization can built signal robustness case studies on circular polarization has been included Equivalent RLC circuit concept has been introduced Challenges of switching from microwave to terahertz has been briefly discussed Nano DRA will revolutionize the wireless technology Nano DRA Terahertz DRA and Quantum DRA have analyzed and studied
