European tradition **Handbook of Reflection and Reflective Inquiry** Nona Lyons, 2010-04-07 Philosophers have warned of the perils of a life spent without reflection but what constitutes reflective inquiry and why it is necessary in our lives can be an elusive concept Synthesizing ideas from minds as diverse as John Dewey and Paulo Freire the Handbook of Reflection and Reflective Inquiry presents reflective thought in its most vital aspects not as a fanciful or nostalgic exercise but as a powerful means of seeing familiar events anew encouraging critical thinking and crucial insight teaching and learning In its opening pages two seasoned educators Maxine Greene and Lee Shulman discuss reflective inquiry as a form of active attention Thoreau's wide awakeness an act of consciousness and a process by which people can understand themselves their work particularly in the form of life projects and others Building on this foundation the Handbook analyzes through the work of 40 internationally oriented authors Definitional issues concerning reflection what it is and is not Worldwide social and moral conditions contributing to the growing interest in reflective inquiry in professional education Reflection as promoted across professional educational domains including K 12 education teacher education occupational therapy and the law Methods of facilitating and scaffolding reflective engagement Current pedagogical and research practices in reflection Approaches to assessing reflective inquiry Educators across the professions as well as adult educators counselors and psychologists and curriculum developers concerned with adult learning will find the Handbook of Reflection and Reflective Inquiry an invaluable teaching tool for challenging times *The Late Medieval Origins of the Modern Novel* Rachel A. Kent, 2015-10-07 Dramatically refreshing the age old debate about the novel's origins and purpose Kent traces the origin of the modern novel to a late medieval fascination with the wounded and often eroticized body of Christ A wide range of texts help to illustrate this discovery ranging from medieval Piet's to Thomas Hardy to contemporary literary theory

Modern Children's Literature Catherine Butler, Kimberly Reynolds, 2014-12-12 An established introductory textbook that provides students with a guide to developments in children's literature over time and across genres This stimulating collection of critical essays written by a team of subject experts explores key British American and Australian works from picture books and texts for younger children through to graphic novels and young adult fiction It combines accessible close readings of children's texts with informed examinations of genres issues and critical contexts making it an essential practical book for students This is an ideal core text for dedicated modules on Children's literature which may be offered at the upper levels of an undergraduate literature or education degree In addition it is a crucial resource for students who may be studying children's literature for the first time as part of a taught postgraduate degree in literature or education New to this Edition Revised and updated throughout in light of recent children's books and the latest research Includes new coverage of key topics such as canon formation fantasy and technology Features an essay on children's poetry by the former Children's Laureate Michael Rosen Talking Animals in Children's Fiction Catherine Elick, 2015-03-07 Talking animal tales have conveyed anticruelty messages since the 18th century beginnings of children's literature Yet only in the modern period have

animal characters become true subjects rather than objects of human neglect or benevolence Modern fantasies reflect the shift from animal welfare to animal rights in 20th century public discourse This revolution in literary animal human relations began with Lewis Carroll s Alice s Adventures in Wonderland and continued with the work of Kenneth Grahame Hugh Lofting P L Travers and E B White Beginning with the ideas of literary theorist Mikhail Mikhailovich Bakhtin this book examines ways in which animal characters gain an aura of authority through using language and then participate in reversals of power The author provides a close reading of 10 acclaimed British and American children s fantasies or series published before 1975 Authors whose work has received little scholarly attention are also covered including Robert Lawson George Selden and Robert C O Brien

Magic, Literature and Climate Pedagogy in a Time of Ecological Crisis Sofia

Ahlberg,2024-08-22 Channeling the creative potential of humanity to transition towards joyous and just futures in times of life threatening climate change this book uses metaphors of magic and shapeshifting to imagine liveable futures achievable through other than rational means Focusing on a wide range of 20th and 21st century novels from a diverse range of writers such as Madeline Miller Jeff VanderMeer Ursula LeGuin N K Jemisin Ambelin Kwaymullina and Leanne Betasamosake Simpson it suggests that readers take seriously the pedagogical potential of magic in literature for the classroom and beyond while providing them with contextualized collective methods of climate action

Inquiry and Reflection Diane DuBose Brunner,1994-01-01 Inquiry and Reflection shows how stories of schooling can elucidate difficult and unexamined problems facing teachers While professional texts tend to raise issues of power and its distribution and questions of culture and ideology often the manner of presentation is abstract and pre service teachers have difficulty making connections Yet literary film and video materials illuminate problems and suggest ideas to

which teachers can actively respond This book offers teacher educators a variety of resources for articulating a critical pedagogy and suggests an alternative to the technical job training approach to teacher education by providing a unique educational curricula that illuminates issues of power ideology and culture
