By Mrs. Trimmer*, 1785 **Sacred history, selected from the Scriptures, with annotations and reflections, by Mrs. Trimmer** Sarah Trimmer, 1817 Reflections James O. Jeffers, 2003 The book chronicles James Jeffers life from about age two but it purposefully falls short of being either memoirs or autobiography With this work he has attempted to simply record for his children grandchildren and others the wonderful events of his life as he experienced them The book covers thousands of miles of travel along with living and working with peoples of differing cultures on three continents and in the Caribbean five foreign countries and fifteen different states spanning the nation from coast to coast to coast **Cartesian Reflections** John Cottingham, 2008-09-11 One of the world's leading Descartes scholars explores central areas of his philosophy including his views on the nature of thought the relationship between mind and body his scientific worldview and its influence on modern thinking the place of God in his philosophical system and his account of the emotions and the good life *Reflections for Daily Prayer: Advent 2016 to Christ the King 2017* Steven Croft, Joanna Collicutt, Paula Gooder, Helen-Ann Hartley, Libby Lane, Graham James, Helen Orchard, Angela Tilby, 2016-05-30 *Reflections for Daily Prayer* is a highly valued daily Bible companion based on the Common Worship Lectionary Each day Monday to Saturday some of the very best writers from across the Anglican tradition offer insightful informed and inspiring reflections on one of the day's readings for Morning Prayer Their reflections will appeal to anyone who values both the companionship of daily Bible notes and the structure of the Lectionary For every day excluding Sundays of the 2016-17 church year there are full references and a quotation from the day's set of Scripture readings a concise but challenging commentary on the readings and a collect In addition the book includes a simple order for morning and night prayer an introduction to the practice of daily prayer by Bishop John Pritchard and a guide to reading the Bible reflectively by Bishop Stephen Cottrell **A Reflection of Hope** Kathy Adams Holt, 2018-10-03 *A Reflection of Hope* By Kathy Adams Holt I want to dedicate this book to my husband Jonathan E Holt A reflection is a subject of thoughts and consideration for hope A look into the now with visions dreams and aspirations for things yet to come As you reflect your mind lets you wander to yesterday today tomorrow and beyond Sometimes we reflect on troubled times Yet trouble we haven't even asked for We often get discouraged and give up easily As you reflect remember what Jesus said Jesus said to his disciples Don't be worried Have faith in God and have faith in me Reflect on God's words and the promises He made us **Daily Reflections for Lent** Robert F. Morneau, 2010-11 *Not by Bread Alone* offers daily reflections and meditations that focus on the Lenten themes of repentance and redemption sacrifice and salvation as well as the Easter message of resurrection and new life **Kincraft**

Todne Thomas,2021-02-22 In Kincaft Todne Thomas explores the internal dynamics of community life among black evangelicals who are often overshadowed by white evangelicals and the common equation of the Black Church with an Afro Protestant mainline Drawing on fieldwork in an Afro Caribbean and African American church association in Atlanta Thomas locates black evangelicals at the center of their own religious story presenting their determined spiritual relatedness as a form of insurgency She outlines how church members cocreate themselves as spiritual kin through what she calls kincaft the construction of one another as brothers and sisters in Christ Kincaft which Thomas traces back to the diasporic histories and migration experiences of church members reflects black evangelicals understanding of Christian familial connection as transcending racial ethnic and denominational boundaries in ways that go beyond the patriarchal nuclear family Church members also use their spiritual relationships to navigate racial and ethnic discrimination within the majority white evangelical movement By charting kincaft s functions and significance Thomas demonstrates the ways in which black evangelical social life is more varied and multidimensional than standard narratives of evangelicalism would otherwise suggest
