Embraced by Faith Vladimir Berzonsky, 2018-01-05 Faith is a lifelong challenge and it can be something precarious Even Jesus Christ asked God Why has thou forsaken me So what is faith Is it simply a belief in the unseen God or is there more For Christian believers who have been embraced by the Holy Spirit and given the gift of faith we will be measured by a lifelong struggle to hold fast to faith even though we will be confronted by challenges and frustrations In *Embraced by Faith* author and pastor Vladimir Berzonsky shares his inspired reflections on faith from the Bible and beyond revealing how God gives us love to guide us to the truth and a relationship with him all through faith *Embraced by Faith* explores both Old and New Testament scriptures showing how we can have communion with God and be led to overcome every obstacle on the path to the kingdom of heaven Faith is the belief that God can do all things and that he is unconditional love It is also the belief that his love is revealed and expressed in Jesus Christ Regardless of what happens to us in our lifetimes a true faith will help us overcome and prevail over all trials even in the most extreme example the suffering of Jesus on the cross To feel abandoned and yet embraced by the Holy Spirit we can bear all things believe all things hope all things and endure all things 1 Corinthians 13:7

Reflecting with God Abigail Johnson, 2004-03-01. Untangling the day to day issues in our multifaceted lives can seem daunting. Time to sit quietly and reflect is rare. If we are fortunate, we have good friends or close family members with whom to talk things through and find clarity, but many times we feel isolated and lonely. As people of faith, we add another layer to our reflections when we wonder where God fits into our lives. In a broad sense, theological reflection happens any time that we wonder about God, our faith, our beliefs, and our values. In this book, however, Abigail Johnson offers a structured process for engaging in theological reflection by looking at a situation or event through a series of questions. These questions are designed to help individuals and small groups think through situations with the eyes of faith. Johnson provides detailed instructions for group facilitators, making this book a valuable resource for any theological

reflection leader She demonstrates how theological reflection will enrich the faith life of the individual and increase group members sense of belonging to God and to the whole people of God She also shows how small groups engaging in theological reflection affects the ongoing life of a congregation particularly in the community s worship and the members practice of spiritual disciplines
