aesthetic grounds to be the frightening logo for our long contemplated invasion and conquest of Afghanistan After all he was abruptly replaced with Saddam Hussein once the Taliban were overthrown And while evidence is now being invented to connect Saddam with 9 11 the current administration are not helped by stories in the U S press about the vast oil wealth of Iraq which must for the sake of the free world be reassigned to U S consortiums United States: Essays 1952-1992 Gore Vidal,2018-09-25 A compilation of 114 classic essays from Gore Vidal A marvelous compendium of sharp wit and independent judgment that confirms his status as a man of letters Publishers Weekly From the age of Eisenhower to the dawning of the Clinton era Gore Vidal s United States offers an incomparably rich tapestry of American intellectual and political life in a tumultuous period It also provides the best most sustained exposure possible to the most wide ranging acute and original literary intelligence of the post World War II years United States is an essential book in the canon of twentieth century American literature and an endlessly fascinating work **Julian** Gore Vidal,2003-08-12 The remarkable bestseller about the fourth century Roman emperor who famously tried to halt the spread of Christianity Julian is widely regarded as one of Gore Vidal s finest historical novels Julian the Apostate nephew of Constantine the Great was one of the brightest yet briefest lights in the history of the Roman Empire A military genius on the level of Julius Caesar and Alexander the Great a graceful and persuasive essayist and a philosopher devoted to worshipping the gods of Hellenism he became embroiled in a fierce intellectual war with Christianity that provoked his murder at the age of thirty two only four years into his brilliantly humane and compassionate reign A marvelously imaginative and insightful novel of classical antiquity Julian captures the religious and political ferment of a desperate age and restores with blazing wit and vigor the legacy of an impassioned ruler

Perpetual War for Perpetual Peace Gore Vidal,2002-04-10 The United States has been engaged in what the great historian Charles A Beard called perpetual war for perpetual peace The Federation of American Scientists has cataloged nearly 200 military incursions since 1945 in which the United States has been the aggressor In a series of penetrating and alarming essays whose centerpiece is a commentary on the events of September 11 2001 deemed too controversial to publish in this country until now Gore Vidal challenges the comforting consensus following September 11th and goes back and draws connections to Timothy McVeigh s bombing of the federal building in Oklahoma City He asks were these simply the acts of evil doers Gore Vidal is the master essayist of our age Washington Post Our greatest living man of letters Boston Globe Vidal s imagination of American politics is so powerful as to compel awe Harold Bloom The New York Review of Books *Daily Reflections on Addiction, Yoga, and Getting Well* Rolf Gates,2018-09-25 Deeply personal essays and daily prompts for self reflection while healing from addiction and walking the road of recovery from the author of *Meditations from the Mat* and *Meditations on Intention and Being* You are a process that has called forth a teaching for this day This teaching will not be new to you rather it will be reminding you of what you already know Reminding you of who you already are Rolf Gates author of *Meditations from the Mat* has walked the walk of the 12 step method of recovery while traveling down the Buddhist
