Artifacts of Loss
 Jane E. Dusselier, 2008-12-01 From 1942 to 1946 as America prepared for war 120 000 people of Japanese descent were forcibly interned in harsh desert camps across the American west In Artifacts of Loss Jane E Dusselier looks at the lives of these internees through the lens of their art These camp made creations included flowers made with tissue paper and shells wood carvings of pets left behind furniture made from discarded apple crates gardens grown next to their housing anything to help alleviate the visual deprivation and isolation caused by their circumstances Their crafts were also central in sustaining re forming and inspiring new relationships Creating exhibiting consuming living with and thinking about art became embedded in the everyday patterns of camp life and helped provide internees with sustenance for mental emotional and psychic survival Dusselier urges her readers to consider these often overlooked folk crafts as meaningful political statements which are significant as material forms of protest and as representations of loss She concludes briefly with a discussion of other displaced people around the globe today and the ways in which personal and group identity is reflected in similar creative ways

The Camp Fire Girls Jennifer Helgren, 2022-12 As the twentieth century dawned progressive educators established a national organization for adolescent girls to combat what they believed to be a crisis of girls education A corollary to the Boy Scouts of America founded just a few years earlier the Camp Fire Girls became America s first and for two decades most popular girls organization Based on Protestant middle class ideals a regulatory model that reinforced hygiene habit formation hard work and the idea that women related to the nation through service the Camp Fire Girls invented new concepts of American girlhood by inviting disabled girls Black girls immigrants and Native Americans to join Though this often meant a false sense of cultural universality in the girls own hands membership was often profoundly empowering and provided marginalized girls spaces to explore the meaning of their own cultures in relation to changes taking place in twentieth century America Through the lens of the Camp Fire Girls Jennifer Helgren traces the changing meanings of girls citizenship in the cultural context of the twentieth century Drawing on girls scrapbooks photographs letters and oral history interviews in addition to adult voices in organization publications and speeches The Camp Fire Girls explores critical intersections of gender race class nation and disability
