**Lent and Easter Reflections for the Younger Crowd** John Behnke, 2010 Meditations using ordinary language and every day experience to assist young people in developing a pattern of prayer reflection and daily meditation **Creative Reflections of a Young Woman** Hazel Elizabeth Bennett (Baer Metzler), 2009-12-25 **Reflections** Phillip Michael Garner, 2019-11-01 Reflections is a theological guide for today's Christians seeking a fuller appreciation of religious faith than is represented in populist religion. The seven categories and their chapters are designed to provide the reader with an intensive study on neglected but imperative concepts for faith. Subjects of vital importance to both theology and humanity are explored with a flowing continuity of understanding God and the world. Reflections begins with the concept of revelation and its relation to monotheism and conviction. The chapters that follow are titled Religion Is Christianity Is and Intelligent Spirituality. These set the foundation for the rest of the book. The sense of moderns is that they are immune to the primitive concept of idolatry. Under the category of Perennial Idols, Garner dismantles the idolatry that plagues humanity in every generation. Reality and its creation is a category of theological thought that is essential for Christian development and sorrowfully neglected in church education. The other categories are Sex and Romantic Love, Popular Myths, Being Human, Being Poor, and Forgiveness. Garner's conviction is that the root of humanity's dysfunction is our failure to learn how to live together as male and female. **Three Mountains and Seven Rivers** Musashi Tachikawa, Shoun Hino, Toshihiro Wada, 2004-01-01 Three mountains and the seven rivers is a collection of 56 essays to felicitate the sixtieth birthday of Doctor Musashi Tachikawa, Professor at Aichi Gakuin University in Nagoya. Monique, 2022-03-27 Healing is a process, a personal process that encompasses individual strength, behaviors, actions, and attitudes. We get to decide when, how, and why we complete the healing process. Many times we petition for God to speak, to acknowledge, or to send a sign for the pain, challenges, and places we face. If we listen close enough or pay attention, we will find He does send a Word through a scripture, person, circumstance, or our own prayers. Unfortunately, there are times we simply miss it. Times when we overlook the exact thing we asked God for, and there are times when we can't recognize God's answer amid our troubles because they feel so loud, big, painful. This compilation of Love Letters, Notes of Encouragement, Pivot Points, and Prayers are a remembrance of God's Word speaking to the challenges, pains, and places over a young adult life, resulting in hope, encouragement, and connection. Through the Love Letters, we see how God's love is revealed and supported by scripture. In Notes of Encouragement, we find God's word releasing us from the frustrations of disappointment, resentment, and perceived failed opportunities. In Pivot Points, we find God's word soothing our decisions, discretions, and renewing hope. Finally, in

Prayers we find an honest conversation with the Father The reflections within the Love Letters Notes of Encouragement Pivot Points and Prayers acknowledge the hurt which began the healing process We all deserve to heal from past hurts to embrace the possibilities of future happiness Recognizing that the Father will answer that healing is possible and He wants us to be filled with the Fruit of the Spirit is a beautiful phenomenon filled with real hope There is a petition for each of you to lean in to listen for or remember when God spoke directly to your challenge pain and place Be encouraged **Daniel Defoe** Robert James Merrett,2013-01-01 A highly conscious wordsmith Daniel Defoe used expository styles in his fiction and non fiction that reflected his ability to perceive material and intellectual phenomena from opposing but not contradictory perspectives Moreover the boundaries of genre within his wide ranging oeuvre can prove highly fluid In this study Robert James Merrett approaches Defoe s body of work using interdisciplinary methods that recognize dialectic in his verbal creativity and cognitive awareness Examining more than ninety of Defoe s works Merrett contends that this author s literariness exploits a conscious dialogue that fosters the reciprocity of traditional and progressive authorial procedures Along the way he discusses Defoe s lexical and semantic sensibility his rhetorical and aesthetic theories his contrarian theology and more Merrett proposes that Defoe s contrarian outlook celebrates a view of consciousness that acknowledges the brain s bipartite structure and in so doing illustrates how cognitive science may be applied to further explorations of narrative art **Travellers #2** Jack Lasenby,2014-10-03 A powerful award winning young adult fantasy the second novel in the excellent Travellers series Pursued by the hateful Salt Men Ish flees south with his friend Taur the mute Bull Man But nowhere is there refuge from the brutal Squint face who wants his greenstone god back and wants Ish s life Across the ice of Cook Strait lies the South Land Can Ish and Taur find peace there Taur winner of the 1999 Senior Fiction category in the NZ Post Children s Book Awards is the riveting sequel to Because We Were the Travellers winner of a 1998 NZ Post Honour Award and shortlisted for the 1998 Esther Glen Medal Lasenby writes impeccably with an uncommon preciseness a poetic flow His language is poignant profound yet held back from sentimentality each word weighted for relevance **Reflections of Relationships** Ebonie Jackson,John Cory Jackson,2010-08-20 This book is to introduce you to the real facts trials and tribulations of relationships It is also designed to teach those teens that are doing the wrong thing and are looking for a way out This book is for teens who are trying to do the right thing in their lives This book is also for young adults who are in relationships We seek to teach young people the value of chastity and purity in the eyesight of God We invite all parents to read this book as well God is looking for young people to serve him through their attitudes and conduct It is our privilege and honor to serve God through literature Our teenagers of today have more opposition than ever against their livelihoods There is such a pull on their minds and hearts to succumb to peer pressure We know that parents are trying to their best to do what is appropriate to help **Virtue in Humble Life** Jonas Hanway,1774 Reflections of Dance along the Brahmaputra Ralph Buck,Barbara Snook,Debarshi Prasad Nath,2023-07-18 This volume brings a critical lens to dance and culture within North
