road of recovery from the author of *Meditations from the Mat* and *Meditations on Intention and Being You* are a process that has called forth a teaching for this day. This teaching will not be new to you; rather, it will be reminding you of what you already know. Reminding you of who you already are. Rolf Gates, author of *Meditations from the Mat*, has walked the walk of the 12-step method of recovery while traveling down the Buddhist eightfold way and practicing the Eight Limbs of Classical Yoga. His integrated approach has been the key to his understanding of sobriety for over 25 years. In his series of 365 essays, Gates explores the lessons and experiences from his own practice and study, classical teachings, and his career as a teacher and coach. Each eloquent and brief essay is accompanied by a self-reflection prompt to help guide you on your journey of introspection and change. As the co-founder of the Yoga Recovery Conference at Kripalu Center for Yoga and Health and Esalen Institute, Gates has made a significant contribution to understanding the role that yoga can play in recovery from addiction. With his personalized approach to both the modern and classic teachings and by embedding it within the space of the human heart and everyday life, Gates is a solid guide to finding and living the freedom that lives within each of us. **The**

In this world where gowns, castles, and crowns make for the perfect reflections, life isn't always as it appears. Love is elusive even when the most beautiful woman is right before you. Illusions distort, visions shadow, and monsters tread behind smiles and chivalrous facades. This collection includes the complete Royal Reflections series: RUTHLESS REIGN, RESILIENT REIGN, RAVISHING REIGN, and RELEVANT REIGN in one box set fit for royalty. From New York Times bestselling author Aleatha Romig comes a brand new contemporary romantic suspense series, Royal Reflections, set in the world of the royal elite where things are not as they appear. *Life After Brain Injury* Barbara A. Wilson, Jill Winegardner, Fiona Ashworth, 2013-09-05 This is the first book of its kind to include the personal accounts of people who have survived injury to the brain along with professional therapists' reports of their progress through rehabilitation. The paintings and stories of survivors combine with experts' discussions of the theory and practice of brain injury rehabilitation to illustrate the ups and downs that survivors encounter in their journey from pre-injury status to insult and post-injury rehabilitation. Wilson, Winegardner, and Ashworth's focus on the survivors' perspective shows how rehabilitation is an interactive process between people with brain injury, health care staff, and others, and gives the survivors the chance to tell their own stories of life before their injury, the nature of the insult, their early treatment, and subsequent rehabilitation. Presenting practical approaches to help survivors of brain injury achieve functionally relevant and meaningful goals, *Life After Brain Injury: Survivors' Stories* will help all those working in

rehabilitation understand the principles involved in holistic brain injury rehabilitation and how these principles combined with theory and models translate into clinical practice This book will be of great interest to anyone who wishes to extend their knowledge of the latest theories and practices involved in making life more manageable for people who have suffered damage to the brain Life After Brain Injury Survivors Stories will also be essential for clinical psychologists neuropsychologists and anybody dealing with acquired brain injury whether they be a survivor of a brain injury themselves a relative a friend or a carer
