## Reflections On Slovak History:

**Reflections on Slovak History** Stanislav J. Kirschbaum, Anne C. R. Roman, 1987      **A History of Slovakia** Stanislav J. Kirschbaum, 2016-05-10 This classic book offers the most comprehensive and up to date history of Slovakia from its establishment on the Danubian Plain to the present While paying tribute to Slovakia's resilience and struggle for survival it describes contributions to European civilization in the Middle Ages the development of Slovak consciousness in response to Magyarization its struggle for autonomy in Czechoslovakia after the Treaty of Versailles its resistance as the first Slovak Republic to a Nazi controlled Europe its reaction to Communism and the path that led to the creation of the second Slovak Republic Now fully updated to the present day the book examines the vagaries of Slovak post Communist politics that led to Slovakia's membership in NATO and the European Union      **Illustrated Slovak History** Anton Špiesz, Dušan Čaplovič, Ladislaus J. Bolchazy, 2006 Little contemporary scholarship on Slovak history exists in English This title fills an important gap in historiography about events throughout Central Europe over the last fourteen centuries It presents the history of Slovakia in terms of the latest scholarship and in the context of on going historical debate about Slovak history and its presentation in post socialist world Extensive footnotes by scholars 350 color illustrations Index Bibliography Foreword and Epilogue      *The History of the Czech Republic and Slovakia* William Mahoney, 2011-02-18 This survey of Czech and Slovak history traces the development of two neighboring peoples through the creation of a common Czechoslovakian state in 1918 to the founding of the independent Czech and Slovak Republics in 1993 and beyond The History of the Czech Republic and Slovakia charts historical developments in the two nations to the opening decade of the 21st century The book begins with an overview of the geography climate people economy and government of both the Czech and Slovak republics Subsequent chapters offer a chronologically organized survey of historical events trends ideas and people Starting with the early Slavic settlements around the 5th century AD the book explores Czech and Slovak history through the Middle Ages the Renaissance and Early Modern eras the Enlightenment and the age of nationalism and revolution Chapters on the 20th century include discussion of the World Wars the interwar Czechoslovak state the Communist decades the Prague Spring and the Velvet Revolution of 1989 The story is brought up to date with insights into developments in the independent Czech and Slovak republics since 1993      Historical Dictionary of Slovakia Stanislav J. Kirschbaum, 2013-11-14 On the stroke of midnight on 1 January 2013 the inhabitants of Slovakia celebrated a major milestone in their history two decades of democratic government and personal freedom This is so far the longest period of such rule in their history This anniversary surpasses by a few months their only previous generation long experience namely in the First Czecho Slovak Republic 1918-1938 The difference of course is that the Slovaks no longer share a state with another nation but run their own affairs Slovakia is now an accepted and recognized member in the family of nations whose athletes artists and other notable personalities are acknowledged around the world It is a member of international organizations and multilateral institutions

and participates in efforts to maintain peace and enhance prosperity around the world The third edition of Historical Dictionary of Slovakia provides a thorough update of the many accomplishments that Slovakia has achieved This is done through a chronology an introductory essay and an extensive bibliography The cross referenced dictionary section has over 1000 entries on significant persons places and events political parties and institutions literature music and the arts This book is an excellent resource for students researchers and anyone wanting to know more about Slovakia

*1948 and 1968 - Dramatic Milestones in Czech and Slovak History* Laura Cashman, 2013-09-13 This volume has been published to coincide with the anniversaries of two significant milestones in Czech and Slovak history the establishment of communist rule in 1948 and the Prague Spring of 1968 and in anticipation of the 20th anniversary of the 1989 Velvet Revolution Given the ultimate failure of the communist system these events and their legacy for Czech and Slovak society and politics merit continued study particularly given the wealth of new data made available when state and Party archives were finally opened in the 1990s The essays in this volume by witnesses historians and social scientists from the Czech Republic and Slovakia the USA UK and Australia offer a reappraisal of those turbulent events They present new and original research based on information from archives which were not opened until after 1990 and which is not yet available to audiences who do not speak Czech or Slovak This volume will therefore be of interest to both specialists and general readers who are curious to learn more about these events This book was published as a special issue of Europe Asia Studies

*The Slovak Question* Michael R. Cude, 2022-06-07 The so called Slovak question asked what place Slovaks held or should have held in the former state of Czechoslovakia Formed in 1918 at the end of World War I from the remains of the Hungarian Empire and reformed after ceasing to exist during World War II the country would eventually split into the Czech Republic and Slovakia after the Velvet Divorce in 1993 In the meantime the minority Slovaks often clashed with the majority Czechs over their role in the nation The Slovak Question examines this debate from a transatlantic perspective Explored through the relationship between Slovaks Americans of Slovak heritage and United States and Czechoslovakian policymakers it shows how Slovak national activism in America helped the Slovaks establish a sense of independent identity and national political assertion after World War I It also shows how Slovak American leaders influenced US policy by conceptualizing the United States and Slovakia as natural allies due to their connections through immigration This process played a critical role in undermining attempts to establish a united Czechoslovakian identity and instead caused a divide between the two groups which was exploited by Nazi Germany and then by other actors during the Cold War and proved ultimately to be insurmountable

**Handbook of Polish, Czech, and Slovak Holocaust Fiction** Elisa-Maria Hiemer, Jiří Holý, Agata Firlej, Hana Nichtburgerová, 2021-06-21 The Handbook of Polish Czech and Slovak Holocaust Fiction aims to increase the visibility and show the versatility of works from East Central European countries It is the first encyclopedic work to bridge the gap between the literary production of countries that are considered to be main sites of the Holocaust and their recognition in international academic and public discourse It contains

over 100 entries offering not only facts about the content and motifs but also pointing out the characteristic fictional features of each work and its meaning for academic discourse and wider reception in the country of origin and abroad The publication will appeal to the academic and broader public interested in the representation of the Holocaust anti-Semitism and World War II in literature and the arts Besides prose it also considers poetry and theatrical plays from 1943 through 2018 An introduction to the historical events and cultural developments in Poland Czechoslovakia Czech and Slovak Republic and their impact on the artistic output helps to contextualise the motif changes and fictional strategies that authors have been applying for decades The publication is the result of long term scholarly cooperation of specialists from four countries and several dozen academic centres

[The Czech And Slovak Republics](#) Carol Leff, 2018-02-15 This clear objective introduction to the politics of Czechoslovakia and the successor Czech and Slovak Republics provides a comprehensive analysis of Czechoslovakia in the postcommunist period Carol Leff builds a framework for understanding the dynamics of the triple transition democratization marketization and a national transformation that has reconfigured the dynamic between state and nation She shows how the interaction of these three transformational agendas has shaped Czechoslovakia's development ultimately culminating in the paradoxical disintegration of a state that most of its citizens wished to preserve The book offers a valuable case study of a country coming back to Europe but it also provides an opportunity for analyzing the influence of communism on what had been a significant interwar European state The book's strong comparative element will make it invaluable as well for those seeking to understand contemporary Central and Eastern Europe

*Czechoslovakia 1918-88* H. Gordon Skilling, 1991-08-05 The book examines the history of Czechoslovakia in the seventy years since its founding by T G Masaryk It analyses the profound changes which took place during the First Republic the Nazi occupation postwar liberation and communist rule including both the Stalinist years the Prague Spring of 1968 and the subsequent period of normalization to 1988

**Home and the World in Slovak Writing** Katarina Gephardt, Charles Sabatos, Ivana Taranenková, 2025-03-04 Literatures of small nations represent a minuscule portion of the global literary marketplace where books written in English outnumber translated works The struggle for visibility in relation to dominant languages and cultures is not new in Slovakia a nation of five million whose literary history has been shaped by the influence of more widely spoken languages including Hungarian Czech and Russian Home and the World in Slovak Writing brings Slovak literature out of this isolation to tell the story of how a nation's literature can survive and thrive despite a small domestic audience and relatively limited circulation in English translation The book demonstrates how historic events such as the post Stalin Thaw the Prague Spring and the Velvet Revolution moulded the Slovak canon and situates contemporary Slovak literature in broader regional and global contexts Through case studies of the transformations and adaptations of Slovak literature contributors examine the changing social roles of writers the tensions between tradition and innovation and the dynamic interactions between influences from the outside world and domestic sources of inspiration Home and the World in Slovak Writing maps the relationship between

geopolitical destiny and literary production at a critical moment As relations between the East and the West are destabilized by war the question of cultural identity has again become a matter of national survival in Central Europe

**Oral History and the Holocaust in Slovakia** Monika Vrzgulová, 2024-12-18 Nearly thirty years ago Monika Vrzgulová took part in the very first oral history research project aimed at Holocaust survivors in Slovakia That project transformed her professional as well as her personal life The Holocaust as a scholarly subject and the oral history method have stayed with her to this day This book summarizes her findings and the experience she has acquired researching Holocaust memory combining memory studies oral history autoethnography and reflexive writing methods It presents data from two international research projects which took part in Slovakia too and are available to experts and the public online The insights gained from this research are contextualised with the social situation in a country that is trying to come to terms with its past after the fall of Communism

**Beyond Violence** Anna Cichopek-Gajraj, 2014-06-19 A unique perspective that goes beyond violence to compare the daily experiences of Holocaust survivors returning to Poland and Slovakia

*Slovakia in History* Mikuláš Teich, Dušan Kováč, Martin D. Brown, 2011-02-03 Until the dissolution of Czechoslovakia Slovakia's identity seemed inextricably linked with that of the former state This book explores the key moments and themes in the history of Slovakia from the Duchy of Nitra's ninth century origins to the establishment of independent Slovakia at midnight 1992 3 Leading scholars chart the gradual ethnic awakening of the Slovaks during the Reformation and Counter Reformation and examine how Slovak national identity took shape with the codification of standard literary Slovak in 1843 and the subsequent development of the Slovak national movement They show how after a thousand years of Magyar Slovak coexistence Slovakia became part of the new Czechoslovak state from 1918 39 and shed new light on its role as a Nazi client state as well as on the postwar developments leading up to full statehood in the aftermath of the collapse of communism in 1989 There is no comparable book in English on the subject

**The Ghosts of Europe** Anna Porter, 2011-01-18 In 1989 Adam Michnik said that Central Europe came as a messenger not only of freedom and tolerance but also of hatred and intolerance It is here in Central Europe that the last two wars began Nearing the twentieth anniversary of Communism's collapse acclaimed author Anna Porter traveled to Poland the Czech Republic Slovakia and Hungary to discover whether and how democracy has taken root in these former Iron Curtain countries The former borderlands of the long defunct Hapsburg Empire and the more recently dispersed Soviet Empire have attempted to invent their own forms of democracy and capitalism However disturbing signs of old attitudes have returned bringing into question Central Europe's ability to reform its elites and to effectively control public demonstrations of hatred the rise of racial tensions and the emergence of fascist parties Porter interviewed the young and the old the winners and the losers in this grand European transformation Porter walks Wenceslas Square with those who suffered the violence of the state police and helped to organize the 89 revolution She meets with revolutionary leaders such as Václav Havel and Adam Michnik as well as custodians of the new regimes among them Radek Sikorski Michael Kocáb and Ferenc

Gyurcsány She takes us to Poland's Institute of National Remembrance and Budapest's House of Terror Museum fascinating if controversial attempts to reckon with dark periods of history She interviews the wealthiest man in Hungary the general who ordered martial law in Poland attends an ultraright rally and visits a Gypsy village where a newly burgeoning yet all too familiar racism has destroyed a family Gradually a portrait emerges of a Europe struggling under the weight of history and memory its peoples divided over half forgotten events old ethnic rivalries borders drawn and redrawn ghosts that had lurked unacknowledged under Communism's force fed stories of peaceful coexistence and a common front toward the Western enemy Now Central European rhetoric veers between historical reckoning revisionism and the politics of retribution Penetrating fascinating and powerfully observed *The Ghosts of Europe* illuminates themes of tyranny nationalism racism and denial in nations with a tumultuous history and a future very much in the balance *Morality of the Past from the Present Perspective* Vasil Gluchman, 2009-03-26 The monograph is divided into four parts The work starts with Preface in which Vasil Gluchman presents socio political socio cultural and ideological context of the first half of the twentieth century and the situation in Slovakia and Central Europe in this historical period placing this monograph and the works of individual contributors into the context of the given era The first part deals with philosophical and ethical issues arising from the examination of morality at the end of the 19th century and the beginning of the 20th century This part creates the methodological starting point for the examinations presented in the next three parts of the monograph The second part focuses on the development of philosophical and ethical reflection of morality in Slovakia in the given era The third part examines socio political and professional ethical aspects of the development and functioning of morality in Slovakia in the first half of the 20th century Reflections of morality in Slovakia in the Slovak literature of the first half of the 20th century are the object of interest in the fourth part of the monograph *Central and South-Eastern Europe 2004* Europa Publications, 2003 Comprises a general survey of the region country surveys political profiles of the region and information on international and regional organizations and research institutes **A History of Slovak Economic Thought** Julius Horváth, 2021-12-29 Slovakia has a rich and complex history but until now there has not been a comprehensive analysis of the nation's economic thought This volume expertly fills this gap and traces the development of Slovak economic thought from the sixteenth century to the present day Identifying key themes moments and thinkers the chapters in this work consider the evolution of Slovak economic ideas and explores the nation's place alongside other schools of thought Significant coverage is given to the economists Gregorius Berzeviczy and Imrich Karva as well as landmark periods such as the creation of Czechoslovakia the World Wars the Socialist regime and post Communist Slovakia This book is of interest to advanced students and researchers of the history of economic thought economic history and political economy as well as those with a specific interest in the history of Slovakia **The a to Z of Slovakia** Stanislav J. Kirschbaum, 2010-05 The A to Z of Slovakia offers an up to date series of cross referenced dictionary entries on Slovak political social and economic

development since the creation of the second Slovak Republic in 1993 until its admission into the European Union in 2004 It includes all of the political actors the presidents prime ministers and party leaders and many leading academics and cultural personalities including those from the national minorities It also contains entries on the various institutions of the Slovak Republic like the judiciary the armed forces the media and parliamentary committees as well as entries that explain Slovakia's position and role in international organizations like NATO and the European Union The historical survey explains how Slovakia in its post Communist transformation was almost excluded but in the end became a full member of these two institutions

*Central and South-Eastern Europe 2003* Europa Publications, 2002 An in depth survey of the region presenting the latest economic and political developments It includes expert comment on issues of regional importance up to date statistics a directory of institutes and companies and political profiles

### Reflections On Slovak History Introduction

In today's digital age, the availability of Reflections On Slovak History books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Reflections On Slovak History books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Reflections On Slovak History books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Reflections On Slovak History versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Reflections On Slovak History books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Reflections On Slovak History books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Reflections On Slovak History books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Reflections On Slovak History books and manuals for download have

transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Reflections On Slovak History books and manuals for download and embark on your journey of knowledge?

### **FAQs About Reflections On Slovak History Books**

1. Where can I buy Reflections On Slovak History books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Reflections On Slovak History book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
