Reform and Authority in the Medieval and Reformation Church Guy Fitch Lytle, 1981 **Reform and Authority in the Medieval and Reformation Church** Uta-Renate Blumenthal, 1981 **Authorities in the Middle Ages** Sini Kangas, Mia Korpiola, Tuija Ainonen, 2013-04-30

Medievalists reading and writing about and around authority related themes lack clear definitions of its actual meanings in the medieval context. *Authorities in the Middle Ages* offers answers to this thorny issue through specialized investigations. This book considers the concept of authority and explores the various practices of creating authority in medieval society. In their studies, sixteen scholars investigate the definition, formation, establishment, maintenance, and collapse of what we understand in terms of medieval struggles for authority, influence, and power. The interdisciplinary nature of this volume resonates with the multi-faceted field of medieval culture, its social structures, and forms of communication. The fields of expertise include history, legal studies, theology, philosophy, politics, literature, and art history. The scope of inquiry extends from late antiquity to the mid-fifteenth century, from the Church Fathers debating with pagans to the rapacious ghosts ruining the life of the living in the Sagas. There is a special emphasis on such exciting but understudied areas as the Balkans, Iceland, and the eastern fringes of Scandinavia.

Luther at Leipzig, 2019-09-16

On the five hundredth anniversary of the 1519 debate between Martin Luther and John Eck at Leipzig, *Luther at Leipzig* offers an extensive treatment of this pivotal Reformation event in its historical and theological context. The Leipzig Debate not only revealed growing differences between Luther and his opponents but also resulted in further splintering among the Reformation parties, which continues to the present day. The essays in this volume provide an essential background to the complex theological, political, ecclesiastical, and intellectual issues precipitating the debate. They also sketch out the relevance of the Leipzig Debate for the course of the Reformation, the interpretation and development of Luther, and the ongoing divisions between Protestantism and Roman Catholicism.

The Emergence of Pastoral Authority in the French Reformed Church (c.1555-c.1572) Gianmarco Braghi,2021-07-19 In The Emergence of Pastoral Authority in the French Reformed Church c 1555 c 1572 Gianmarco Braghi offers a broad overview of the issues and ambiguities connected to the implementation of the authority of the first generation of Geneva trained French Reformed pastors and of their implications for the character and identity of the early French Reformed movement at large using them as a prism for historical analysis of the transition from loose evangelicalism to a nascent synodal consistorial network of Reformed congregations scattered across the kingdom of France

Humanism and Renaissance Civilization Charles G. Nauert,2023-04-21 The essays collected in this volume represent many years of Professor Nauert s research and teaching on the history of Renaissance humanism and more particularly on humanism north of the Alps Much of the early work involved the significant but often overlooked history of humanism at the University of Cologne notoriously the most anti humanist of the German universities Later essays deal with the most famous humanist of the early sixteenth century Erasmus of Rotterdam and natural philosophy a broad term covering many subjects now associated with natural science is the topic of three of the pieces published here Taken as a whole the book presents a detailed study of intellectual development among European elites

Inside the Vatican Thomas J. Reese S.J.,1998-02-19 There are one billion Catholics in the world today spread over every continent speaking almost every conceivable language and all answering to a single authority The Vatican is a unique international organization both in terms of its extraordinary power and influence and in terms of its endurance Popes come and go but the elaborate and complex bureaucracy called the Vatican lives on For centuries it has served and sometimes undermined popes it has been praised and blamed for the actions of the pope and for the state of the church Yet an objective examination of the workings of the Vatican has been unavailable until now Drawing on more than a hundred interviews with Vatican officials this book affords a firsthand look at the people the politics and the organization behind the institution Reese brings remarkable clarity to the almost Byzantine bureaucracy of congregations agencies secretariats tribunals nunciature and offices showing how they serve the pope and through him the universal church He gives a lively account of how popes are elected and bishops appointed how dissident theologians are disciplined and civil authorities dealt with Throughout revealing and colorful anecdotes from church history and the present day bring the unique culture of the Vatican to life The Vatican is a fascinating institution a model of continuity and adaptation which remains constant while functioning powerfully

in a changing world As never before this book provides a clear objective perspective on how the enormously complex institution surrounding the papacy operates on a day to day level how it has adapted and endured for close to two thousand years and how it is likely to face the challenges of the next millennium King James VI and I and the Reunion of Christendom W.
