*Reform of the church: proposals of the Church Reform League* Church Reform League,1896      **The Future of Healthcare Reform in the United States** Anup Malani,Michael H. Schill,2015-10-15 When the Supreme Court's majority ruling in *NFIB v Sebelius* upheld the Patient Protection and Affordable Care Act the PPACA or Obamacare it was clear that this major shift in American health care provision was here to stay For better or worse the PPACA is now both a target for and a constraint on the next wave of reformist ideas Driven by curiosity about how the American health care regime will continue to evolve in the near and medium term Dean Michael Schill and Professor Anup Malani of the University of Chicago Law School commissioned fourteen essays from leading scholars of law economics medicine and public health that offer predictions for the most important issues and debates in health care reform over the next five to seven years Essays are arranged in five sections Part I ACA and the Law sets the stage with three essays on legal challenges and justifications for the Act Part II ACA and the Federal Budget explores the variety of potential fiscal consequences resulting from Obamacare Part III ACA and Health Care Delivery offers competing viewpoints on what the Act will ultimately mean for consumers of health care Part IV Health Care Costs Innovation and the ACA speculates about what the altered financial structure of health care will mean for the pace of development of new medical technologies Part V ACA and Health Insurance Markets concludes the volume with a pair of contrasting assessments of the prospects for the new insurance exchange markets      **Reform and Transformation in Eastern Europe** János Mátyás Kovács,Marton Tardos,1992-06-04 First published in 1992 Routledge is an imprint of Taylor Francis an informa company      **The Idea of Reform** Gerhart Ladner,2004-04-21 In this classic volume Ladner explores the origin and early history of the idea of reform The book opens with a look at varieties of renewal ideology then moves on to study the early Christian idea of reform The conclusion is an insightful examination of how the idea of reform influenced the earliest manifestations of Christian monasticism      **The Idea of Reform** Gerhart Burian Ladner (Oostenrijks geschiedkundige),1959      **Psychological Theory and Educational Reform** David R. Olson,2003-06-16 For well over a century educational reformers have looked for a breakthrough in the sciences of psychology and pedagogy that would dramatically improve the effectiveness of schooling This book shows why such an ambition is an illusion Schools are institutions which attempt to balance the needs of a bureaucratic society that funds them with the personal goals interests hopes and ambitions of the students who enroll in them Reform efforts attempt to realign that balance without any clear conception of how the two are related This book offers a theoretical account of the relation between the minds of learners and the institutional structure of the school that would account both for the ways that schooling remakes minds and societies and why such institutions are resistant to change      **THE IDEA OF REFORM** Gerhart Burian Ladner,1959      *Social Reform and the Reformation* Jacob Salwyn Shapiro,2009-02-05      *Local Government Reform* Brian Dollery,Joseph Garcea,Edward C. LeSage,2008-01-01 Written by an impressive array of experts this book surveys local government reforms

in six advanced democracies federal and unitary which share a municipal legacy Australia Canada Ireland New Zealand the UK and the US The book has an excellent bibliography and will help open up a field heretofore noted for its insularity

Recommended A J Ward Choice Leadership and Public Sector Reform in Asia Evan Berman,Eko Prasjo,2018-04-06

Present day knowledge about public sector reforms in Asia is quite scattered and seldom focuses on the challenges of leadership This book seeks to address this issue by presenting country cases that reflect the great diversity of the region

Library of Congress Subject Headings Library of Congress,2004 An Organizational Approach to Public Governance Morten Egeberg,Jarle Trondal,2018-10-04 Climate change economic crises migration and terrorism are among the many problems that challenge public governance in modern societies Many of these problems are spanning political and administrative units horizontally vertically and both This makes public governance particularly challenging and turbulent Since public governance mainly takes place through public organizations like international organizations ministries and regulatory agencies this book examines what difference organizational factors make in the governance process The volume launches a general organizational approach to public governance It outlines key theoretical dimensions that cut across governance structures and processes horizontally as well as vertically thus paving the way for integrating separate empirical analyses into a coherent theoretical whole Moreover the organizational independent variables outlined in this book represent classical dimensions in the organization literature that are generic in character This allows for generalizations across time and space The volume also examines organizational design implications By building systematic knowledge on how organizational factors shape governance processes on the one hand and how organizational factors themselves might be deliberately changed on the other the book offers a knowledge base for organizational design **OECD Reviews of Labour**
