Reformer in the Marketplace Salme Harju Steinberg,1979 **Reformer in the Marketplace** Salme Harju Steinberg,1971 *Inarticulate Longings* Jennifer Scanlon,2020-10-28 *Inarticulate Longings* explores the contradictions of a social agenda for women that promoted both traditional roles and the promises of a growing consumer culture by examining the advertising industry in the early 20th century **A New Heartland** Janet Galligani Casey,2009-04-16 This study investigates American rurality and modernity as mutually sustaining concepts and centres on women s engagement with those concepts The aim is to articulate a different mode of American modernism that signals meaning and appeal for women and to show how that mode responds to prevalent attitudes in the culture at large *Selling Culture* Richard Malin Ohmann,1996 In this fascinating and highly acclaimed study of the development of consumer society in the United States Richard Ohmann traces the birth and subsequent growth of mass culture that came with the rise of general interest magazines and brand name products 20 photos **Women's Periodicals in the United States** Kathleen L. Endres,Therese Lueck,1995-07-24 Consumer magazines aimed at women are as diverse as the market they serve Some are targeted to particular age groups while others are marketed to different socioeconomic groups These magazines are a reflection of the needs and interests of women and the place of women in American society Changes in these magazines mirror the changing interests of women the increased purchasing power of women and the willingness of advertisers and publishers to reach a female audience This reference book is a guide to women s consumer magazines published in the United States Included are profiles of 75 magazines read chiefly by women Each profile discusses the publication history and social context of the magazine and includes bibliographical references and a summary of publication statistics Some of the magazines included started in the 19th century and are no longer published Others have been available for more than a century while some originated in the last decade An introductory chapter discusses the history of U S consumer women s magazines and a chronology charts their growth from 1784 to the present *Women in Magazines* Rachel Ritchie,Sue Hawkins,Nicola Phillips,S. Jay Kleinberg,2016-02-19 Women have been important contributors to and readers of magazines since the development of the periodical press in the nineteenth century By the mid twentieth century millions of women read the weeklies and monthlies that focused on supposedly feminine concerns of the home family and appearance In the decades that followed feminist scholars criticized such publications as at best conservative and at worst regressive in their treatment of gender norms and ideals However this perspective obscures the heterogeneity of the magazine industry itself and women s experiences of it both as readers and as journalists This collection explores such diversity highlighting the differing and at times contradictory images and understandings of women in a range of magazines and women s contributions to magazines in a number of contexts from late nineteenth century publications to twenty first century titles in Britain North America continental Europe and Australia Theodore Rex Edmund Morris,2010-11-24 NEW YORK TIMES BESTSELLER A shining

portrait of a presciently modern political genius maneuvering in a gilded age of wealth optimism excess and American global ascension San Francisco Chronicle WINNER OF THE LOS ANGELES TIMES BOOK PRIZE FOR BIOGRAPHY Theodore Rex is one of the great histories of the American presidency worthy of being on a shelf alongside Henry Adams's volumes on Jefferson and Madison Times Literary Supplement Theodore Rex is the story never fully told before of Theodore Roosevelt's two world changing terms as President of the United States A hundred years before the catastrophe of September 11 2001 TR succeeded to power in the aftermath of an act of terrorism Youngest of all our chief executives he rallied a stricken nation with his superhuman energy charm and political skills He proceeded to combat the problems of race and labor relations and trust control while making the Panama Canal possible and winning the Nobel Peace Prize But his most historic achievement remains his creation of a national conservation policy and his monument millions of acres of protected parks and forest Theodore Rex ends with TR leaving office still only fifty years old his future reputation secure as one of our greatest presidents

The Model Man Hans Krabbendam, 2022-06-08 Edward William Bok was the most famous Dutch American in early twentieth century America thanks to his thirty year editorship of the Ladies Home Journal the most prestigious women's magazine of the day This first complete coverage of Edward Bok's life places him against his ethnic background and portrays him as the spokesman for and the mold of the American middle class between 1890 and 1930 He acted as a mediator between a Victorian and a modern society reconciling consumerism with idealism As a Dutch immigrant he became a model for successful adaptation to a new country and modern times He used his national reputation to restore America's internationalism in the 1920s His life story is relevant to those interested in the history of immigration journalism the rise of big business the women's movement and the Progressive Movement

Professional Pursuits Catherine W. Zipf, 2007 Zipf focuses on five gifted women in various parts of the country In San Diego Hazel Wood Waterman parlayed her Arts and Crafts training into a career in architecture Cincinnati s Mary Louise McLaughlin expanded on her interest in Arts and Crafts pottery by inventing new ceramic technology New York s Candace Wheeler established four businesses that used Arts and Crafts production to help other women earn a living In Syracuse both Adelaide Alsop Robineau and Irene Sargent were responsible for disseminating Arts and Crafts related information through the movement s publications Each woman s story is different but each played an important part in the creation of professional opportunities for women in a male dominated society

Magazines for the Millions Helen Damon-Moore, 1994-01-01 Argues that the two popular women s magazines were pivotal in the combining of gender and commercialism at the turn of the century and that publishers and advertisers conspired to create both a gendered commercial discourse and a commercial gender discourse for both men and women Annotation copyright Book News Inc Portland Or

Mothers and Medicine Rima D. Apple, 1987-12-16 In the nineteenth century infants were commonly breast fed by the middle of the twentieth century women typically bottle fed their babies on the advice of their doctors In this book Rima D Apple discloses and analyzes the complex interactions of science medicine economics and culture that underlie this dramatic shift in infant care practices and women s lives As infant feeding became the keystone of the emerging specialty of pediatrics in the twentieth century the manufacture of infant food became a lucrative industry More and more mothers reported difficulty in nursing their babies While physicians were establishing themselves and the scientific experts and the infant food industry was hawking the scientific bases of their products women embraced scientific motherhood believing that science could shape child care practices The commercialization and medicalization of infant care established an environment that made bottle feeding not only less feared by many mothers but indeed natural and necessary Focusing on the history of infant feeding this book clarifies the major elements involved in the complex and sometimes contradictory interaction between women and the medical profession revealing much about the changing roles of mothers and physicians in American society The strength of Apple s book is her ability to indicate how the mutual interests of mothers doctors and manufacturers

led to the transformation of infant feeding Historians of science will be impressed with the way she probes the connections between the medical profession and the manufacturers and with her ability to demonstrate how medical theories were translated into medical practice Janet Golden Isis

Sold American Charles F. McGovern, 2009-01-06 At the turn of the twentieth century an emerging consumer culture in the United States promoted constant spending to meet material needs and develop social identity and self cultivation In **Sold American** Charles F McGovern examines the key players active in shaping this cultural evolution advertisers and consumer advocates McGovern argues that even though these two professional groups invented radically different models for proper spending both groups propagated mass consumption as a specifically American social practice and an important element of nationality and citizenship Advertisers McGovern shows used nationalist ideals icons and political language to define consumption as the foundation of the pursuit of happiness Consumer advocates on the other hand viewed the market with a republican inspired skepticism and fought commercial incursions on consumer independence The result says McGovern was a redefinition of the citizen as consumer The articulation of an American Way of Life in the Depression and World War II ratified consumer abundance as the basis of a distinct American culture and history

Eliza Calvert Hall Lynn E. Niedermeier, 2021-12-14 In 1907 author poet essayist and folk art historian Eliza Calvert Hall 1856 1935 published *Aunt Jane of Kentucky* a collection of stories about rural life infused with the spirit and gentle good humor of its elderly narrator Aunt Jane The book and several sequels achieved wide popularity reaching an estimated one million readers in her lifetime and placed Hall in the front ranks of local color fiction writers of her time Eliza Calvert Hall s life and work unfolded during a time of restlessness and change for American women Born Eliza Lida Calvert in Bowling Green Kentucky Hall experienced the upheaval of both the Civil War and family scandal Forced to help support her mother and four siblings by teaching school she became a published poet adopting her grandmother s name Hall as her pseudonym At twenty nine she married William A Obenchain and in the space of eight years gave birth to four children As Hall struggled to balance her writing career with the duties of a nineteenth century wife and mother suffragist Laura Clay was lobbying for every woman s right to vote Hall joined the battle writing fearlessly in support of suffrage and

equality While her passionate essays served as a direct appeal for this cause her creative writing also carried a feminist spirit celebrating the strength humor love and art of the common woman In Eliza Calvert Hall Kentucky Author and Suffragist! Lynn E Niedermeier tells the story of this remarkable Kentuckian for the first time Hall s challenge was to balance the artist s creative ambitions with the crusader s passion for achieving the goal of political equality for American women Her successes did not stem from privilege or leisure although she was an acclaimed writer Hall was an ordinary woman a wife and mother of moderate economic means Through the power of her words she challenged others to match her courage independence intellectual energy and loyalty to her sex

Advertising Progress Pamela Walker Laird, 2020-01-15 Selected by Choice Magazine as an Outstanding Academic Title Originally published in 1998 Drawing on both documentary and pictorial evidence Pamela Walker Laird explores the modernization of American advertising to 1920 She links its rise and transformation to changes that affected American society and business alike including the rise of professional specialization and the communications revolution that new technologies made possible Laird finds a fundamental shift in the kinds of people who created advertisements and their relationships to the firms that advertised Advertising evolved from the work of informing customers telling people what manufacturers had to sell to creating consumers persuading people that they needed to buy Through this story Laird shows how and why in the intense competitions for both markets and cultural authority the creators of advertisements laid claim to progress and used it to legitimate their places in American business and culture
