Return of the Gods Owen Ware, 2025 Why is mythology of vital importance for the romantics What role does mythology play in their philosophical and literary work And what common sources of influence inspired these writers across Britain and

Germany at the turn of the nineteenth century In this wide ranging study Owen Ware argues that the romantics turn to mythology for its potential to transform how we see ourselves others and the world Engaging with authors such as Schiller Blake Schlegel Coleridge Novalis and Shelley Ware shows why they believe that neither perception nor reason alone can sustain a vision of the unity of all things A new mode of cognition is necessary they claim one that revives the poetic origin of mythology and reveals our own mythmaking powers The first study devoted to the rise of mythology in the British and German traditions Ware s book investigates the romantics practices of reinterpreting old myths and inventing new ones Their shared aim is nothing less than to elevate the human imagination to higher stages of self development in which philosophy and poetry as well as intellect and imagination form an integrated whole Far from calling us to return to the past the romantics work on mythology points us to a future where we can live in harmony with the personal social and natural worlds we inhabit Combining intellectual history with philosophical analysis and literary criticism Return of the Gods offers a bold reflection on why mythology mattered for the romantics and why it still matters today **Spiritual Abuse Recovery**

Barbara M. Orlowski,2010-01-01 What factors contribute to active Christians in ministry leaving their church and becoming exiting statistics Every year dedicated Christian people leave churches because of spiritual abuse The stories of people who left their home church because of a negative and hurtful experience paint a picture of a widespread occurrence which beckons consideration by church leaders and church congregants alike Spiritual abuse the misuse of spiritual authority to maltreat followers in the Christian Church is a complex issue This book shows how people processed their grief after experiencing spiritual abuse in their local church and how they rediscovered spiritual harmony Their spiritual journey shows how one may grow through this devastating experience This book offers a thoughtful look at the topic of spiritual recovery from clergy abuse through the eyes of those who have experienced it It invites church leaders to consider this very real dysfunction in the Church today and aims to demonstrate a path forward to greater freedom in Christ after a season of disillusionment with church leadership **The Tao of Trauma** Alaine D.
