[Assault on the Small Screen](#) Molly Ann Magestro,2015-07-22 Over the last few decades television programs have attempted to depict some of the more troubling elements of society with a more conscientious approach Issues that networks were once reluctant to broadcast such as sexual abuse sexual assault and rape have become frequent plot points for many popular shows Narratives that portray important social issues could potentially affect the ways individual viewers understand such incidents in the real world so it is important to pay close and critical

attention to the stories about rape that are broadcast to mass audiences In *Assault on the Small Screen Representations of Sexual Violence on Prime Time Television Dramas* Molly Ann Magestro examines the ways in which police and legal dramas on network and cable channels portray rape narratives In this discussion the author focuses on eight successful shows NCIS Criminal Minds CSI The Closer Rizzoli Isles Dexter Law and Order Special Victims Unit and The Good Wife Each chapter offers a close reading and analysis of how one or more of the shows represent rape narratives and rape victims in ways that more or less address feminist understandings of rape and rape culture The arguments in each chapter explore the specific narrative content of individual series rather than a single critical approach Each of the eight shows considered within the book is the focus of its own argument as the representations of rape narratives on television are as complex as issues surrounding rape can be in the real world In a time when rape narratives are frequently making headlines taking the time to examine and understand the messages broadcast by a medium as ubiquitous as television serves an important role in developing an understanding of rape culture A significant step toward this understanding *Assault on the Small Screen* will be of interest to scholars of film and television media studies gender studies criminology and sociology **Essential**

Defending Battered Women on Trial Elizabeth A. Sheehy, 2013-12-15 In the landmark Lavallee decision of 1990 the Supreme Court of Canada ruled that evidence of battered woman syndrome was admissible in establishing self defence for

women accused of killing their abusive partners This book looks at the trials of eleven battered women ten of whom killed their partners in the fifteen years since Lavalley Drawing extensively on trial transcripts and a rich expanse of interdisciplinary sources the author looks at the evidence produced at trial and at how self defence was argued By illuminating these cases this book uncovers the practical and legal dilemmas faced by battered women on trial for murder

The Female Teacher on Television Andrew L. Grunzke, Rebecca Z. Grunzke, 2025-06-12 This edited volume examines the ways in which the representation of female teachers on television has developed from the advent of the medium up to the present day Despite the widely feminized nature of the teaching profession the first depictions of female teachers on television did not occur until over a century later Contributors analyze a variety of programs spanning time periods audiences and genre to provide insight into the past present and future trajectory of increasingly multidimensional portrayals of female teachers Scholars of television media gender women s and cultural studies will find this book of particular interest
