The Making of the Modern Self Dror Wahrman,2004-01-01 Both the Bible and the Constitution have the status of Great Code but each of these important texts is controversial as well as enigmatic They are asked to speak to situations that their authors could not have anticipated on their own In this book one of our greatest religious historians brings his vast knowledge of the history of biblical interpretation to bear on the question of constitutional interpretation Jaroslav Pelikan compares the methods by which the official interpreters of the Bible and the Constitution the Christian Church and the Supreme Court respectively have approached the necessity of interpreting and reinterpreting their important texts In spite of obvious differences both texts require close word by word exegesis an awareness of opinions that have gone before and a willingness to ask new questions of old codes Pelikan observes He probes for answers to the question of what makes something authentically constitutional or biblical and he demonstrates how an understanding of either biblical interpretation or constitutional interpretation can illuminate the other in important ways

Weekly Starred Review      **The Royall Send-Off** Kasey Michaels, 2020-02-04 Winifred Fassbinder was raised on a Pennsylvania farm that has been in her family since the 1700s As the last surviving Fassbinder however she now resides at Royall Crest an upscale 55 and over slice of Heaven or at least its residents hope Heaven can live up to their cushy lives at Royall Crest But Winnie who tries to be as uninvolved in other people s lives as possible has begun to wonder if some of the Charter Members at Royall Crest aren t finding out about the real Heaven in oddly increasing numbers As a Charter Member herself Winnie figures it might be time she does a little investigating Yet even as she wonders how to do that she s faced with a weepy but adorable Pollyanna a runaway murder suspect with an attitude a floater in one of the Royall Crest hot tubs a Bad Boy with good intentions and a cop who just wants to slide into retirement without complications Written in the vein of Kasey s Maggie Kelly bestselling mystery series the crimes are off the wall the cast of characters wacky but loveable creations of her fertile imagination and love of the ludicrous Only this time the Senior Set gets into the act      Shall We Dance? Kasey Michaels, 2019-10-16 Perry Shepherd Earl of Brentwood presents himself to Society as a bit of a fribble carefree fairly indolent and bored to flinders by anything remotely political But appearances can deceive because scratch that polished surface and the real Perry appears an invaluable and rather ruthless covert asset to England during the late war with Bonaparte Perry ignores the reappearance of Princess Caroline consort of the new King George IV until his wily uncle orders him to ferret out information that would make it possible for the new king to divorce his unwanted blowsy and rather audacious spouse before he is forced to crown her as his Queen Left with no options Perry decides the way to the Princess is through her most trusted ally Amelia Fredericks A little charm a few of his winning smiles sprinkled in with a touch of flattery to the girl and well as one of his new acquaintances is known to say Bob s your uncle Except that Amelia is so sincere so trustworthy so devoted to Caroline and it s possible that both she and princess are in grave danger Now Perry has a problem how does he tell the truth to the woman he s been lying to even as he falls in love with her Don t miss the book that precedes this story featuring Morgan Drummond The Butler Did It Michaels truly shines in this gem of a historical romance rich in witty dialogue and intriguing political maneuverings Review by Patty Engelmann American Library Association

**Conflict and Colonialism in 21st Century Romantic Historical Fiction** Hsu-Ming Teo, Paloma

Fresno-Calleja, 2024-06-13 This book explores how postmillennial Anglophone women writers use romantic narrativisations of history to explore revise repurpose and challenge the past in their novels exposing the extent to which past societies were damaging to women by instead imagining alternative histories The novelists discussed employ the generic conventions of romance to narrate their understanding of historical and contemporary injustice and to reflect upon women s achievements and the price they paid for autonomy and a life of public purpose The volume seeks firstly to discuss the work of revision or reparation being performed by romantic historical fiction and secondly to analyse how the past is being repurposed for use in the present It contends that the discourses and genre of romance work to provide a reparative reading of the past but there

are limitations and entrenched problems in such readings
