Rex Lee, Night Flyer Thomson Burtis, 1929 **Among the River Pirates** Percy Keese Fitzhugh, 2023-10-30 In Percy Keese Fitzhugh's *Among the River Pirates* readers are transported into the adventurous world of Tom Slade as he navigates through the perilous waters of the Mississippi River. The book is set against the backdrop of the early 20th century, providing readers with a glimpse into a bygone era filled with excitement and intrigue. Fitzhugh's vivid descriptions of the river and its inhabitants create a rich tapestry of imagery that captures the imagination of readers. Percy Keese Fitzhugh, a prolific author of children's and young adult fiction, drew inspiration for *Among the River Pirates* from his own experiences growing up in the American Midwest. His deep connection to nature and his adventurous spirit shine through in the pages of this captivating novel. Fitzhugh's storytelling prowess and ability to create compelling characters make *Among the River Pirates* a timeless classic that continues to resonate with readers of all ages. Flying Adventurers David K. Vaughan, 2023-05-24 Aviation books were a unique and prolific subgenre of American juvenile literature from the early to mid 20th century, drawing upon the nation's intensifying interest. The first books of this type, Harry L. Sayler's series *Airship Boys*, appeared shortly after the Wright brothers' first successful flight in 1909. Following Charles Lindbergh's solo flight across the Atlantic, popular series like *Ted Scott* and *Andy Lane* established the golden age of juvenile aviation literature. This work examines the 375 juvenile aviation series titles published between 1909 and 1964. It weaves together several thematic threads, including the placement of aviation narratives within the context of major historical events, the technical accuracy in depictions of flying machines, and the ways in which characters reflected the culture of their eras. Three appendices provide publication data for each series, a list of referenced aircraft, and an annotated bibliography; there is a full index.

The Cruise of the Dazzler Jack London, 1902 *The Cruise of the Dazzler* is an early novel by Jack London set in his home city of San Francisco. It is considered a boy's adventure novel. In the novel, Joe Bronson, dissatisfied with his dull life at school, runs away and joins the crew of a sloop he sees in San Francisco Bay. He finds the captain is involved in criminal activities. The nautical activities on board a sailing boat are authentically described, and there are convincing descriptions of boats enduring stormy weather at sea.
