Rifleman in Africa Wallace Taber,1953 **American Rifleman** ,1929 **The Rifle Brigade Chronicle for ...** ,1911
The King's Royal Rifle Corps Chronicle ,1921 **The Rifle Brigade Chronicle** Great Britain. Army. Rifle Brigade
(Prince Consort's Own),1925 **Statutes of the Union of South Africa 1910-** South Africa,1916 **South Africa** ,1907
War and the Arme Blanche Erskine Childers,1910 *The Rifleman's Rifle* Roger C. Rule,2009-07 *The Digest of*
South African Case Law Thomas Graeme Duncan,1927 **History of the Royal Irish Rifles** George Brenton Laurie,1914
In 1881 the 83rd County of Dublin Regiment of Foot was linked to the 86th Royal County Down Regiment of Foot thus forming the 1st and 2nd Battalions of a new regiment the Royal Irish Rifles In 1921 the designation was changed to the Royal Ulster Rifles This regimental history extends over a period of 120 years beginning with the raising of the 83rd and 86th in 1793 and ending in 1912 The author has done a thorough job with this book so I was more than a bit surprised to read in the Foreword by the Colonel of the Regiment in his 98th year his reference to this little book that I have before me when you could do with a porter to carry it for you This is a goldmine for the genealogist or medallist for not only does the detail of the text abound with the names of personnel but also there is the complete list of officers who served in the 83rd 86th and after 1881 the Royal Irish Rifles The information against each name gives date of commission or date of transferring from another regiment dates of subsequent promotions and the date he left the regiment and the reason such as retired resigned half pay died transferred to Indian Army or to another regiment etc Another list gives the names of other ranks awarded the DCM showing campaign and reason for the award and yet another names the officers who received the Military General Service Medal for service in the Peninsular War and which clasps were awarded Another appendix lists the succession of Colonels 83rd 86th and Royal Irish Rifles with details of their military careers This is a very good history which begins with the raising of the regiments and continues with each chapter devoted to one or the other regiments for a specific period Thus for example Chapter III is headed Eighty sixth Regiment 1793 1799 and Chapter VIII Eighty third Regiment 1805 1817 Most of the 83rd s Battle Honours were won in the Peninsular War where it took part in the campaign from 1809 to 1814 both regiments were in India during the same period 1842 1859 The narrative not only describes in great detail the actions battles and skirmishes with casualties but also all other events in the life of the regiments moves rations clothing equipment strength returns correspondence and so on The maps are very good and finally there is a chapter on dress the Colours and medals It is the story of a regiment **Outers' Book-recreation** ,1922 A Military History of Perthshire: 1899-1902
Katharine Marjory Stewart-Murray Duchess of Atholl,Jane C. C. MacDonald,1908 **Africa's Most Dangerous** Kevin Robertson,2024-03-26 This title has some of the most spectacular buffalo photos ever published A Rifleman's Diary Eric Fawbert,2008-02-18 In 1940 the author was accepted for RAF flying crew then changed his mind and opted for the infantry Why see book As he survived 6 years 4 in the front lines of N Africa Italy and NW Europe without a scratch he has never

regretted the change Back in Civvy Street after the war and having voted Churchill out of office his diaries were relegated to the attic and brought out only recently as of interest in his old age and a change from the boredom of TV etc They did more than relieve boredom however as they reminded him that his service although not overtly recognised was something to be proud of He decided that an easy reading book would be of interest to his two children and the family name as well as an opportunity to dispel a number of fallacies of that time and to give a true insight into the life and thoughts of a ranker in the field The author believes that most war books are biased to some extent occasionally unintended but often intentionally so he stresses that this book adheres to the diary entries written on site at the time occasionally whilst still under fire His views tend to be confrontational but have not been challenged in the course of a private issue This book is intended for a wider readership

The King's Royal Rifle Corps Chronicle Great Britain. Army. King's Royal Rifle Corps Regiment, 1881-1958,1904 **Translations on Sub-Saharan Africa** United States. Joint Publications Research Service,1977 **The Last Hot Battle of the Cold War** Peter Polack,2013-12-13 A fascinating chronicle of the Cold War battle where US and Soviet weapons as well as Cuban and South African troops took part in the Angolan Civil War In the late 1980s as America prepared to claim its victory in the Cold War over the Soviet Union a bloody war still raged in Southern Africa where proxy forces from both sides vied for control of Angola The socialist Angolan government stocked with Soviet weapons had only to wipe out the resistance group UNITA secretly supplied by the United States in order to claim sovereignty But as Angolan forces gained the upper hand apartheid era South Africa stepped in to protect its own interests The white army crossing the border prompted the Angolans to call on their own foreign reinforcements the army of Communist Cuba Thus began the epic Battle of Cuito Cuanavale an odd match up of South African Boers against Castro's armed forces While South Africa was subject to an arms boycott since 1977 the Cuban and Angolan troops had the latest Soviet weapons But UNITA had its secret US supply line and the South Africans knew how to fight As a case study of ferocious fighting between East and West The Last Hot Battle of the Cold War unveils a remarkable episode in the endgame of the Cold War one that is largely unknown to the American public **Rifleman and Hussar** Sir Percival Scrope Marling (Bart.),1931 **Statutes of the Union of South Africa** South Africa,1916
