**The Secret Computer of the Ancient Gods** John C. Compton,2022-08-19 The I Ching Project was inaugurated in 1986 when the initial research on an ancient Tibetan Mandala revealed a trigram relationship with the I Ching the Chinese book of changes For the past 30 years the author has conducted a private research project delving deeply into Tantric Buddhist symbolism and the commentaries of the I Ching The author s research work has revealed and conclusively proves the existence of a lost civilisation whose mathematical and scientific knowledge not only equalled but surpassed its Greek and Egyptian contemporaries This book contains a series of commentaries research notes and illustrations selected from the author s amazing research work which will astonish practitioners philosophers and scholars of the ancient art of divination The author demonstrates and show that the scribes of this civilization retained their knowledge and wisdom for posterity within a computerized time capsule of pictographic images His work proves that the I Ching is not only a book of divination but a profound book of mathematics and science It also incorporates the original binary code which can now be attributed to the ancient authors of the I Ching some 4000 years ago

**The Occult I Ching** Maja D'Aoust,2019-12-10 An illustrated guide to the occult history serpent magic and practical application of the I Ching Reveals how the sacred language of the original eight trigrams of the I Ching was discovered by a wisdom serpent known as Fu Xi Explores how the I Ching formed the basis of the earliest Taoist philosophies its complex correlation with human DNA and its relationship with artificial intelligence Provides new contemporary analysis of each of the 64 hexagrams their changing lines and archetypes of the I Ching Includes original artwork highlighting the serpent magic within the system and tools to help you interpret the I Ching based on your own individual experience One of the oldest books in the world the I Ching has been used in China for millennia to open a dialogue with divinity gain insight

and wisdom and pull aside the curtain of reality to reveal the light of the heavens Yet despite its popularity over thousands of years few understand its mysterious origins symbolism or occult connections In this illustrated guide Maja D Aoust applies her significant experience as a professional practitioner and scholar of the I Ching to provide a history of the oracle explain the mechanisms at work behind it and offer a new experiential approach to its interpretation The author begins by examining the discovery of the I Ching by the first mythical emperor of China Fu Xi a divine being with the body of a serpent She reveals how Fu Xi s eight original trigrams also called the Ba Gua provided a sacred language of symbols that allowed for communication between the diviner and the spirit world Using the I Ching s principles of cosmology as a basis the shamans of ancient China developed the earliest Taoist philosophies of nature medicine martial arts and mathematics as well as ecstatic practices war strategies birth and death rituals agricultural systems and alchemical studies D Aoust further shows how the I Ching relates to the mathematical sequences of biology and human DNA examining the correlation between the serpent s tail and the double helix She reveals how the ways the oracle connects with your own inner knowing parallel the ways in which DNA repairs itself Providing a new analysis of each of the 64 hexagrams and their changing lines and archetypes the author explores each hexagram s meanings in depth alongside original artwork highlighting the serpent magic within the system and tools to help you interpret the I Ching based on your own individual experience Revealing how the oracle holds complex networks of meaning that language alone fails to capture D Aoust offers a new understanding of the Book of Changes and its many hidden lessons

*The Original I Ching Oracle* ,2007 This remarkable work is the final result of 50 years of I Ching research and over 10 years of roundtables and seminars Based on a revolutionary translation method and inspired by Carl Jung s insights into the psyche The Original I Ching Oracle offers Western readers the closest possible approach to the true content of the ancient Chinese oracle By cutting through layers of philosophical analysis and recovering the original images of the I Ching it puts readers in contact with a deep universal dimension of the human psyche as important today as it was for the shamans in China over 3 000 years ago

**The Original I Ching Oracle or The Book of Changes** Rudolf Ritsema,Shantena Augusto Sabbadini,2018-05-15 Often referred to as the Eranos edition this revised and updated translation offers the most substantial advance in I Ching since Richard Wilhelm introduced the oracle to the West in the 1920s The I Ching is one of the oldest Chinese texts and the world s oldest oracle Accumulated from over 2 500 years of diviners sages and shamans and born out of the oral tradition the I Ching as we know it today is a collection of texts imagery and advice philosophy and poetry divided into 64 chapters There are 64 hexagrams created from a collection of six lines either broken or solid In order to read from the book you must cast a hexagram The traditional method required yarrow sticks but nowadays is based on tossing three coins six times The Original I Ching Oracle or Book of Changes was inspired by Carl Gustav Jung s insights into the psyche and researched for more than 60 years through the Eranos Foundation of Switzerland It presents the oracular core of the I Ching as a psychological tool the symbols interact with our minds in the
