Secrets To A Successful Online Romance:

Secrets to a Successful Online Romance Jensel Darul, 2004-08-01 In this age of technology one need not depend on a face to face meeting to get to know others There is no need to hang out at singles bars There is no need to go through embarrassment when well meaning friends and relatives introduce you to a potential suitor but things do not work out There is the virtual world of meeting people chatting in chatrooms and sending instant messages They do this with Net users from all over the world Some may be people they know Very often they may be communicating with people whom they are not familiar with Thus they have been able to widen their scope of friends and acquaintances and take these relationships formed in cyberspace to different levels of friendship and romance Are you one of them If you have an interest in this communicative venture then *Secrets to a Successful Online Romance* will provide you with all the relevant information on how you can turn that friendship into a romance view In it you will be given a helping hand with the appropriate ingredients to spice up the virtual relationship Check your present relationship and see where mistakes are being made If you want to make the relationship work take the necessary steps to overcome the stumbling blocks start again meeting people on the Net becoming friends and then changing that friendship into a romance Remember that when two people meet in the faceless world of cyberspace they bring with them their expectations and ideals So if you have gone through one online relationship there are no guarantees that it will be easier the next time around communication between you and your potential romance partner in all your cyber relationships It will make you more aware of what could happen and how you could deal with problems that surface It may also help you with your off line relationships no strings attached unless you want them to be attached Then what happens if the virtual romance becomes a physical reality If it does enjoy it After all life is about making the most of what you have when you have it missing if you are without an online romance partner
