Reality LN O'Rourke, 2012-01-31 Lydia Sorensen a young woman could have everything if it wasn't for the social disorder that has kept her caged her entire life. She has been living and working on the family farm near a small township in Western Australia in her own self-imposed isolation until she once again sees one of them. But Patrick Marsden isn't one of them; he's not a figment of Lydia's unusual mind; he's from somewhere else, somewhere real. The fact that he's not even physically present—that he has sent his fourth-dimensional form through a doorway from his world—has him shocked that she is aware of him at all. Threatened by a clandestine organisation avoiding detection from invisible enemies and with the very fabric of Earth's reality on the line, Lydia is forced to the realisation that she has no choice but to work together with this mysterious entity. Throughout the course of their adventure, relationships will be tested, beliefs will be challenged, and treachery will be revealed as our heroes do battle to save Earth.

WHAT I'M LOOKING FOR Karen Grey, 2020-06-23 The course of true love never did run smooth. Like for real, dude. When a socially awkward finance hotshot aka me grudgingly walks into Boston's famous Cheers bar to do happy hour with the insufferably misogynistic guys from work, I don't expect the cute bartender to salvage the rest of my never-ending workday with a cleverly disguised mocktail. I especially don't expect him to talk Shakespeare to me. Fate keeps bringing us together just like the star-crossed couples in the plays. Will loves to quote. But while the chemistry between us may be stronger than a stiff Cape Codder, it's clear that on paper, the math doesn't add up. I can't help wondering if we're capable of an ending happier than Romeo and Juliet's. He's living in a dream world while my feet are planted firmly on the ground, and I can't risk my heart again on a guy who'll bail when the going gets rough. Even if he does rescue me from a murderous juggling clown. Fans of Lucy Score and Meghan Quinn will love this smart, feel-good, sweet and sexy romcom set in the late 1980s, an era of big hair and bigger egos. This is a fabulous read that'll take you back in time, make you swoon, and serve you with a heavy dose of nostalgia. The Rogue Reviews. Such a lovely debut from one of my favorite audiobook narrators. I loved the 80s nostalgia, the answering machine message lead-ins to each chapter, and he still my Shakespeare-loving heart, a theatre actor hero named Will who quotes from the bard. USA Today best-selling author A.J. Pine. Opposites attract. 80s music. Boston Shakespeare. So many good things in one book. Julia Whelan, author of *My Oxford Year*. Shakespearean actor Will and financial analyst Kate aren't exactly star-crossed lovers, but despite intense attraction, they can't ever seem to stay together very long. Set within the Boston theater community and the equally dramatic world of high-stakes consulting, Grey's wry, charming, and compulsively readable first novel demonstrates that when it comes to romance, falling in love is only the beginning. Dana Sachs, author of *The Secret of the Nightingale Palace*. This is my first book by Karen Grey, and I'm hooked. Rellim Reads. This is a fabulous read that'll take you back in time, make you swoon, and serve you with a heavy dose of nostalgia. Smart escapism at its finest. Five bitchin' stars for *What I'm Looking For*. The Rogue Reviews. An excellent read that gave me all the feels and put a smile on my face at the end. I highly recommend it for all fans of contemporary-ish romance and romantic comedy. Laurie Reads. Romance. Kate and Will share a sizzling attraction, and

complex connection giving me all the feels in this timeless romance That's What I'm Talking About Set in the 1980s this funny yet warmhearted character driven tale checks all the boxes for classy contemporary romance while providing the longed for something different readers seek out It's smart It's sexy It's sophisticated romance at its best Lea Hensley Audiogals I grew up in the 80's and so I am glad that Karen Grey decided to make a romance series based in the 80's as it was rather nostalgic Just look at that cover phones with cords Books Movies Reviews Oh My A very character driven book that took me back to when I was just starting out in the workforce in the mid 1980's one of the best decades Take a trip back in time when people actually left messages on answering machines before texting was a thing and enjoy Comfy Chair Books I would recommend this book to fans of romance I thought that Will and Kate were both fantastic characters and I had a great time with their story I wouldn't hesitate to read more of Karen Grey's work in the future Carol's Random Life in Books A well crafted romance set in the 1980s between two characters who seem to exist in separate worlds yet can't deny their attraction to each other Christie Bookbub When a Shakespeare actor meets a financial analyst in the eighties and answering machine messages caption chapters it's a recipe for romcom genius What I'm Looking For is a unique witty nostalgia filled romcom that made me laugh all day Liz Bookbub A must read fascinating Rom Com with a wonderful storyline Goodreads review Eighties nostalgic romantic comedy and answerphone messages that open every chapter what's not to love about this book Goodreads review A unique witty nostalgia filled romcom that made me laugh all day Goodreads review This was a really cute blast from the past I loved to read a book placed in a world where there were no cell phones available people used pagers and answering machines were a regular thing Alex Goodreads [Love Inspired February 2022 Box Set - 1 of 2](#) Emma Miller, Lisa Carter, Christina Miller, 2022-01-25 Love Inspired brings you three new titles Enjoy these uplifting contemporary romances of faith forgiveness and hope This box set includes THEIR SECRET COURTSHIP by Emma Miller Resisting pressure from her mother to marry Bay Stutzman is determined to keep her life exactly as it is Until Mennonite David Jansen accidentally runs her wagon off the road Now Bay must decide whether sharing a life with David is worth leaving behind everything she's ever known FINDING HER WAY BACK A K 9 Companions novel by Lisa Carter After a tragic event leaves widower Detective Rob Melbourne injured and his little girl emotionally scarred he enlists the services of therapy dog handler Juliet Newkirk and her dog Moose But will working with the woman he once loved prove to be a distraction for Rob or the second chance his family needs AN ORPHAN'S HOPE by Christina Miller Twice left at the altar preacher Jase Armstrong avoids commitment at all costs until he inherits his cousin's three day old baby Pushing him further out of his comfort zone is nurse Erin Tucker and her lessons on caring for an infant But can Erin convince him he's worthy of being a father and a husband For more stories filled with love and faith look for Love Inspired February 2022 Box Set 2 of 2 **Hidden Hearts** Lenora Worth, Emma Miller, 2023-06-27 An Amish love in bloom Secrets in an Amish Garden by Lenora Worth After losing her first love Amish garden nursery owner Rebecca Eicher thought she'd shuttered her heart forever But
