poverty It was my arrogance keeping me poor Nothing else I skipped all the introductions and all the conclusions in books I skipped past the exercises because I was too smart for them I didn't need them But recipes exist for a reason All I had to do was listen Listen to those before me that already found the way I had to lose everything over and over again before I was willing to apply the lessons of the masters before me This isn't a story about poverty It's a story about how arrogance leaves us poor If not financially then mentally poor which is a worse place to be For a poor man with applied wisdom is better than a sedentary genius Matthew Morales Discover how a kid from the hood made it good not just financially but through reaching a higher spiritual plane In his fascinating work *Never Be Poor Again* Matthew Morales reveals the sometimes lucky sometimes nerve wracking journey from poverty to enlightenment and enoughness Using *Laws of the Universe and vulnerability* Matthew teaches how to respect and most importantly how to put into practice the way out of poverty Mentally Spiritually and Financially _____ The first book of its kind This book will redefine how self help books are written Not many self help books take you on the journey of struggles and what it actually took to grow Most are told from the perspective of the expert and what to do this is the opposite It takes you on an emotional rollercoaster as you experience the authors experiences of poverty and watch as he frees himself by the end giving you the satisfying feeling that you can do it too It connects directly to the hearts of the readers and is easier to relate to than any financial literacy book ever written before
