

Seeds of Corruption

11

+1 stealth action

① Put this card on a vampire controlled by your prey. If the vampire is a Follower of Set, he or she burns 2 additional blood for each action he or she performs; otherwise, he or she burns 1 additional blood for each action he or she performs. The vampire with this card cannot use his or her special abilities. Any vampire(s) may burn this card with two +1 stealth actions.

As above, but the vampire burns 2 additional blood for each action; Followers of Set burn 3 additional blood.
