Yearbook of Agriculture ,1914 **Yearbook of the United States Department of Agriculture** United States Department of Agriculture,1914 **Hiroshima** M. G. Sheftall,2024-09-10 The first volume in a two book series about each of the atomic bomb drops that ended the Pacific War based on years of irreplicable personal interviews with survivors to tell a story of devastation and resilience In this vividly rendered historical narrative M G Sheftall layers the stories of hibakusha the Japanese word for atomic bomb survivors in harrowing detail to give a minute by minute report of August 6 1945 in the leadup and aftermath of the world changing bombing mission of Paul Tibbets Enola Gay and Little Boy These survivors and witnesses who now have an average age over ninety years old are quite literally the last people who can still provide us with reliable and detailed testimony about life in their cities before the bombings tell us what they experienced on the day those cities were obliterated and give us some appreciation of what it has entailed to live with those memories and scars during the subsequent seventy plus years Sheftall has spent years personally interviewing survivors who lived well into the twenty first century allowing him to construct portraits of what Hiroshima was like before the bomb and how catastrophically its citizens lives changed in the seconds minutes days weeks months and years afterward He stands out among historians due to his fluency in spoken and written Japanese and his longtime immersion in Japanese society that has allowed him a white American the unheard of access to these atomic bomb survivors in the waning years of their lives Their trust in him is evident in the personal and traumatic depths they open up for him as he records their stories Hiroshima should be required reading for the modern age The personal accounts it contains will serve as cautionary tales about the horror and insanity of nuclear warfare reminding them it is hoped that the world still lives with this danger at our doorstep Tattered Kimonos in Japan

Robert Rand,2023-12-26 Examines the meaning and impact of World War II through the eyes of Japanese men and women who survived that conflict **Realising Farmers' Rights to Crop Genetic Resources** Regine Andersen,Tone Winge,2013-07-18 Farmers Rights are essential for maintaining crop genetic diversity which is the basis of all food and agricultural production in the world The International Treaty on Plant Genetic Resources for Food and Agriculture recognizes Farmers Rights and provides for relevant measures However implementation is slow and in many countries there is resistance This book shows the necessity of realizing Farmers Rights for poverty alleviation and food security the practical possibilities of doing so and the potential gains for development and society at large It provides decision makers and practitioners with a conceptual framework for understanding Farmers Rights and success stories showing how each of the elements of Farmers Rights can be realized in practice The success stories have brought substantial achievements as regards one or more of the four elements of Farmers Rights the rights of farmers to save use exchange and sell farm saved seed the protection of traditional knowledge benefit sharing and participation in decision making This does not mean that these examples are perfect Challenges encountered on the way are conveyed and offer important lessons The stories represent different regions and localities including Europe Asia Africa and Latin America as well as various categories of stakeholders and types of initiatives and policies **The Midrashic Impulse and the Contemporary Literary Response to Trauma** Monica Osborne,2017-12-06 Since the end of World War II we have witnessed countless artistic responses to the Holocaust yet we remain unable to adequately address the atrocities While Theodor Adorno later rescinded his comments on the barbaric nature of writing poetry after Auschwitz The Midrashic Impulse and the Contemporary Literary Response to Trauma begins with the possibility that he was right that his admonition against poetry warns against employing representational modes that transgress the boundaries of the ethical when it comes to the Holocaust There is a language other than the language of representation with which we might speak authentically about such atrocities This study explores what it means for the world of literature to renounce the language of representation and retain the language of witness Drawing on the work of Emmanuel Levinas Maurice Blanchot Geoffrey Hartman and others the book focuses on the increasing tendency of contemporary writers to rely on non representational approaches to storytelling in the context of trauma This tendency is named the midrashic impulse given its similarity to ancient rabbinic approaches to the silences of the Hebrew bible through the creation of Midrash ... **Official Catalogue ...** Moses Purnell Handy,1893 **Guidelines for Reducing Porpoise Mortality in Tuna Purse Seining** James M.
