

# COMMON SENSE FAITH

Patrick J. Brennan

*This popular presentation of the Catholic faith by a leading Catholic evangelist explores how to live spiritually in an ever more complex world.*

"Challenging, candid, relevant! Fr. Brennan weaves together contemporary issues, Scripture, and psychology in short, meaningful reflections. The completed tapestry offers us a satisfying way to live our faith. This is a helpful book for those seeking to relate the gospel to their everyday experiences."

—**Madelyn Gould, S.S.S.F., Pastoral Minister, St. Margaret Mary Parish, Naperville, Illinois**

"Poetic and personal, these reflections arise from broad scholarship and deep introspection. Brennan gathers writings of many years—sermons and essays—sharing a mother lode of wisdom with a wider audience. A book that is 'catholic' in every sense of the word."

—**Timothy E. O'Connell, Institute of Pastoral Studies, Loyola University Chicago**

"Patrick Brennan is a gifted priest and an extraordinary preacher. With *Common Sense Faith* we get a glimpse at the beauty and depth of his soul."

—**Monsignor Kenneth Velo, Senior Executive for Catholic Collaboration, DePaul University**

"Fr. Brennan offers us intelligent, thoughtful, and inspiring insight into what it means to follow Jesus faithfully in today's cultural context. This is brilliant theology for authentic spirituality and faith-filled ethical living—a valuable resource for every adult Catholic."

—**Robert A. Ludwig, Institute of Pastoral Studies, Loyola University Chicago**

Anderson,2008-02-01 Life contains a rhythm when we see it from beginning to end Our personal existence is not a series of individual episodes taking place as points in time Rather life itself bears us along in a common pilgrimage At any given time we are part of a community where birth and death joy and sorrow pain and pleasure as well as sowing and harvesting are taking place This communal sharing of life replicates all the seasons of life For each time in our lives there is a corresponding season in the life of the human family We empower faith by practicing hope every day of our lives

Taboo Village: A Perspective On Being Gay In Black America Sampson McCormick,2010 Being an open and self affirming African American homosexual man or woman in many ways challenges the notion that you cannot live without overcoming certain struggles that exist in society religion family and self This book seeks to address those issues and affirm all readers

The Ministry of the Word, Vol. 22, No. 05 Various Authors,2018-05-01 This issue of The Ministry of the Word contains the final eight messages given during the fall 2017 term of the full time training in Anaheim California The general subject of this series of messages is The Crucial Revelation of Life in the Scriptures God s ultimate intention is to gain a corporate God man for His corporate manifestation The intrinsic element of God s eternal economy is that the Triune God in humanity the wonderful Christ as the Spirit of the glorified Jesus is sown into God s chosen people as the seed of life the seed of God so that He might grow in them live in them develop in them and be expressed from within them as the farm of God for the building up of the church as the house of God and the kingdom of God The seed of life is actually God in Christ as the Spirit through His word sown into us This seed contains everything related to God s economy to the divine life and to the growth development and function of that life The seed of life is not only a substance a reproductive element or an essence but also a person the all inclusive Christ The seed of life sown into us needs to grow to maturity so that we may be the kingdom of God In resurrection Christ became a life giving Spirit for imparting life The life giving Spirit is the extract the essence the

concentrated form of the all inclusive Christ The totality of all that the all inclusive Christ is as the life giving Spirit is for our experience and enjoyment Without the experience of Christ as the life giving Spirit the Lord cannot have His Body If we never have any experience or enjoyment we will never grow There is always a spiritual war related to the growth in life If the enemy cannot stop the sowing of the seed then he will do everything he can with every believer to prevent the seed from growing to maturity However there is a fighting element in this seed The only way to enter into the coming kingdom is to grow into the kingdom Second Peter 1 5 11 reveals that our growth in life to maturity becomes an entrance into the kingdom richly supplied to us The law of the Spirit of life is the subject of Romans 8 God s life is the highest life and the law of this life is the highest law The law of the Spirit of life is not a thing but a person the processed and consummated Triune God embodied in Christ and realized as a living law in our spirit This law of life is the spontaneous power the natural characteristic and the innate automatic function of the divine life While we remain in touch with the Lord staying in contact with Him the law of the Spirit of life works automatically spontaneously and effortlessly to dispense God as life into our being and to overcome the law of sin and of death vv 10 6 11 We activate the law of the Spirit of life by remaining in touch with the Lord We need to cooperate with the indwelling installed automatic and inner operating God by prayer and by having a spirit of dependence thus maintaining our fellowship with the Lord of life and the Lord of work Romans 8 reveals that the processed Triune God as the law of the Spirit of life gives the divine life to the believers for their living There are four laws in Romans 7 and 8 One law is outside of us and the other three correspond to the three lives that are within us as regenerated persons Outside of us is the law of God the law of moral commandments which is a portrait of God Within us is the law of sin and of death in our flesh the law of good in our soul and the law of the Spirit of life in our spirit The only way we can match and become the living portrait of God is by living according to the law of the Spirit of life in our spirit God s desire and goal are that we live by the divine life and minister life to others for the building up of the church The all inclusive indwelling Spirit is constantly transmitting this life into each one of us to build up the church edify the saints and minister the riches of Christ to everyone who contacts us In Romans 8 we also see that the desire of God s heart is to have many sons for His corporate expression v 29 The Father sent His Son who was born under the law and born through a woman to redeem us out from under the law Having redeemed us He sent forth the Spirit of His Son into our hearts crying Abba Father Gal 4 6 Now our spirit has become a spirit of sonship As the divine life grows within us and transforms us it spontaneously shapes us into the form the image of the firstborn Son of God We are to be conformed to the image of God s firstborn Son Christ as the first God man that we may be a group of God men who are exactly like Him Paul s Epistle to the Romans reveals God s complete salvation in two aspects God s judicial redemption is the procedure of God s complete salvation for the believers to participate in God s organic salvation as the purpose of the complete salvation of God Redemption entails the forgiveness of all our sins reconciliation positional sanctification and justification God s organic salvation is the organic aspect of God s

complete salvation through the life of God Rom 1 17b Acts 11 18 Rom 5 10b 17b 18b 21b as the purpose of God's salvation accomplishing all that God wants to achieve in the believers in His economy through His divine life Gen 2 9 Rev 22 14 Organic salvation entails regeneration with God's life sanctification with God's holy nature renewing with God's element transformation with God's being conformation into God's image and glorification which is our full sonship Glorification sonizes our whole being from spirit to soul to body All the items of God's organic salvation are carried out by Christ as the life giving Spirit in His heavenly ministry organically and subjectively Being saved in His life is actually the process of resurrection with the resurrection life of Christ as the element increasingly taking place in our inner being so that we are sanctified which is to be saturated with God's holy nature It is in resurrection that we are renewed we walk in newness of life and we serve in newness of spirit Rom 6 4 7 6 The experience of God's organic salvation equals reigning in Christ's life The issue of our reigning in life living under the ruling of the divine life is the real and practical Body life expressed in the church life 12 1 4 9 12 15 18 The Announcements section at the end of this issue contains a list of upcoming conferences and trainings hosted by Living Stream Ministry and a website link for information related to similar events in Europe *Beside the Stream* Suzanne Gribble, 2021-07-13 *Beside the Stream* is a collection of colorful word pictures intermingled with scripture meant for pondering for inspiration and for an encounter with the living God They draw attention to what God can accomplish through someone who will surrender his or her will to Him as in the poems *The Grass Is Really Greener Now* and *Your Grace Saved Me Just in Time* Some of the poems in this book are poems of worship and healing some are of deliverance and some are love notes to her Savior God There are poems with humor and the Word weaved together like *The Gift of Repentance* and *My Mustard Seed Oak Tree* and there are poems that can lead a doubter of the Word to salvation in Christ This book also reveals how the desires of the world can lead to destruction and loss of eternal life with God as in *God Sent Someone to Tell Me Now* He's Sent Me to Tell You This book shows that God's word is tangible and that believers can have an intimate relationship with their Creator and Savior I pray that this book will bless readers and that those lacking in faith in God will give serious thought to the fact that there is life after death either eternal life with God in heaven or the torment of eternity in perdition Another story poem is waiting it's on the tip of my pen Time for the words to awaken you to the Father's love within *Marvelous Myths* Russell W Dalton, 2011-04-01 What makes someone a hero In the early 1960's the image of a superhero was someone with a square jaw a muscular build and a quick smile whose biggest personal problem was trying to keep their girlfriends from guessing their secret identities Then writer Stan Lee and artists Jack Kirby and Steve Ditko created a group of superheroes who revolutionized comics These heroes including *The Fantastic Four* *The Incredible Hulk* *Spider man* *The X men* *Iron Man* *Captain America* and others were not perfect heroes living in a perfect world but fallible people with physical ailments and personal problems like our own While the authors and artists who created them did not intend to write explicitly religious stories their tales of imperfect heroes who try to do the right thing

despite the many challenges they face provide us with the opportunity to reflect on our own faith journeys as we strive to live heroic lives in the real world Each chapter reflects on the heroes most famous adventures and discusses the ways in which we are called to overcome many of the same obstacles they face as we strive to carry out the ministries to which God calls us Each chapter ends with questions for reflection or group study

**Hartford Puritanism** Baird Tipson, 2015 Statues of Thomas Hooker and Samuel Stone grace downtown Hartford Connecticut but few residents are aware of the distinctive version of Puritanism that these founding ministers of Hartford's First Church carried into the Connecticut wilderness or indeed that the city takes its name from Stone's English birthplace Shaped by interpretations of the writings of Saint Augustine largely developed during the ministers years at Emmanuel College Cambridge Hartford's church order diverged in significant ways from its counterpart in the churches of the Massachusetts Bay Colony Hartford Puritanism argues for a new paradigm of New England Puritanism Hartford's founding ministers Baird Tipson shows both fully embraced and even harshened Calvin's double predestination Tipson explores the contributions of the lesser known William Perkins Alexander Richardson and John Rogers to Thomas Hooker's thought and practice the art and content of his preaching as well as his determination to define and impose a distinctive notion of conversion on his hearers The book draws heavily on Samuel Stone's *The Whole Body of Divinity* a comprehensive exposition of his thought and the first systematic theology written in the American colonies Virtually unknown today *The Whole Body of Divinity* not only provides the indispensable intellectual context for the religious development of early Connecticut but also offers a more comprehensive description of the Puritanism of early New England than any other document
