

A dramatic painting depicting the biblical scene of Moses meeting God on Mount Sinai. On the left, Moses, with a long dark beard and wearing a red and white robe, is shown in profile, reaching out towards the right. On the right, God, depicted as an elderly man with a long white beard and wild white hair, is shown in a dynamic, almost dancing pose, wearing a dark robe. The background is filled with swirling, dark clouds and a bright, golden light emanating from the right, suggesting the presence of the divine. The overall mood is intense and awe-inspiring.

Seeing God Face To Face:

Preaching Christ from Genesis Sidney Greidanus, 2007-06-25 Sidney Greidanus's previous two preaching books *The Modern Preacher and the Ancient Text* and *Preaching Christ from the Old Testament* have received wide acclaim. *Preaching Christ from Genesis* offers more of Greidanus's solid practical homiletical fare. Packed with unique features, *Preaching Christ from Genesis* uses the latest scholarly research to analyze twenty-three Genesis narratives, presents the rhetorical structures and other literary features of each narrative, discloses the message for Israel, theme as well as the authors' likely purpose, goal, explores various ways of preaching Christ from each narrative, offers sermon exposition and commentary in oral style, suggests relevant sermon forms, introductions and applications. Including helpful appendixes: Ten Steps from Text to Sermon, An Expository Sermon Model, and three of the author's own Genesis sermons, this volume will be an invaluable resource for preachers and Bible teachers. Answering Mormons' Questions Bill McKeever, Eric Johnson, 1983 The Church of Jesus Christ of Latter Day Saints currently boasts millions of members, thousands of missionaries and congregations on every continent as well as in the vast majority of the world's countries. It's clear that their influence is still growing in our communities, places of business and in the political arena. It's also clear that Christians need to be prepared to answer questions from Mormon friends, neighbors, co-workers and from fellow believers as well. In this updated and expanded edition of McKeever's popular and practical book, authors Bill McKeever and Eric Johnson provide ready responses to the common questions Mormons ask. With more than six decades of combined experience, the authors tackle such tough questions as: Why don't you accept Mormons as Christians? Do you believe Mormonism is a cult? If the LDS church is not true, which church is? How can you explain the many contradictions found throughout the Bible? After offering analysis and responses to these and other questions, McKeever and Johnson provide helpful appendices that summarize Mormon beliefs, provide 101 Bible references to use in conversation and expose common logical fallacies. Originally published in the 1980s, this volume has been and will continue to be a classic resource to help Christians become more successful in sharing their faith with Mormons.

Tears into Wine Eric Chafe, 2015-04-01 In 1714 the 29 year old Johann Sebastian Bach was promoted to the position of concertmaster at the ducal court of Weimar This post required him for the first time in his already established career to produce a regular stream of church cantatas one cantata every four weeks Among the most significant works of this period is Ich hatte viel Bek mmernis in meinem Herzen Cantata 21 Generally known in English as I had much affliction Cantata 21 draws from several psalms and the Book of Revelations and offers a depiction of the spiritual ascent of the soul from intense tribulation to joy and exaltation Although widely performed and loved by musicians Cantata 21 has endured much criticism from scholars and critics who claim that the piece lacks organizational clarity and stylistic coherence In Tears into Wine renowned Bach scholar Eric Chafe challenges the scholarly consensus arguing that Cantata 21 is an exceptionally carefully designed work and that it displays a convergence of musical structure and theological purpose that is paradigmatic of Bach s sacred work as a whole Drawing on a wide range of Lutheran theological writing Chafe shows that Cantata 21 reaches beyond the scope of the individual liturgical occasion to voice a breadth of meaning that encompasses much of the core of Lutheran thought Chafe artfully demonstrates that instead of simply presenting a musical depiction of the soul s journey from sorrow to bliss Cantata 21 expresses the various stages of God s revelation and their impact on the believing soul As a result Chafe reveals that Cantata 21 has a formal design that mirrors Lutheran belief in unfolding revelation with the final movement representing the work s crown the goal toward which all of the earlier movements are directed Complete with full text translations of the cantata and the liturgical readings that would have

accompanied it at the first performance Tears into Wine is a monumental book that is ideally suited for Bach scholars and students as well as those generally interested in the relationship between theology and music

Signs of Change Anthony Bartlett, 2022-03-11 The Bible has many stories but really there are only two There is a story of violent humanity and there is the story of a self giving nonviolent God The question has been how to distinguish the two without creating a toxic dualism Bartlett shows that the narratives in tension are not two opposed Testaments even less two metaphysical principles but the slow separating out of nonviolent revelation from the frame of violent meaning by which human beings have always signified themselves and their gods In his prior ground laying book Theology Beyond Metaphysics Bartlett demonstrated the concept of semiotic change and how it emerges as the most appropriate way of understanding and affirming a relational shift in human and theological meaning In this present work he supplies a rich seam of biblical evidence with gripping essays on Old Testament books and their evolution of transformative signs and new meaning Accounts of the life of Jesus and the teaching of Paul make the change exponential bringing to definitive expression the inbreaking of the nonviolent divine Signs of Change creates a theological masterstroke showing step by step how semiotic evolution leads human existence to the truly saving knowledge of a nonviolent God

Bodies, Embodiment, and Theology of the Hebrew Bible S. Tamar Kamionkowski, Wonil Kim, 2010-05-20 Recognizing that human experience is very much influenced by inhabiting bodies the past decade has seen a surge in studies about representation of bodies in religious experience and human imaginations regarding the Divine The understanding of embodiment as central to human experience has made a big impact within religious studies particularly in contemporary Christian theology feminist cultural and ideological criticism and anthropological approaches to the Hebrew Bible Within the sub field of theology of the Hebrew Bible the conversation is still dominated by assumptions that the God of the Hebrew Bible does not have a body and that embodiment of the divine is a new concept introduced outside of the Hebrew Bible To a great extent the insights regarding how body discourse can communicate information have not yet been incorporated into theological studies
