This is an Answer to John Wiggan's Book [i.e. "Antichrist's Strongest Hold overturned"], spread up and down in Lancashire, Cheshire and Wales, who is a Baptist&a Monarchy-man. Wherein may be seen how he exalts himself, against Christ the light, that doth enlighten every man. And also some queries which was propounded to him, which he would never answer to this day, and also some of his assertions, which he could never make good, and likewise an answer to a second challenge ... From the prisoners at Lancaster ... Thomas Curwen, William Houlden, Henery Wood, William Wilson. Also here is an answer to his appendix annexed to the book by Margaret Fell. MS. notes Thomas

The Book For Our Time! Willy Jeanne Louis De Smedt,2023-11-22 Is it still possible to write something new and valuable about the Revelation The subject of Revelation has always been an intriguing one for both believers and non believers who for centuries have devoted themselves to studying and examining it Consequently many scholars have shared their view about it but almost all of them appear to be in contrast with one another Indeed never in time existed a continuous interpretation as every reader approaches the text from a distinct perspective Nonetheless it has always been evident that the key to Revelations lies within the pages of the Holy Scriptures With this notion in mind The Book For Our Time a translation of the original manuscript published in 1872 was written in order to research and understand along with readers to find the true end and fulfilment of Revelation and in so doing bring a sense of purpose to those who read it Willy Louis Jeanne De Smedt 8 2 1931 25 8 2017 Born in Belgium he moved with his parents to the Democratic Republic of the Congo where he attended a Catholic School Always serious about religion he wished to become a priest but eventually decided not to pursue his dream After moving to South Africa where he qualified as a millwright at Iscor Willy started working as a math teacher at the Military Technical College During a service in the New Apostolic Church Willy heard and learned about the Day of The First Resurrection That's when the project of The Book For Our time started to take form from his desire to inform people about the salvation plan of God He died in 2017 due to Leukemia *Morals on the Book of Job: Volumes 1 to 3* Saint Gregory the Great,Aeterna Press, The following Commentary may perhaps be regarded with the less interest by some readers as not being founded on a critical examination of the original Text Perhaps however there may also be readers who are glad to have their attention withdrawn from difficulties to them insuperable and fixed on those deep and pervading characteristics which it is the privilege of holiness to read in the sacred page Criticism may contradict the interpretation of a sentence and give a different turn to particulars but the main scope of the work is founded on principles of a higher order and involves a perception of truths to which the acutest critic may perchance be blind The utmost that criticism can do for the study of Holy Writ is to furnish as it were a correct Text for the reading of the spiritual eye And if there is any Book in the sacred Canon in which the bearing of words is more important than the mere thing said it is the Book of Job Aeterna Press
