How many of us have an open treasure chest of gold our spiritual growth waiting to be claimed on a deserted beach Spiritual growth is the process of becoming more and more like Jesus Christ When we place our faith in Jesus the Holy Spirit begins the process of making us more like Him Spiritual growth is perhaps described in 2 Peter 1 3 8 which tells us that by God s power we have everything need to live lives of godliness which is the goal of spiritual growth What we need comes through our knowledge of Him which is the key to obtaining everything we need Our knowledge of Him comes from the Word given to us for our edification and growth There are two lists in Galatians 5 19 23 Verses 19 21 list the acts of the flesh These are the things that identify our lives before we came to Christ for salvation The acts of the flesh are the activities we are to confess repent of and with God s help overcome As we experience spiritual growth fewer and fewer of the acts of the flesh will be evident in our lives The second list is the fruit of the Spirit verses 22 23 These are things that should characterize our lives now that we have experienced salvation in Jesus Christ Spiritual growth is identified by the fruit of the Spirit becoming

increasingly evident in a believer's life When the transformation of salvation takes place spiritual growth begins The Holy Spirit indwells us John 14:16-17 We are new creatures in Christ 2 Corinthians 5:17 The old sinful nature begins to give away to the new Christ-like nature Romans 6:7 Spiritual growth is a lifelong process that depends on our study and application of God's Word 2 Timothy 3:16-17 and our walk in the Spirit Galatians 5:16-26 As we seek spiritual growth we should pray to God and ask for wisdom concerning the areas He desires us to grow We can ask God to increase our faith and knowledge of Him God desires us to grow spiritually and He has given us all we need to experience spiritual growth With the Holy Spirit's help we can overcome sin and steadily become more like our Savior the Lord Jesus Christ How do I get there

Frederick Herzog's focus on the praxis context of the church is right on target. He makes a much needed contribution to the critical development of liberation theologies in the North American situation. Letty M. Russell, Yale University Divinity School. I am particularly grateful for the clear articulation in the book of a number of concerns emerging in Third World theology, such as the recognition of poverty as a political and not a natural phenomenon, the shift from elite universals to peoples' universals, the emphasis on Christopraxis as the key to orthodoxy, the interpretation of theology as praxis seeking understanding, and the emphasis on the sacraments of Baptism and the Lord's Supper as affirming that the bifurcation of history into a bodily history and spiritual history has been overcome. I hope that the book will be widely read in all continents and stimulate dialogue for promoting praxis-rooted theology. J. Russell Chandran, United Theological College, Bangalore, India. Herzog refuses to do an easy or obvious theology.

but insists on raising difficult questions which require theology to be done with some anguish He has seen more clearly than most that we are in a crisis of categories which must be reshaped in shattering ways not only to do a new theology but to re-understand the nature of theology Members of the United Church of Christ his own church body will especially benefit from Herzog's proposals as this militantly liberal church is urged in critical and self-critical directions Walter Brueggemann Professor Emeritus Columbia Theological Seminary No one has been more passionately involved than Frederick Herzog in responding to the challenges to mainstream North American Christianity from Latin American and black liberation theologians Addressing liberal Protestant theology and denominational structures in *Justice Church* Herzog unfolds a new theological method and a new understanding of the church This is an important book for all who believe that Christian faith involves response to injustice Lee Cormie University of St Michael's College University of Toronto Frederick Herzog was Professor at the Duke University Divinity School He served on numerous commissions of the World Council of Churches and the United Church of Christ In the spring of 1970 he wrote the first North American article on liberation theology and in 1972 his *Liberation Theology* was published a study of the Fourth Gospel described by Robert McAfee Brown as a pioneer North American work In *Justice Church* Herzog continues his pioneering work with a North American methodology of liberation theology
